which are in excess of the amount required to pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred by granter in such proceedings, shall be paid to beneficiary and applied by it litrs upon any reasonable costs and expenses and attorney's fees, both in the trial and appellate country, necessarily paid or incurred by beneficiary in such proceedings, and the balance in incurred by granter agrees, at its own expense, to take such actions and asceute such instruments as shall be necessary in obtaining such compensation, promptly upon beneficiary's request, for including the processor of the property of the such actions and asceute such instruments as shall be necessary in obtaining such compensation, promptly upon beneficiary request.

In obtaining such compensation, promptly upon beneficiary request.

In obtaining such compensation of this deed and the note for endorment (in case of full reconveyances, for cancellation), without attecting the liability of any person for the payment of the indebtedness, trustee may (a) consent to the making of any map or plat of the property; (b) join in granting any easement or creating any restriction thereon; (c) join in any subordination or other agreement allecting this deed or the lien or charge thereof; (d) recovery, without variants, all or any past of the property. The grantes in any reconveyance may be described as the "person or persons to any of the services mentioned in this paragraph shall be not less than \$5.

10. Upon any default by granter hereunder, beneficiary may at any time without notice, either in person, by agent or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon any indebtedness secured hereby and in such order as beneficiary may at any time without notice, either in person, by a greater the required to the property of the indebtedness hereby secured, enter upon any indebtedness secured hereby and taking possession of the property of a

and that the grantor will warrant and lorever defend the same against all persons whomsoever.

The grantor warrants that the proceeds of the loan represented by the above described note and this trust deed are:
(a)* primarily for grantor's personal, family or household purposes (see Important Notice below),
(b) for an organization, or (even it grantor is a natural person) are for business or commercial purposes.
This deed applies to, imures to the benefit of and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, personal representatives, successors and assigns. The term beneficiary shall mean the holder and owner, including pledgee, of the contract secured hereby, whether or not named as a beneficiary herein.

In construing this trust deed, it is understood that the grantor, trustee and/or beneficiary may each be more than one person; that it the context so requires, the singular shall be taken to mean and include the plural, and that generally all grammatical changes shall be

it the context so requires, the singular shall be taken to mean and made, assumed and implied to make the provisions hereof apply e	qually to corporations and to individuals.
IN WITNESS WHEREOF, the grantor has exec	uted this instrument the day and year first above written.
