 has or may hereafter acquire, for the purpose of securing performance of each agreement of the grantor herein contained and the payment of the sum of
 Fifteen thousand and No/100 (\$ 15,000.00) Dollars,

with interest thereon according to the terms of a promissory note of even date herewith, payable to the beneficiary or order and made by the grantor, principal and
 interest being payable in monthly installments of (\$ 277.39) commencing June 1 1997

This trust deed shall further secure the payment of such additional money, if
 any, as may be loaned hereafter by the beneficiary to the grantor or others having
 an interest in the above described property, as may be evidenced by a note or notes.
 If the indebtedness secured by this trust deed is evidenced by more than one note,
 the beneficiary may credit payments received by it upon any of said notes or part
 of any payment on one note and part on another, as the beneficiary may elect.

The grantor hereby covenants to and with the trustee and the beneficiary herein
 that the said premises and property conveyed by this trust deed are free and clear
 of all encumbrances and that the grantor will and his heirs, executors and
 administrators shall warrant and defend his said title thereto against the claims of
 all persons whomsoever.

The grantor covenants and agrees to pay said note according to the terms
 thereof and, when due, all taxes, assessments and other charges levied against said
 property; to keep said property free from all encumbrances having precedence over
 this trust deed, to complete all buildings in course of construction or hereafter
 constructed on said premises within six months from the date hereof or the date
 construction is hereafter commenced; to repair and restore promptly and in good
 workmanlike manner any building or improvement on said property which may be
 damaged or destroyed and pay, when due, all costs incurred therefor; to allow
 beneficiary to inspect said property at all times during construction; to replace any
 work or materials unsatisfactory to beneficiary within fifteen days after written notice
 from beneficiary of such fact; not to remove or destroy any building or improvements
 now or hereafter constructed on said premises; to keep all buildings and
 improvements now or hereafter erected upon said property in good repair and to
 commit or suffer no waste of said premises; to keep all buildings, property and
 improvements now or hereafter erected on said premises continuously insured
 against loss by fire or such other hazards as the beneficiary may from time to time
 require, in a sum not less than the original principal sum of the note or obligation
 secured by this trust deed, in a company or companies acceptable to the beneficiary,
 and to deliver the original policy of insurance in correct form and with approved
 loss payable clause in favor of the beneficiary attached and with premium paid,
 to the principal place of business of the beneficiary at least fifteen days prior to the
 effective date of any such policy of insurance. If said policy of insurance is not so
 tendered, the beneficiary may in its own discretion obtain insurance for the benefit
 of the beneficiary which insurance shall be non-cancelable by the grantor during
 the full term of the policy thus obtained.

In order to provide regularly for the prompt payment of said taxes, assessments
 or other charges and insurance premiums, the grantor agrees to pay to the
 beneficiary, together with and in addition to the monthly payments of principal and
 interest payable under the terms of the note or obligation secured hereby, an amount
 equal to one-twelfth (1/12th) of the taxes, assessments and other charges due and
 payable with respect to said property within each succeeding twelve months, and
 also one-thirty-sixth (1/36th) of the insurance premiums payable with respect to said
 property within each succeeding three years while this trust deed remains in effect,
 as estimated and directed by the beneficiary, such sums to be credited to the principal
 of the loan until required for the several purposes thereof and shall thereupon be
 charged to the principal of the loan; or, at the option of the beneficiary, the sums
 so paid shall be held by the beneficiary in trust as a reserve account, without interest,
 to pay said premiums, taxes, assessments or other charges when they shall become
 due and payable.

While the grantor is to pay any and all taxes, assessments and other charges
 levied or assessed against said property, or any part thereof, before the same begin
 to bear interest and also to pay premiums on all insurance policies upon said property,
 such payments are to be made through the beneficiary, as aforesaid. The grantor
 hereby authorizes the beneficiary to pay any and all taxes, assessments and other

charges levied or imposed against said property in the amounts as shown by the
 statements thereof furnished by the collector of such taxes, assessments or
 other charges, and to pay the insurance premiums in the amounts shown on the
 statements submitted by the insurance carriers or their representatives, and to charge
 said sums to the principal of the loan or to withdraw the sums which may be required
 from the reserve account, if any, established for that purpose. The grantor agrees
 in no event to hold the beneficiary responsible for failure to have any insurance written
 or for any loss or damage growing out of a defect in any insurance policy, and the
 beneficiary hereby is authorized, in the event of any such loss, to compromise and settle
 with any insurance company and to apply any such insurance receipts upon the
 obligations secured by this trust deed. In computing the amount of the indebtedness
 for payment and satisfaction in full or upon sale or other acquisition of the property
 by the beneficiary after default, any balance remaining in the reserve account shall
 be credited to the indebtedness, if the reserve account for taxes, assessments,
 insurance premiums and other charges is not sufficient at any time for the payment
 of such charges as they become due, the grantor shall pay the deficit to the beneficiary
 upon demand, and if not paid within ten days after such demand, the beneficiary
 may at its option add the amount of such deficit to the principal of the obligation
 secured hereby.

Should the grantor fail to keep any of the foregoing covenants, then the
 beneficiary may at its option carry out the same, and all its expenditures therefor
 shall draw interest at the rate specified in the note, shall be repayable by the grantor
 on demand and shall be secured by the lien of this trust deed. In this connection,
 the beneficiary shall have the right in its discretion to complete any improvements
 made on said premises and also to make such repairs to said property as in its
 sole discretion it may deem necessary or advisable.

The grantor further agrees to comply with all laws, ordinances, regulations,
 covenants, conditions and restrictions affecting said property; to pay all costs, fees
 and expenses of this trust, including the cost of the search, as well as the other
 costs and expenses of the trustee incurred in connection with or in enforcing this
 obligation, and trustee's and attorney's fees actually incurred; to appear in and defend
 any action or proceeding purporting to affect the security hereof or the rights or
 powers of the beneficiary or trustee; and to pay all costs and expenses, including
 cost of evidence of title and attorney's fees in a reasonable sum to be fixed by the
 court, in any such action or proceeding in which the beneficiary or trustee may appear
 and in any suit brought by beneficiary to foreclose this deed, and all said sums shall
 be secured by this trust deed.

The beneficiary will furnish to the grantor on written request therefor an annual
 statement of account but shall not be obligated or required to furnish any further
 statements of account.

It is mutually agreed that

1. In the event that any portion or all of said property shall be taken under
 the right of eminent domain or condemnation, the beneficiary shall have the right
 to commence, prosecute in its own name, appeal in or defend any action or
 proceedings, or to make any compromise or settlement in connection with such
 taking and, if it so elects, to require that all or any portion of the money's payable
 as compensation for such taking, which are in excess of the amount required to
 pay all reasonable costs, expenses and attorney's fees necessarily paid or incurred
 by the grantor in such proceedings, shall be paid to the beneficiary and applied by
 it first upon any reasonable costs and expenses and attorney's fees necessarily paid
 or incurred by the beneficiary in such proceedings, and the balance applied upon the
 indebtedness secured hereby; and the grantor agrees, at its own expense, to
 take such actions and execute such instruments as shall be necessary in obtaining
 such compensation, promptly upon the beneficiary's request.

97 APR 30 P3:39

...time and from time to time upon written request of the beneficiary, payment of its fees and preparation of this deed and the note for endorsement (in case of full reconveyance; for cancellation), without affecting the liability of any person for the payment of the indebtedness, the trustee may (a) consent to the making of any map or plat of said property; (b) join in granting any easement or creating any restriction thereon; (c) join in any subordination or other agreement affecting this deed or the lien or charge hereon; (d) reconvey without warranty, after any part of the property. The grantees in any reconveyance may be described as the "person or persons legally entitled thereto" and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustee's fees for any of the services in this paragraph shall be not less than \$5.00.

3. As additional security, grantor hereby assigns to beneficiary during the continuance of these trusts all rents, issues, royalties and profits of the property affected by this deed and of any personal property located thereon. Until grantor shall default in the payment of any indebtedness secured hereby or in the performance of any agreement hereunder, grantor shall have the right to collect all such rents, issues, royalties and profits earned prior to default as they become due and payable. Upon any default by the grantor hereunder, the beneficiary may at any time without notice, either in person, by agent or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property, or any part thereof, in its own name sue for or otherwise collect the rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as the beneficiary may determine.

4. The entering upon and taking possession of said property, the collection of such rents, issues and profits or the proceeds of fire and other insurance policies or compensation or awards for any taking or damage of the property, and the application or release thereof, as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

5. The grantor shall notify beneficiary in writing of any sale or contract for sale of the above described property and furnish beneficiary on a form supplied it with such personal information concerning the purchaser as would ordinarily be required of a new loan applicant and shall pay beneficiary a service charge.

6. Time is of the essence of this instrument and upon default by the grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, the beneficiary may declare all sums secured hereby immediately due and payable by delivery to the trustee of written notice of default and election to sell the trust property, which notice trustee shall cause to be duly filed for record. Upon delivery of said notice of default and election to sell, the beneficiary shall deposit with the trustee this trust deed and all promissory notes and documents evidencing expenditures secured hereby, whereupon the trustees shall fix the time and place of sale and give notice thereof as then required by law.

7. After default and any time prior to five days before the date set by the trustee for the trustee's sale, the grantor or other person so privileged may pay the entire amount

then due under this trust deed and the indebtedness secured thereby (including costs and expenses actually incurred in enforcing the terms of the obligation and trustee's and attorney's fees not exceeding the amount provided by law) other than such portion of the principal as would not then be due had no default occurred and thereby cure the default.

8. After the lapse of such time as may then be required by law following the recording of said notice of default and giving of said notice of sale, the trustee shall sell said property at the time and place fixed by him in said notice of sale, either as a whole or in separate parcels, and in such order as he may determine, at public auction to the highest bidder for cash, in lawful money of the United States, payable at the time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale and from time to time thereafter may postpone the sale by public announcement at the time fixed by the preceding postponement. The trustee shall deliver to the purchaser his deed in form as required by law, conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, excluding the trustee but including the grantor and the beneficiary, may purchase at the sale.

9. When the Trustee sells pursuant to the powers provided herein, the trustee shall apply the proceeds of the trustee's sale as follows: (1) To the expenses of the sale including the compensation of the trustee, and a reasonable charge by the attorney; (2) To the obligation secured by the trust deed; (3) To all persons having recorded liens subsequent to the interests of the trustee in the trust deed as their interests appear in the order of their priority; (4) The surplus, if any, to the grantor of the trust deed or to his successor in interest entitled to such surplus.

10. For any reason permitted by law, the beneficiary may from time to time appoint a successor or successors to any trustee named herein, or to any successor trustee appointed hereunder. Upon such appointment and without conveyance to the successor trustee, the latter shall be vested with all title, powers and duties conferred upon any trustee herein named or appointed hereunder. Each such appointment and substitution shall be made by written instrument executed by the beneficiary, containing reference to this trust deed and its place of record, which, when recorded in the office of the county clerk or recorder of the county or counties in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee.

11. Trustee accepts this trust when this deed, duly executed and acknowledged is made a public record, as provided by law. The trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which the grantor, beneficiary or trustee shall be a party unless such action or proceeding is brought by the trustee.

12. This deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees devisees, administrators, executors, successors and assigns.
