- 40. Owner-Occupancy of Security Property. In there to induce Lend x to make the loan secured by this Security Instrument, Borrower has represent at to Lender that the Property will be occupied by Borrower within sixty (60) days following recordation of this Security Instrument and during the twelve (12) month period immediately following recordation of this Security Instituent as Borro ar's primary residence. Borrower acknowledges (a) that Lender would not have agreed to make the I an evidenced by the Note or notes accused by this Security Instrument if the Property were not to be owner-occupied, and (b) that the interest rate set forth on the face of the Note and other terms of the loan were determined as a result of Eurower's representation that the Property would be owner-occumied. Borrower further acknowledges that, arong other things (i) purchasers of loans (including agencies, associations and corporations created by the fedural and state governments for the purchase of loans) typically require that properties securing loans acquired by such purchasers be owner-occupied, and will reject for purchase loans for which security properties are not owner-occupied, (ii) Lender's ability to sell a loan or an interest in a loan (which it often does in the ordinary course of business) will thereby be inapaired where a security property is not owner-occupied. (iii) the risks involved and the costs of holding and administering a loan are often higher in the case of a loan in which the security property is not owner-compled, and (iv) if and when Lender makes a loan on the security of non-owner occupied property. Linder typically makes such a loan on terms different from those of loans secured by owner-occupied properties. Accordingly, in the event that (a) within sixty (60) days following recordation of this Security Instrument the Property is not or apied by Borrower as Borrower's primary residence, or (b) Borrower does not continuously live in the Property for at least twelve (12) months immediately following recordation of this Security Instrument, Leader may declare all sums secured by this Security Instrument to be immediately due and payable. The rights of Lender hereund x shall be in addition to any rights of Lender under this Security Instrument or allowed by law.
- 41. Riders to this Security Instrument. If checked below, the riders so indicated are executed by Borrower and are attached to, constitute a part of and are recorded togs her with this Security Instrument, and the covenants and agreements of each such rider are incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the covenants and agreements of each such rider were set out in this Security Instrument.
