In connection with and as partial consideration for the making of a loan (the "Loan") in the amount of Two Hundred Thirty Seven Thousand Five Hundred Dollars (\$237,500) by Mainlander Services Corporation (the "Lender") to Brent Budden (the "Borrower"), Borrower provides as follows:

1. Borrower represents and warrants that it has no actual knowledge, after reasonable investigation, of
 - a. the presence of any "Hazardous Substances" (as defined below) on or within the real property more fully described on Exhibit A attached hereto (the "Property"); and
 - b. any spills, releases, discharges or disposals of Hazardous Substances that have occurred or are presently occurring on the Property.
2. Borrower represents and warrants that as of the date of this Certificate it has no actual knowledge, after a reasonable investigation, of any failure to comply with all applicable local, state and federal environmental laws, regulations, ordinances, administrative or judicial orders relating to the generation, recycling, reuse, sale, storage, handling, transport and disposal of any Hazardous Substances by any person on or from the Property.
3. Borrower represents and warrants that it has made a reasonable inquiry into the past uses of the Property and has no actual knowledge that the Property is or has been contaminated with Hazardous Substances or is or has been a site of storage of Hazardous Substances.
4. Borrower represents and warrants that it has not, and covenants that it will not knowingly, release or waive the liability of any previous owner, lessee or operator of the Property or any party who may be potentially responsible for the presence or removal of Hazardous Substances on or from the Property. Borrower has made no previous promises of indemnification regarding Hazardous Substances to any party.
5. Borrower agrees to indemnify and hold Lender harmless, and immediately notify Lender of the existence of, (a) any environmental problem or liability regarding Hazardous Substances involving the Property; or (b) any lien, action or notice resulting from the violation of any law, regulation, ordinance or order of the type described in this Certificate. At its own cost Borrower will take all actions which are necessary or desirable to clean up any Hazardous Substances affecting the Property, including removal, containment or any other remedial action required by governmental authorities or Lender.
6. Borrower agrees to indemnify and hold Lender harmless from and against any and all claims, demands, injuries, damages, losses, liens, liabilities, penalties, fines, lawsuits and other proceedings, and costs and expenses relating thereto (including attorney's fees, engineering fees, surveying costs and related disbursements) which accrue to or are made against or incurred by Lender on or after transfer of the Property, pursuant to foreclosure proceedings or in lieu thereof, and arise directly or indirectly from or out of, or are in any way connected with:
 - a. the inaccuracy of any representation contained herein;
 - b. any activities on the Property during Borrower's ownership, possession or control of the Property which directly or

- indirectly result in the Property or Other Property (as defined below) becoming contaminated with Hazardous Substances; and
- c. the discovery and/or cleanup of Hazardous Substances which were deposited on or were existing on the Property or Other Property prior to such transfer.

As between Borrower and Lender, Borrower acknowledges that it will be solely responsible for all costs and expenses relating to the cleanup of Hazardous Substances from the Property or from Other Property.

7. Borrower agrees that its obligations under this Certificate are unconditional and shall not be limited by any non-recourse or other limitations of liability provided for in any document relating to the Loan (the "Loan Documents"). The representations, warranties and agreements of Borrower set forth in this Certificate (including without limitation the indemnity provided for in paragraph 6 above)
- a. are separate and distinct obligations from the Borrower's obligations under the Loan and the Loan Documents and are in addition thereto;
 - b. are not secured by the deed of trust and other Loan Documents and shall not be discharged or satisfied by foreclosure of the liens created by the deed of trust or other Loan Documents; and
 - c. shall continue in effect after any transfer of the Property, including without limitation transfers pursuant to foreclosure proceedings (whether judicial or nonjudicial), by any transfer in lieu of foreclosure or otherwise.
8. As used herein, "Hazardous Substances" shall mean: any chemical, substance or material defined, classified or designated as hazardous, toxic or radioactive, or other similar terms, by any federal, state or local environmental statute, regulation or ordinance presently in effect or that may be promulgated in the future, as they may be amended from time to time, including but not limited to:
