NOTICE TO QUIT OR ABATE NUISANCE

Dear Clerk/Recorder:

Please, acknowledge that the above recorded commercial presentments are incomplete and defective on their face. See O.R.S. 87.816(2)(b) and, or, O.R.S. 105.505 et seq.

Please, take note, that said recorded instruments are incomplete and defective on their face, due to fraudulent concealment of material facts necessary to establish a genuine or bona fide lien against us, our property and, or, rights to property, upon which the creator of said Notices of Lien has failed or neglected to disclose to the Secretary of State UCC-1 Division by his/her "True Bill" declaration/certification. As such, said recorded instruments can not lawfully establish any evidence of a debt. See O.R.S. 59.015(17)(a) and, or, Title 15 USC et al., particularly 15 USC § 17.

As you know, or, have reason to know by these due and timely curtesy presentments, without the required affidavit true bill in commerce, duly filed and recorded in the Secretary of State's Office, UCC-1 Division, by the creator or initiating officer, agent and, or employee of the OREGON DEPARTMENT OF REVENUE (hereinafter ODOR), our privacy and guarantee of due process has been and continues to be trespassed upon, by your participation in this matter, in filing and recording the same and, by your libel and slander, under color or law. See O.R.S. 79.4030(1).

I, We, can not lawfully waive such defects under the limitations and restrictions of ARTICLE I, Sections 9, 17, 32 and 34; ARTICLE IV, Section 23, Clause(s) 5, 7, 11 and 13, Oregon Republic's Organic Constitution and, or, ARTICLE in AMENDMENT, IV, VII and X, as Ordained and Established by "We the People," Constitution for the united States of America, under color of law as codified at O.R.S. Chapter 79 and other colorable acts under a de facto seal not of the People of Oregon, by the People of Oregon, nor for the People of Oregon. See the enclosed and attached "People's Seal".

Neither can I, We, waive the limitations and, or, restrictions incumbent upon you and your official Office, as duly imposed by the provisions of ARTICLE I, Section 10, Clauses 1 and 3, Organic Constitution for the united States of America.

The implied threat of issuance of the Writ(s) of Execution appearing on the face of said recorded instruments and, from your foreign venue, to have the Sheriff of Klamath County, Carl Burkhardt and, or, his designee, under color of law, per your recordation and, or, filing of same, constitutes a public nuisance upon and against my, our, property and, or, rights to property, both real and personal, privately owned and possessed. Mark my, our, words: I, We, are not debtors in possession, nor lawfully obligated to due the impossible because, the law does not require the impossible, e.g., to extinguish an alleged debt that is neither due and payable, nor, bona fide or genuine.

#### CAVEAT

Provided, said Writ(s) of Execution do issue and, upon your failure or neglect to quit or abate said publicly filed and recorded instruments, in your foreign venue, then you will have, in such cases made and provided, breached your faithful performance of Oath of Office (contract with "We the People") whereby, your Five-million dollar bond with Hartford Insurance Company (statewide) may be forfeited and, over, above and beyond the amount of such forfeiture of bond, you may be held personally liable for damages resulting therefrom.

If, you disagree with the substance of this NOTICE TO QUIT OR ABATE NUISANCE, then I, We, respectfully demand you promptly remit your lawful authority to hold court (legislative assembly tribunal), in your foreign venue, to gain a judgment by confession against us, individually and jointly, in violation of your Oaths of Office, United States Securities law and, or, public international Law of commerce. Moreover, any such authority of law, if it exists at all, shall include the legislative proofs of bonding said statutes which you may, or, may not be proceeding under.

Therefore, before you proceed with any further action in this matter, I, We, strongly urge you to contact your legal counsel, to verify the fact, that such recorded instruments do not establish an accounts receivable, financing statement, nor, other evidence of indebtness against us, nor, our privately owned real and personal property and, are, in fact, VOID, ab initio.

SO EXECUTED and ATTESTED TO, this 99th day, in the year of our Lord and Saviour, Yehoshua, the Messiah, One-thousand Nine-hundred and Ninety-six, Anno Domini, Amen.

Executed under 28 USC § 1746(1) and, by explicit reservation of rights, at Law and, in equity, waving none, ever, as codified at UCC 1-207, UCC 1-105, by prosecution of UCC 3-103 as herein and above set forth, and, or, UCC 3-601(3).

Sincerely,
