The 10th Amendment defines the total scope of federal power as being that specifically granted by the United States Constitution and no more!

The United States Constitution grants the Federal Government, through Congress, the power to establish Post Offices and Post Roads (Art.1Sec.8Cl.7) and to exercise authority over all places purchased by the consent of the Legislature of the State in which the Same shall be, for the erection of Forts, Magazines, Arsenals, dock-yards and other needful buildings.

(Art.1Sec.8Cl.17)

The West 1/2 of the Northeast 1/4 of the Northwest 1/4 of Section 3 of Township 24 S., Range 10 E. in Klamath County, Oregon is not an established Post Road or Post Office and was not purchased by the consent of the Oregon State Legislature.

One February 14, 1859 Congress found the Oregon State Constitution in conformity with the United States Constitution and admitted Oregon into the Union on an equal footing with the other states.

Article 1, Section 1 of the Oregon State Constitution states; We declare that all men, when they form a social compact are equal in right: that all power is inherant in the people, and all free governments are founded on their authority, and instituted for their peace, safety, and happiness: and they have at all times a right to alter, reform, or abolish the government in such manner as they think proper.

THEREFORE;

I Larry D. Bottoms do hereby take title of, and abolish federal power and authority over the West 1/2 of the Northeast 1/4 of the Northwest 1/4 of Section 3 of Township 24 S., Range 10 E. in Klamath County, Oregon by adverse possession, as I think this is proper.
