Beginning with the first Rate Change Date, my adjustable interest rate will be based on an Index. The "Index" is the twelve-month average of mont ily jields on active y traded United States Treasury Securities, adjusted to a constant maturity of one year.

My index is calculated by adding together the yields on one-year Treasury Constant Maturities (as published in Federal Reserve Statistical Release G-13), for the priceding twelve months available as of the date 15 days before each Rate Change Date, and dividing the result by twelve. The result of this calculation is called the

I have a Conversion Option which I can exercise in accordance with the requirements of this Section 5. The "Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate with interest rate limits to the fixed rate calculated under Section 5(C) below.

The Conversion Option will be available to me only during the period beginning on the twelfth payment due date and ending on the 60TH payment due date. The date on which I notify the Note Holder that I am exercising the Conversion Option is called the "Exercise Date." Provided that all the requirements of this Section 5 are met, the new, fixed interest rate will be effective beginning on the first day of the second month following the month in which the Exercise Date occurred. The date the fixed interest rate becomes effective is called the "Conversion Date."

Once I notify the Note Holder of my decision to exercise the Conversion Option, the Note Holder will forward to me any documents necessar: to effect the conversion. I must complete and sign the documents provided by the Note Holder and return them to the Note Holder together with the fees as specified in 5(B) below. If the required fees and properly completed documents are not received by the Note Holder by a date or dates specified by the Note Holder, my adjustable interest rate will not be converted to a fixed interest rate and I will forfeit my right to exercise the Conversion Option in the 'uture.

(C) Calculation of Fixed Rate

My new, fixed interest rate on the Conversion Date will be equal to the Federal National Mortgage Association's required net yield, as of a date and time specified by the Note Holder, for the purchase of (i) if the original term of this Note is greater than 15 years, 30 ear fixed rate mortgage loans under 60 day mandatory delivery commitments, plus FIVE-EIGHTHS OF ONE PERCENTAGE POINT (.625%)
