Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence. evidence.

(A) Change Dates \_\_\_\_\_\_\_ and on that day The interest rate I will pay may change on the first day of \_\_\_\_\_October every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date".

#### (B) The Index

Beginning with the first Change Date, my interest rate will be based on the 1 Year Treasury Securities Index (the "Index"), which is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board.

The most recent applicable Index figure available as of the date 45 days before each Change Date is called the "Current Index". If the applicable Index is no longer available, the Note Holder will choose a new index which is based upon comparable

information. The Note Holder will give me notice of this choice.

### (C) Calculation of Charges

Before each Change Date, the Note Holder will calculate my new interest rate by adding \_\_\_\_\_2.875 \_\_\_\_ percentage points %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eight of one percentage point (0.125). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

## (D) Limit on Interest Rate Changes

Except as provided in any Addendum or Rider to this Note, the rate of Interest I am required to pay shall never be increased or decreased on any single Change Date by more than TWO percentage points (2.000%) from the rate of interest I was paying immediately prior to that Change Date, and my interest rate shall never be greater than \_\_\_\_\_\_\_ NINE & SEVEN-EIGHTHS percent ( 9.875 %).

CERERECORDED

## (E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

#### (F) Notice of Changes

The Note Holder will mail or deliver to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

# B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is mailed or delivered within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.

The Modification Document must be signed by: (i) everyone who originally signed the Note and/or Security Instrument unless the Note Holder has since released them in writing from liability on the loan and they no longer have an ownership interest in the Property; (ii) anyone who has subsequently assumed liability for repayment of the loan unless the Note Holder has since released them in writing from liability and they no longer have an ownership interest in the Property; and (iii) anyone else with an ownership interest in and a second definition of the second s the Property.

I may make inquiry and request verbal quotes of the current conversion rate applicable to my loan at anytime. However, if I have provided a written request to convert and I do not, for any reason, satisfy all requirements to conversion and return the fully executed Modification Document to the Note Holder by the deadline applicable under Paragraph E below, I will forfeit any future right to convert to a fixed rate. In that event, the provision of this Addendum shall be null and void and my loan will remain an adjustable rate loan as provided in my Adjustable Rate Note
