To Whom It May Concern

I am writing this letter in behalf of Abel Leon. I have known Mr. Leon for two years. Mr. Leon has been the minister of an Hispanic church in Malin for the past eight years. I have had the opportunity to participate in ministry with Abel both in Malin and in Lakeview. Abel Leon has helped Lakeview Ministries establish an Hispanic church in Lakeview which is lead by one of the men he has personally trained for the pastoral ministry. I believe that Abel Leon should be granted all the rights and responsibilities of a minister of the gospel of Jesus Christ.

Sincerely,

Reverend Gary McCreith,
