ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows: A. ADJUSTABLE RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of

interest rate and the monthly payments, as follows: 4.750 %. The Note provides for changes in the 4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

The interest rate I will pay may change on the first day of January

and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current

information. The Note Holder will give me notice of this choice.

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO

AND 750/1000

The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change

Date. The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. (D) Limits on Interest Rate Changes The interest rate I am required to pay at the first Change Date will not be greater than

or less than

single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding %. Thereafter, my interest rate will never be increased or decreased on any

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach

of any covenant or agreement in this Security Instrument is acceptable to Lender. To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the

loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing, an analy 192 - it shall section if a little potential for distance in producing the behavior many shall see the a percent of and level that 30 days there the gene MULTISTATE ADJUSTABLE RATE RIDER—ARM 5-2 -: Single Family--- Fannie Maa/Freddie Mac Uniform Instrument andra is a give og s
