## AGREEMENT

Joanna Justice and Kathy King each acting severally and for the Evergreen Meadows Subdivision and Scott J. Linville, President of and representing Country Green Association, Inc., agree the two organizations will share equally in any cost of installation and maintenance of the proposed location sign featuring these two organizations to be installed on the Enterprise Irrigation District right-of-way situate near the intersection of Saylor Street and Keller Road.

The undersigned parties have read the agreement dated July 29, 1998, between Don Russell, Manager of Enterprise Irrigation District and Country Green Association, Inc., giving permission to erect said sign on the District's right-of-way assuming the following:

*"It is understood and agreed that in the event of an emergency regarding drainage, the District would not be liable for the removal or replacement of your sign."*

All undersigned parties agree the two organizations which they represent shall share equally in any cost resulting from the necessary removal and replacement of the subject identification sign.
