1.2 Transfer of the Property or a Beneficial Interest in Borrower. Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Attacher of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Botrower is not a natural person) without Lender's prior written consent. Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. Lender may decide not to exercise this option in: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferre as if a new loan were being made to the transferre; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender. Warning (Forced Placed Insurance Coverage)

Unless Borrower provides Lender with evidence of insurance coverage as required by the Security Instrument, the Lender may purchase insurance at Borrower's expense to protect the Lender's interest. This coverage may, but need not, also protect Borrower's interest. If the collateral becomes damaged, the coverage the Lender purchases may not pay any claim Borrower makes or any claim made against Borrower. Borrower may cancel this coverage by providing evidence that Borrower has obtained property coverage elsewhere.

Borrower is responsible for the costs of any insurance purchased by the Lender. The cost of this insurance may be added to the loan balance. If the cost is added to the loan balance, the interest rate on the underlying note will apply to this added amount. The effective date of coverage may the the date the prior coverage lapsed or the date Borrower falled to provide proof of coverage.

The coverage the Lunder purchases may be considerably more expensive than insurance Borrower can obtain on Borrower's own and may not satisfy my need for property damage coverage or any mondatory liability insurance requirements imposed by applicable law.

2: Addendum Applicable to Any First Priority Note and Security Instrument. This Section 2 applies only to the First Priority Note and Security Instrument, if any, described above.

Berrower prepays more than 20 percent of the original amount of the Note and if permitted by applicable law, Borrower shall pay Lender a prepayment charge equal to the lesser of (a) the maximum amount permitted by applicable state law or (b) the then existing annual interest rate multiplied by the amount paid that is greater than 20 percent of the original amount of the Note and then multiplied by the following percentages for the applicable 12 month period: months 1-12 (50%) and months 13-24 (40%). Subject to this prepayment charge, 20 nowledge payments of principal at any time before they are due provided that Borrower advises the Lender in virting that Borrower is doing so. Lender will use all prepayments to reduce the amount of principal under this Note: Borrower shall continue to pay the monthly payments as they become due until the Note is paid in full:
