and to construct, operate and maintain and electric transmission and/or distribution line or
 system on or under the above described lands and/or in, upon or under all streets, roads or
 highways abutting said lands; to inspect and make such repairs changes, alterations, im-
 provements, removals from, substitutions and additions to its facilities as Cooperative may
 from time to time deem advisable, including, by way of example and not by way of limita-
 tion, the right to increase or decrease the number of conduits, wires, cables, handholes,
 manholes, connection boxes, transformer enclosures; to cut trim and control the growth by
 machinery or otherwise of trees and shrubbery located within 20 feet of the center line of
 said line or system, or that may otherwise interfere with or threaten to endange the opera-
 tion and maintenance of said line or system (including any control of the growth of other
 vegetation in the right-of-way which may incidentally and necessarily result from the means
 of control employed); to keep the easement clear of all buildings, structures or other
 obstructions; and to license, permit or otherwise agree to the the joint use of occupancy of
 the lines, system or, if any said system is placed underground, of the trench and related
 underground facilities, by other person, association or corporation.

The undersigned agreed that all poles, wires and other facilities including any main service
 entrance equipment, installed in, upon or under the above described lands at the
 Cooperative's expense shall remain the property of the Cooperative, removable at the
 option of the Cooperative.

The undersigned further stipulate that they are the owners of the above described lands and
 that the said lands are free and clear of encumbrances and liens whatsoever except those
 held by the following person:
