# ADJUSTABLE RATE RIDER

(1 Year Treasury Index-Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this 10 day of MARCH, 1997, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to SOUTH VALLEY BANK & TRUST, SOUTH VALLEY "Lender") of the same date and covering the property described in the Security Instrument and located at: BANK & TRUST

946 LAKE RIDGE COURT, KLAMATH FALLS ,OR OR 97601 [Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lander further covenant and agree as follows:

# A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

%. The Note provides for changes in the The Note provides for an initial interest rate of 10.25 interest rate and the monthly payments, as follows:

## 4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates and on that day April, 1998 The interest rate I will pay may change on the first day of every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the (B) The Index weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new Index which is based upon

comparable information. The Note Holder will give me notice of this choice.

### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding Three and percentage points (3.2500 %) to the Current Index. One / Quarter
The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of

my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 12.25 Thereafter, my Interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. My Interest rate will never be greater than 16.25
