WARRANTY OF TITLE - Borrower warrants that Borrower is lawfully seized of the estate here conveyed and has the right to grant, bargain, and sell the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

MAXIMUM OBLIGATION LIMIT - Additional or future loans or advances are contemplated. However, nothing in this Security Instrument shall constitute a commitment to make additional or future loans or advances in any amount. The total unpaid principal balance (exclusive of interest, attorneys' fees, paralegal fees, costs, and other legal expenses) secured by this Security Instrument at any one time shall not exceed advances made under the terms of this Security Instrument to protect Lender's security or to any future advances made or future obligations incurred under a construction loan instrument to enable completion of contemplated improvements.

SECURED DEBT DEFINED - Borrower's "Secured Debt," which is secured by this Security Instrument, means and includes the following:

A. The promissory note(s), contract(s), guaranty(s) or other evidence of debt executed by Borrower A. The profilesory note(s), contract(s), guaranty(s) of other evidence of debt executed by borrowers

The above obligation is due and payable on 360 months from last construction disbursement if not paid earlier.

- B. All future advances or other future obligations under any promissory note, contract, guaranty, or other evidence of debt existing now or executed after this Security Instrument. No future advance or future obligation will be secured by this Security Instrument unless the promissory note, contract, guaranty or other evidence of indebtedness under which such future advance or future obligation is incurred shall state on its face that it is secured by, and identifies by date of execution, this Security Instrument.
- C. All additional sums advanced and expenses incurred by Lender for insuring, preserving or otherwise protecting the Property and its value and any other sums advanced and expenses incurred by Lender under the terms of this Security Instrument, plus interest at the highest rate in effect from time to time provided for in the promissory note(s), contract(s), guaranty(s), or other evidence of debt.
- D. All other obligations Borrower owes to Lender, which now exist or may later arise, to the extent the taking of the Property as security for the obligation is not prohibited by law.
- E. Borrower's performance under the terms of any instrument evidencing a debt by Borrower to Lender and any security instrument securing, guarantying, or otherwise relating to the debt.

COVENANTS - Borrower and Lender warrant and agree as follows:

- 1. Payments. Borrower agrees to make all payments on the secured debt when due. Unless Borrower and Lender agree otherwise, any payments Lender receives from Borrower, or for Borrower's benefit, will be applied as follows: First, to any amounts Borrower owes on the secured debt, exclusive of principal or interest; secondly, to interest due; and thirdly, to principal. If partial prepayment of the debt occurs for any reason, it will not reduce or excuse any scheduled payment until the secured debt is paid in full.
- 2. Claims Against Title. Borrower will pay all taxes, assessments, liens, encumbrances and other charges attributable to the Property when due. Lender may require Borrower to provide copies of receipts liads an evidencing these payments. Borrower will defend title to the Property against any claims which would impair the security interest created by this Security Instrument. Lender may require Borrower to assign any rights, claims or defenses which Borrower may have against parties who supply labor or materials to improve or maintain the Property.

37 Insurance. Borrower shall keep the Property Insured against loss by fire, theft, flood and other risks reasonably associated with the Property due to its type and location. Insurance should be equal to amount of debt outstanding, under terms acceptable to Lender at Borrower's expense and for Lender's benefit. All insurance policies shall include a standard mortgage clause in favor of Lender. Lender will be named as loss payee or as the insured on any such insurance policy. Any insurance proceeds may be applied, within Lender's discretion, to either the restoration or repair of the damaged Property or to the secured debt. Any application of the proceeds to the principal shall not extend or postpone the due date of subsequent payments due, or change the amount of those payments. Borrower will give Lender prompt notice of any loss or damage to the Property. The insurance carrier providing the hazard insurance shall be chosen by Borrower subject to Lender's approval, which shall not be unreasonably withheld.

Borrower will pay these amounts to Lender as provided in Paragraph 9 of this Security Instrument. If there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, for condemnation or to enforce laws or regulations), then Lender may do and pay whatever is necessary to protect the value of the Property, including payment of taxes, hazard insurance and other items mentioned in Paragraph 2.
- 6. Leaseholds, Condominiums, Planned Unit Developments. Borrower agrees to comply with the provisions of any lease if this Security Instrument is on a leasehold. If Borrower defaults, Lender, Lender's agent or a court appointed receiver may take possession of and manage the Property and collect rents, including those past due. Any rents Lender collects shall be applied first to the costs of managing the Property, including court costs, attorney's fees, commissions to rental agents and all other necessary and related expenses. Any remaining sums will be applied toward payment of the Secured Debt as provided in covenant 1.
- 9. Authority of Lender to Perform for Borrower. If Borrower fails to perform any of Borrower's duties under this Security Instrument, Lender may perform those duties or cause them to be performed. Lender may sign Borrower's name or pay any sums necessary to secure performance. If any construction on the Property is discontinued or not carried on in a reasonable manner, Lender may do whatever is necessary to protect their security interest in the Property, including completion of the construction. Lender's failure to perform for Borrower will not preclude Lender from exercising any of their other rights under the law or this Security Instrument. Although Lender may take action under this covenant, Lender is not obligated to do so. Any amounts paid by Lender to protect Lender's security interest will be secured by this Security Instrument. These sums will be due on demand and will accrue interest at the rate in effect on the secured debt from the date of the payment until paid in full.

 - 21. Obligations Defined. Borrower's "Obligations" which are secured by this Security Instrument are defined as and include the following:
