This debt is evidenced by Borrower's note dated the same date as this Security Instrument ("Note"), which provides for monthly payments, with the full debt, if not paid earlier, due and payable on FEBRUARY 1, 2029. This Security Instrument secures to Lender: (a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extensions and modifications of the Note; (b) the payment of all other sums, with interest, advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note; and (d) the repayment of any future advances, with interest thereon, made to Borrower by Lender pursuant to the paragraph below ("Future Advances").

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.
2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attach priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an account not to exceed the maximum amount a Lender for a federally related

Any amounts disbursed by Lender under paragraph 7 shall be deemed additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable with interest upon other from Lender to Borrower requesting payment.

7a. Hazard Insurance Warning. Unless you, (the "Borrower") provide to (the "Lender") with evidence of insurance coverage as required by our contract or loan agreement, Lender may purchase insurance at Borrower's expense to protect the Lender's interest. This insurance may, but need not, also protect the Borrower's interest. If the collateral business damaged, the coverage the Lender purchased may not pay any claim Borrower makes or any claim made against the Borrower. Borrower may later cancel this coverage by providing evidence that Borrower has obtained property coverage elsewhere.

The Borrower is responsible for cost of any insurance purchased by Lender. The cost of this insurance may be added to your contract or loan balance. If the cost is added to your contract or loan balance, the interest rate on the underlying contract or loan will apply to this added amount. Effective date of coverage may be the date the Borrower's prior coverage lapsed or the date the Borrower failed to provide proof of coverage.

The coverage Lender purchases may be considerably more expensive than insurance the Borrower can obtain on Borrower's own and may not satisfy the need for property damage coverage or other mandatory liability insurance requirements imposed by applicable law.

8. Mortgage Insurance. If Lender requires mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect. If an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance by Lender Not a Waiver. Extension of the time for payment or modification or amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceed permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conforming copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

11. Lender exercises this option, Lender shall, within 30 days from the date the notice is delivered to Borrower. If Borrower fails to pay the sums due under this Security Instrument without further notice or default, Borrower's right to Reinstall. If Borrower exercises this right to Reinstall, Lender shall, within 30 days from the date the notice is delivered to Borrower, (a) reinstate the Security Instrument, (b) reinstate the right of Borrower to use the Property for reinstatement, (c) pay all expenses incurred by Lender in enforcing this Security Instrument, (d) pay all reasonable attorneys' fees, and (e) pay all expenses incurred by Lender in enforcing this Security Instrument. Upon reinstatement by Borrower, all of the terms and conditions of the Security Instrument shall remain unchanged. Upon reinstatement by Borrower, this Security Instrument shall be fully effective as if no acceleration had occurred under paragraph 17.

19. Sale of Note; (Change of Loan Servicer) may be sold one or more times with the "Loan Servicer") that collects monthly payments. The new Loan Servicer will provide written notice of the change in accordance with the terms of the Note and the address to which payments should be made. The address is required by applicable law.

20. Hazardous Substances. Borrower's Hazardous Substances on or in the Property. But that is in violation of any Environmental Law. Property of small quantities of Hazardous Substances to maintenance of the Property.

Lender shall have the right to take any necessary remedial actions in accordance with applicable law.

As used in this paragraph 20, "Hazardous Environmental Law" and the following substances: pesticides and herbicides, volatile solvents, in this paragraph 20, "Environmental Law" means health, safety or environmental protection.

NON-UNIFORM COVENANTS: Borrower and Lender further covenant and agree as follows:

The notice shall specify the amount due and the time and place for payment thereof. If the default is not cured within thirty (30) days after the date specified in the notice, the lender may exercise its remedies provided herein without further notice. In the event of acceleration, the power of sale and any other remedies incurred in pursuing the remedies provided herein shall be available to the lender.
