**Re: Judicial and Constructive Notice of Record
Pursuant to 9504619CV**

Let it be known, that attached to and therefore, is a part of this document
"Satisfaction of Mortgage" #72907, 72908, 72909, Recorded December 16,
1993, Volume # M93 Pages 33512, 33513, and 33514, issued by South Valley
State Bank (exhibit A) and Non-Statutory Abatement presented to South
Valley State Bank (exhibit B).

This is a Legal Notice that Judges Cameron F. Wogan; Rodger J. Isaacson;
Richard C. Beesley; Richard B. Rambo and South State Valley Bank have
knowledge through this Judicial and Constructive Notice and that they have acted
fraudulently in the aforesaid cause number against the alleged said defendants;
I. F. Rodgers and Sons, Isaiah, Lorraine, Ronald R., Russell R., Radley R., Alice
A., Cynthia L., and Debra E. Rodgers, River Holding Trust, Douglas Carpa,
Orchard Holding Trust, Park Holding Trust, Start Holding Trust, Mountain
Holding Trust, Juniper Holding Trust, and Viewpoint Holding Trust, through
failure to respond to published Quiet Title and failure to notice previous
presentment of Non-Statutory Abatement (exhibit B) as prescribed by law.

Whether previous lack of faithful performance of the aforesaid Circuit Court Judges was due to mal /mis /or nonfeasance and /or fraud by South Valley State Bank against them. Any further lack of performance will be considered prima facie evidence of premeditated and malicious acts of extreme omission and /or error, improper and unlawful notice and service of purported defendants, violation of **DUE PROCESS, CRIMINAL BARRATRY, UNDUE INFLUENCE, PRINCIPLE AND AGENT, MISREPRESENTATION, CRIMINAL FRAUD, CRIMINAL CONVERSION, AND SLANDER OF CHARACTER**, with this prima facie fact, waives any and all defenses as a "voluntary consent" is hereby given by all actors expressly and implicitly named in this Judicial / Constructive Notice.

Further, the purported defendants only became aware of these criminal acts by seeing the legal notice in the local newspaper. Please take further notice, that it was not until we personally checked the records at the county clerks office, that, we discovered the attached document, exhibit A, showing that all of our alleged loans in default, were already paid in full, December 15, 1993, which now for the record, shows that South Valley Bank has been paid off twice through our Postal Money Order and Certified Bankers Treasury Warrant and owes us substantial funds back, especially, if you include the liens that have been served upon them showing South Valley State Bank and their actors in crime as the Debtors and WE as the Creditors. Further, the purported defendants listed, are not all involved with I. F. Rodgers and Sons or any Trusts, Holding Trusts, and private property.

You, Cameron F. Wogan, Rodger J. Isaacson, Richard C. Beesley and

Richard B. Rambo of the Circuit Court of Klamath County are hereby issued this Edict: Revoke all judgments and remove all liens against the aforesaid purported defendants and give notice of the same to all appropriate parties to the action, including a legal notice in said local newspaper reflecting this said revocation within Seventy-Two Hours upon receipt of this Registered Notice. Failure on your part to perform your duty and Oath of Office will be grounds for both civil and / or criminal and commercial lien actions to be taken against you. A copy of this Notice will be sent to the office of Risk Management for the State of Oregon and Your Bonding Agent, I. T. T. Hartford. Your immediate action would be appreciated.
