Re: Encroachment Permit - Lot 11, Block 1, Latakomie Shores

Dear Mr. Lewis:

Your home located on the above referenced lot encroaches into the right-of-way of Palouse Circle and across set-back lines as shown on the attached map.

On November 8, 1996 the Board of County Commissioners agreed to grant you an encroachment permit with the following conditions:

1. Additions to the home that increase the encroachments will not be approved.
2. If the home is removed or destroyed this permit is null and void and the replacement structure must conform to all set-back lines.

Please sign and return this letter at your earliest convenience. The permit is not valid until we receive your acknowledgment.

Terms of the permit accepted
this 14th day of November, 1996
