Ordinance No. 94-7, Page 2

EXHIBIT "A"

FINDINGS

- 1. The subject parcel is surrounded by the city limits and is within the Urban Growth Boundary.
- 2. The proposed annexation is in conformance with the City's Comprehensive Plan, specifically the Urbanization Element.
- 3. The subject property contains one single family home and is planned and zoned for low density residential use. The use will not change with the proposed annexation or plan and zone change. No adverse affects on surrounding properties is expected as a result of the proposed annexation.
- 4. Annexation of the property is compatible with the rational and logical extension of utilities and roads to the surrounding area and will conform with the City's Comprehensive Plan and applicable regulations within the Community Development Ordinance. At the time of annexation, the City will provide and maintain its full range of urban services to the property, subject to city policies and standards.
- 5. The subject property is not located in a floodplain and does not encroach upon agricultural or forest lands.
- 6. The annexation will not adversely affect the quality of the community's air, water and land resources.
- 7. The proposed annexation of the site is consistent with City Council goals to annex county islands.
- 8. The proposed annexation is in conformance with ORS 222.750 which allows city's to annex county islands within their boundaries without consent of the owner. Consent of the owner has not been received, nor has it been sought.
