

BEFORE THE HEARINGS OFFICER
KLAMATH COUNTY, OREGON

IN THE MATTER OF CUP 106-94 AND LP 56-94 FOR
DENNIS ENSOR TO ESTABLISH A NON FARM RESIDENCE AND
DIVIDE THE PROPERTY

ORDER

1. NATURE OF THE REQUEST:

The applicant wishes to establish a residence not in conjunction with farm use on property four miles due west of Merrill in the Klamath Hills. Also considered was the request to partition the parent 123 acre property into two parcels, a 20 acre property to be devoted to the non farm residence and a 103 acre remainder to be left in agricultural use.

This request was heard by the Hearings Officer NOVEMBER 4, 1994 pursuant to Ordinances 44 and 45. The request was reviewed for conformity with Land Development Code Article 54 and with O.R.S. 215.243.

2. NAMES OF THOSE WHO PARTICIPATED:

The Hearings Officer in review of this application was Michael L. Brant.

The applicant appeared and offered testimony in support of the application.

The Planning Department was represented by Kim Lundahl, Senior Planner. The recording secretary was Karen Burg, Administrative Secretary.

3. LOCATION:

The property under consideration is located west of Merrill in the Klamath Hills. It is within Section 7, T 41S R 10E. T.A. 4110-4-800 - 1100.

4. RELEVANT FACTS:

The property is within the Agriculture plan designation and has an implementing zone of EFU-C. The parent property is 123 acres in size and IS under farm tax deferral. Land use and lot sizes in the area are similar to that proposed by this application. Residential land use and similar lot sizes are also found within one mile of this project. Fire protection is

provided by the Merrill RFD, 4.0 miles away with a response time of ten minutes.

5. FINDINGS:

All evidence submitted as the staff report, exhibits b-g, and offered testimony show that the approval criteria as set out in Code Article 54 and 45 has been satisfied. The Hearings Officer finds this application;

1. Is compatible with farm use because:

The analysis of surrounding properties and their use indicates the size of the proposed parcels and the proposed use as large lot rural-residential are compatible with the predominant adjacent land uses as the existing residential density of the area will not be increased.

The applicant has demonstrated the smaller parcel under consideration here is not considered a commercial agricultural parcel size due to its small size.

2. Does not interfere seriously with accepted farming practices on adjacent lands devoted to farm use because:

The surrounding parcels are found to be developed to rural residential and commercial farm use. The proposed non-farm uses will not interfere with the on-going use as sufficient lot area and geographic boundaries provide a buffer/setback from agricultural management practices.

The permit holder has proposed as a condition of this approval to file a restrictive covenant which will prohibit the permit holder and successors in interest from filing complaint concerning valid farming practices on nearby lands.

The Hearings Officer finds this will mitigate impact to the farm operation.

3. Does not alter the stability of the overall land use pattern of the area because:

The overall land use of part of this area is found to be large lot rural residential and commercial farming. A mineral extraction site has been sited to the west for many decades. The land use pattern of the area will not be modified as the residential intensity will be marginally increased.

4. Is situated upon generally unsuitable land for the production of farm crops and livestock, considering the terrain, adverse soil or land conditions, drainage and flooding, vegetation, location, and size of the tract because:

The proposed non farm parcels are substantially smaller than the 80 acre size required by HB 3661 and are therefore thought not appropriate for commercial farm use. Hearings Officer finds this non farm parcel size unsuitable for commercial agricultural use due to its small size, location adjacent to developed residential use and the testimony of the applicant stating a farm income suitable to support a family cannot be generated on this property. Partitions creating parcels for non-farm uses are reviewed per the criteria set out in L.D.C. Article 45 and section 54.070.

The Hearings Officer finds this partition conforms to these criteria as set out below:

1. The parcels created for non-farm use will be devoted to large lot rural residential and accessory building use. The land is not viable for commercial agriculture since it is less than 80 acres.
2. Access to the parcel is an easement east to the Merrill Pit Rd. 1 1/2 miles. Use of the road will not interfere with farm practices.

6. ORDER:

Therefore, it is ordered the request of ENSOR for C.U.P. 106-94 and L.P. 56-94 is approved subject to the following conditions:

1. The applicant shall file a restrictive covenant with the County Clerk prohibiting the permit holder and their successors in interest from filing complaint concerning accepted resource management practices that may occur on nearby lands.
2. L.P. 56-94 shall not be filed until the applicant provides the Planning Department with evidence that the non farm parcel has been disqualified for valuation at true cash value for farm use and that any additional tax penalty imposed by the County Assessor has been paid.
3. C.U.P. 106-94 will not be effective until L.P. 56-94 is filed in the office of the County Clerk.
4. L.P. 56-94 must comply with Code requirements, Oregon Revised Statutes and agency conditions prior to filing.
5. L.P. 56-94 will expire in one year from the date below unless the map is recorded or an extension of time is filed.

DATED this 5th day of NOVEMBER, 1994

MICHAEL L. BRANT, Hearings Officer

NOTICE OF APPEAL RIGHTS

You are hereby notified this application may be appealed to the Klamath County Board of Commissioners by filing with the Klamath County Planning Department a Notice of Appeal as set out in Section 33.004 of the Klamath County Land Development Code, together with the fee required within seven days following the mailing date of this order.
