County Clerk

97 OCT 30 P1:08

ON 10-11-97 while hunting I
Found a Chain Saw sitting on the side
of the road. IT was froze to the
ground so it had been there over night.

I have turned it over to the
State Police here in The Dalles. WAS
unable to trace it through the Serial no.
at the dealer.

I am going to run the add
in the news paper for the four consecutive
weeks and wait the six months.
