STATE OF OREGON WELL OWNERSHIP INFORMATION FORM (FILE WITH COUNTY CLERK'S OFFICE)

Pursuant to ORS 537.788, owners of property on which a well is located shall, within 60 days following the construction and/or alteration of a new well or upon property transfer, record the following information in the property deed records at the appropriate County Clerks Office. Either the deed recording number or legal description of the property may be used to identify the property.

All wells shall be maintained in a condition where they are not a threat to public health or safety, a source of contamination, or a waste of the groundware resource. All wells shall be securely covered to prevent any foreign substance from entering the well. All wells shall be equipped with an access port or airline so that static water level information can be determined at any time. Well casing must be protected from damage and meet minimum extension requirements. Wells may only be permanently abandoned by a licensed and bonded well constructor or a landowner with a valid permit and bond. Well abandonam must be carried out in accordance with state rules. If you would like further information about water rights, maintaining / abandoning your well, or wish to receive a copy of the administrative rules concerning we construction, please contact the Oregon Water Resources Department by phone at (503) 378-8455, or by mail at 158 12th Street NE, Salem, OR 97310. I have read the above describing my basic rights and responsibilities related to well ownership. Signature of Property Owner: All wells shall be securely covered to prevent any toric from entering the well. All wells shall be securely covered to prevent any toric from entering the well.
