EXHIBIT A

1. The first step in the process of the formation of the state is the creation of a common identity among the people. This is achieved through the establishment of a common language, culture, and religion. The second step is the creation of a common territory, which is achieved through the establishment of a common border and a common capital. The third step is the creation of a common government, which is achieved through the establishment of a common constitution and a common set of laws. The fourth step is the creation of a common economy, which is achieved through the establishment of a common currency and a common set of economic policies. The fifth step is the creation of a common defense, which is achieved through the establishment of a common army and a common set of defense policies. The sixth step is the creation of a common foreign policy, which is achieved through the establishment of a common set of diplomatic relations and a common set of international agreements. The seventh step is the creation of a common social system, which is achieved through the establishment of a common set of social policies and a common set of social services. The eighth step is the creation of a common legal system, which is achieved through the establishment of a common set of laws and a common set of courts. The ninth step is the creation of a common culture, which is achieved through the establishment of a common set of cultural policies and a common set of cultural institutions. The tenth step is the creation of a common identity, which is achieved through the establishment of a common set of symbols and a common set of traditions. The eleventh step is the creation of a common future, which is achieved through the establishment of a common set of goals and a common set of plans. The twelfth step is the creation of a common destiny, which is achieved through the establishment of a common set of values and a common set of beliefs. The thirteenth step is the creation of a common hope, which is achieved through the establishment of a common set of dreams and a common set of aspirations. The fourteenth step is the creation of a common faith, which is achieved through the establishment of a common set of beliefs and a common set of practices. The fifteenth step is the creation of a common love, which is achieved through the establishment of a common set of emotions and a common set of actions. The sixteenth step is the creation of a common peace, which is achieved through the establishment of a common set of policies and a common set of actions. The seventeenth step is the creation of a common justice, which is achieved through the establishment of a common set of laws and a common set of courts. The eighteenth step is the creation of a common freedom, which is achieved through the establishment of a common set of rights and a common set of responsibilities. The nineteenth step is the creation of a common equality, which is achieved through the establishment of a common set of policies and a common set of actions. The twentieth step is the creation of a common unity, which is achieved through the establishment of a common set of goals and a common set of plans. The twenty-first step is the creation of a common strength, which is achieved through the establishment of a common set of resources and a common set of capabilities. The twenty-second step is the creation of a common power, which is achieved through the establishment of a common set of policies and a common set of actions. The twenty-third step is the creation of a common glory, which is achieved through the establishment of a common set of achievements and a common set of honors. The twenty-fourth step is the creation of a common honor, which is achieved through the establishment of a common set of values and a common set of beliefs. The twenty-fifth step is the creation of a common respect, which is achieved through the establishment of a common set of policies and a common set of actions. The twenty-sixth step is the creation of a common dignity, which is achieved through the establishment of a common set of rights and a common set of responsibilities. The twenty-seventh step is the creation of a common pride, which is achieved through the establishment of a common set of emotions and a common set of actions. The twenty-eighth step is the creation of a common joy, which is achieved through the establishment of a common set of experiences and a common set of memories. The twenty-ninth step is the creation of a common happiness, which is achieved through the establishment of a common set of goals and a common set of plans. The thirtieth step is the creation of a common well-being, which is achieved through the establishment of a common set of policies and a common set of actions. The thirty-first step is the creation of a common prosperity, which is achieved through the establishment of a common set of resources and a common set of capabilities. The thirty-second step is the creation of a common success, which is achieved through the establishment of a common set of goals and a common set of plans. The thirty-third step is the creation of a common achievement, which is achieved through the establishment of a common set of accomplishments and a common set of honors. The thirty-fourth step is the creation of a common triumph, which is achieved through the establishment of a common set of victories and a common set of triumphs. The thirty-fifth step is the creation of a common victory, which is achieved through the establishment of a common set of battles and a common set of triumphs. The thirty-sixth step is the creation of a common triumph, which is achieved through the establishment of a common set of victories and a common set of triumphs. The thirty-seventh step is the creation of a common glory, which is achieved through the establishment of a common set of achievements and a common set of honors. The thirty-eighth step is the creation of a common honor, which is achieved through the establishment of a common set of values and a common set of beliefs. The thirty-ninth step is the creation of a common respect, which is achieved through the establishment of a common set of policies and a common set of actions. The fortieth step is the creation of a common dignity, which is achieved through the establishment of a common set of rights and a common set of responsibilities. The forty-first step is the creation of a common pride, which is achieved through the establishment of a common set of emotions and a common set of actions. The forty-second step is the creation of a common joy, which is achieved through the establishment of a common set of experiences and a common set of memories. The forty-third step is the creation of a common happiness, which is achieved through the establishment of a common set of goals and a common set of plans. The forty-fourth step is the creation of a common well-being, which is achieved through the establishment of a common set of policies and a common set of actions. The forty-fifth step is the creation of a common prosperity, which is achieved through the establishment of a common set of resources and a common set of capabilities. The forty-sixth step is the creation of a common success, which is achieved through the establishment of a common set of goals and a common set of plans. The forty-seventh step is the creation of a common achievement, which is achieved through the establishment of a common set of accomplishments and a common set of honors. The forty-eighth step is the creation of a common triumph, which is achieved through the establishment of a common set of victories and a common set of triumphs. The forty-ninth step is the creation of a common victory, which is achieved through the establishment of a common set of battles and a common set of triumphs. The fiftieth step is the creation of a common triumph, which is achieved through the establishment of a common set of victories and a common set of triumphs.
