UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

39817

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payment are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard or Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceedings, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. **Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold and shall cause such notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall give notice of sale in the manner prescribed by applicable law to Borrower and to other persons prescribed by applicable law. After the time required by applicable law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

22. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs. Lender may charge such person or persons a fee for reconveying the Property, but only if the fee is paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under applicable law.

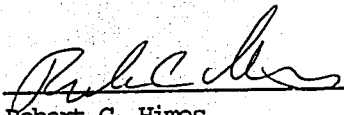

23. Substitute Trustee. Lender may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.

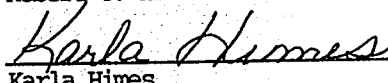

24. Attorneys' Fees. As used in this Security Instrument and in the Note, "attorneys' fees" shall include any attorneys' fees awarded by an appellate court, and in any bankruptcy or arbitration proceeding.

25. Riders to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument. **CONSTRUCTION LOAN ADDENDUM INCLUDING
SECURITY AGREEMENT TO THE SECURITY INSTRUMENT
(Manufactured Housing Unit)**

THIS CONSTRUCTION LOAN ADDENDUM shall be deemed to amend and supplement the Mortgage, Deed of Trust, Security Deed or Trust Indenture (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to Lender of the same date ("Note") and covering the Property described in the Security Instrument ("Property"). If the Federal Home Loan Mortgage Corporation or the Federal National Association buys all or some of the Lender's rights under the Security Instrument and Note, or upon the execution of an affidavit by Lender, the provisions and agreements in this Addendum will no longer have any force and effect.

AMENDED AND ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

1. **Construction Loan Agreement.** Borrower agrees to comply with the covenants and conditions of the Construction Loan Agreement ("Loan Agreement") between Borrower and Lender, which is incorporated herein by this reference and made a part of this Security Instrument. The Loan Agreement provides for the construction of certain Improvements ("Improvements") on the Property. All advances made by Lender pursuant to the Loan Agreement shall be an indebtedness of Borrower secured by this Security Instrument as amended, and such advances may be obligatory under the terms of the Loan Agreement. The Security Instrument secures the payment of all sums and the performance of all covenants required by the Lender in the Loan Agreement. Upon the failure of Borrower to keep and perform all the covenants, conditions and agreements of the Loan Agreement, the principal sum and all interest and other charges provided for in the loan documents and secured hereby shall, at the option of the Lender, become due and payable.

2. **Future Advances.** This Security Instrument shall secure in addition to the sum evidenced by the Note all funds hereafter advanced by Lender to or for the benefit of Borrower, as contemplated by any covenant or provision contained in the Loan Agreement or for any other purpose.

3. **Disbursements to Protect Security.** All sums disbursed by Lender prior to completion of the Improvements to protect the security of this Security Instrument, up to the principal amount of the Note and any future advances, shall be treated as disbursements pursuant to the Loan Agreement. All such sums shall bear interest from the date of disbursement at the rate stated in the Note, unless the collection from Borrower of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at

the highest rate which may be collected from Borrower under applicable law and shall be payable upon notice from Lender to Borrower requesting payment therefor.

4. **Assignment of Rights or Claims.** From time to time as Lender deems necessary to protect Lender's interest, Borrower shall, upon request of Lender, execute, acknowledge before a notary, and deliver to Lender, assignments of any and all rights or claims which relate to the construction on the Property.

5. **Breach by Borrower.** In case of breach by Borrower of the covenants and conditions of the Loan Agreement, Lender, at Lender's option, with or without entry upon the Property, (a) may invoke any of the rights or remedies provided in the Loan Agreement, or (b) may accelerate the sums secured by this Security Instrument and invoke any of those remedies provided for in this Security Instrument, or (c) may do both although failure to exercise any of its rights and remedies at any one time does not mean a waiver.

6. **Termination of Loan Agreement upon Amortization.** After completion of all construction, disbursement of all loan proceeds and the commencement of amortization of the Note, the terms of the Loan Agreement shall be null and void, and there shall be no claim or defense arising out of or in connection with the Loan Agreement against the obligations of the Note and this Security Instrument.

7. **Property.** The property covered by this Security Instrument includes the property described or referred to in this Security Instrument, together with the following, all of which are referred to as the "Property." The portion of the Property described below which constitutes real property is sometimes referred to as the "Real Property". The portion of the Property which constitutes personal property is sometimes referred to as the "Personal Property," listed as follows:

The Manufactured Housing Unit and any and all buildings, improvements (provided in the Loan Agreement or otherwise), and tenements now or hereafter erected on the Property; any and all heretofore and hereafter vacated alleys and streets abutting the Property, easements, rights, appurtenances, rents (subject however to any assignment of rents to Lender), leases, royalties, mineral, oil and gas rights and profits, water, water rights and water stock appurtenant to the Property (to the extent they are included in Borrower's fee simple title); any and all fixtures, machinery, equipment, building materials, appliances, and goods of every nature whatsoever now or hereafter located in, on, or used, or intended to be used in connection with the Property and all replacements and accessions of them, including, but not limited to those for the purpose of supplying or distributing heating, cooling, electricity, gas, water, air and light; security and access control apparatus; plumbing and plumbing fixtures; refrigerating, cooking and laundry equipment; carpet, floor coverings and interior and exterior window treatments; furniture and cabinets; interior and exterior sprinkler plant and lawn maintenance equipment; fire prevention and extinguishing apparatus and equipment, water tanks, swimming pool, compressor, vacuum cleaning system, disposal, dishwasher, range, and oven, any shrubbery and landscaping; any and all plans and specifications for development of or construction of Improvements upon the Property; any and all contracts and subcontracts relating to the Property; any and all accounts, contract rights, instruments, documents, general intangibles, and chattel paper arising from or by virtue of any transactions related to the Property; any and all permits, licenses, franchises, certifications, and other rights and privileges obtained in connection with the Property; any and all products and proceeds arising from or by virtue of the sale, lease, or other disposition of any of the Property; any and all proceeds payable or to be payable under each policy of insurance relating to the Property; any and all proceeds arising from the taking of all or part of the Property for any public or quasi-public use under any law, or by right of eminent domain, or by private or other purchase in lieu thereof; all building permits, certificates of occupancy, certificates of compliance, any right to use utilities of any kind

including water, sewage, drainage and any other utility rights, however arising whether private or public, present or future, including any reservation, permit, letter, certificate, license, order, contract or otherwise and any other permit, letter certificate, license, order, contract or other document or approval received from or issued by any governmental entity, quasi-governmental entity common carrier, or public utility in any way relating to any part of the **Property** or the **Improvements**, fixtures and equipment thereon; all other interests of every kind and character which **Borrower** now has or at any time hereafter acquires in and to the **Property**, including all other items of property and rights described elsewhere in this **Security Instrument**.

8. **Security Agreement and Financing Statement.** This **Security Instrument** shall be a security agreement granting **Lender** a first and prior security interest in all of **Borrower's** right, title and interest in, to and under the **Personal Property**, under and within the meaning of the applicable State laws, as well as a document granting a lien upon and against the **Real Property**. In the event of any foreclosure sale, whether made by **Trustee** or a substitute trustee, or under judgment of a court, all of the **Real and Personal Property** may, at the option of **Lender**, be sold as a whole or any part thereof. It shall not be necessary to have present at the place of such sale the **Personal Property** or any part thereof. **Lender**, as well as **Trustee** or any substitute trustee on **Lender's** behalf, shall have all the rights, remedies and recourses with respect to the **Personal Property** afforded to a "Secured Party" by the applicable State laws in addition to and not in limitation of the other rights and recourse afforded **Lender** and/or **Trustee** or any substitute trustee under this **Security Instrument**. **Borrower** shall, upon demand, pay to **Lender** the amount of any and all expenses, including the fees and disbursements of **Lender's** legal counsel and of any experts and agents which **Lender** may incur in connection with: (i) the making and/or administration of this **Security Instrument**; (ii) the custody, preservation, use or operation of, or the sale of, collection from, or other realization upon any property, real and/or personal, described in this **Security Instrument**, (iii) the exercise or enforcement of any of the rights of **Lender** under this **Security Instrument**; or (iv) the failure by **Borrower** to perform or observe any of the provisions or covenants in this **Security Instrument**.

Lender may, at its election, at any time after the delivery of this **Security Instrument**, sign one or more copies of this **Security Instrument** in order that such copies may be used as a financing statement under the applicable State laws. **Lender's** signature need not be acknowledged, and is not necessary to the effectiveness hereof as a deed of trust, a security agreement, or (unless otherwise required by applicable law) a financing statement.

9. **Completion.** **Lender** shall not be responsible for the completion of the **Improvements**, and shall not in any way be considered a guarantor of performance by **Contractor**. In the event the **Improvements** are not completed by **Contractor** according to the drawings and specifications, and it is determined for whatever reason the **Lender** does not have a lien, then **Lender** shall have a valid lien for its loan amount, less the amount reasonably necessary to complete the **Improvements**, or in such event **Lender**, at its option, shall have the right to complete the **Improvements**, and the lien shall be valid for the loan amount.

10. **Invalid Provisions.** If any provision of this **Security Instrument** is declared invalid, illegal, or unenforceable by a court of competent jurisdiction, then such invalid, illegal or unenforceable provision shall be severed from this **Security Instrument** and the remainder enforced as if such invalid, illegal or unenforceable provision is not a part of this **Security Instrument**.
