BURNS STREET REPORT

To: Board of County Commissioners

Subject: Vacation of a portion of Burns Street

The Board of County Commissioners initiated proceedings to vacate a portion of Burns Street and referred it to the County Director of Public Works by Resolution 97-024, dated September 18, 1996. Notice was provided to all utility companies in the area. None of the utility companies indicated they have installations that would be affected by this vacation.

The portion of Burns Street proposed to be vacated was abandoned and the road was moved to the east as shown on the attached map. The abandoned portion is no longer needed as part of the County Road System. Title to the property west of the original centerline will vest in the adjacent property owner, Mary Cameron, if this vacation is approved. Returning the property to the tax rolls would benefit the public. Ownership of the vacated portion east of the original centerline will vest in Klamath County.

I recommend the vacation be granted using the legal description attached as Exhibit A.
