UNDERGROUND DISTRIBUTION RIGHT OF WAY EASEMENT

For value received, Jeremiah Geaney (Grantor) hereby grants to PacifiCorp, an Oregon corporation, its successors and assigns (Grantee), an easement for a right of way ten (10) feet in width for the construction, reconstruction, operations, maintenance, repair, replacement, enlargement, and removal of underground electric power distribution lines, communication lines and all necessary or desirable accessories and appurtenances thereto, including without limitation: wires, fibers, cables and other conductors and conduits therefor; and pads, transformers, switches, vaults and cabinets; and the right to excavate and refill trenches therefor; along the general course now located by Grantee on, over or under the surface of the real property of Grantor in Klamath County, State of Oregon, more particularly described as follows or as more particularly described and/or shown on Exhibit(s) hereto attached hereto and by this reference made a part hereof.

Said property generally located in The Northwest Quarter (NW1/4) of The Southwest Quarter (SW1/4) of Section 28, Township 40 South, Range 10 East of the Willamette Meridian, and more specifically described in Volume M95, Page 12428, of the Official Records of Klamath County.

Tax Parcel No. 4010-2800-1500

Together with the right of access to the right of way from adjacent lands of Grantor for all activities in connection with the purposes for which this easement has been granted; and together with the present and (without payment therefor) the future right to keep the right of way and adjacent lands clear of all brush, trees, timber, structures and other hazards which might endanger Grantee's facilities or impede Grantee's activities.

At no time shall Grantor erect or permit the erection of any buildings or structures of any kind or nature within the right of way without the prior written consent of Grantee, or light any fires, or place or store any flammable materials (other than agricultural crops), on or within the boundaries of the right of way. Subject to the foregoing limitations, the surface of the right of way may be used for roads, agricultural crops and other purposes not inconsistent with the purposes for which this easement has been granted.

The rights and obligations of the parties hereto shall be binding upon and shall benefit their respective heirs, successors and assigns; and this easement shall terminate if and when Grantee shall have abandoned all use of the right of way and no longer has any future need therefor.

Indicates most likely to include all of species in genus & may be used
when no specific and/or nomenclatural information can be obtained by other
means. This practice will make identification easier and eliminate possi-
bility of mislabeling and loss of material. It does not mean that it is not
desirable to use the scientific name, as it is often more appropriate.

Establishing the 10 military and financial units which would be used by the
Soviet Union only to protect itself against external aggression. This is the main purpose of
the Strategic Defense System which was established in 1955. It is intended to
protect the Soviet Union from external aggression. The system consists of:
1) Air defense forces (including anti-aircraft and space defense);
2) Land defense forces (including ground troops and missile troops);
3) Naval defense forces (including naval troops and missile troops);
4) Space defense forces (including space troops and missile troops);
5) Strategic nuclear forces (including strategic bombers and missiles).
