A. Debt incurred under the terms below and all their extensions suggested that you include them

The term "Secured Debt" is defined as follows:
B. All future advances from Lender to Grantor or other future obligations of Grantor to Lender under any promissory note, contract, guaranty, or other evidence of debt executed by Grantor in favor of Lender executed after this Security Instrument is specifically referenced. If more than one person signs this Security Instrument, each Grantor agrees that this Security Instrument will secure all future advances and future obligations that are given to or incurred by any one or more Grantor, or any one or more Grantor and others. All future advances and other future obligations are secured by this Security Instrument even though all or part may not be advanced. All future advances and other future obligations are secured as if made on the date of this Security Instrument. Nothing in this Security Instrument shall constitute a commitment to make additional or future loans or advances in any amount. Any such commitment must be agreed to in a separate writing.
C. All obligations Grantor owes to Lender, which may later arise, to the extent not prohibited by law, including, but not limited to, liabilities for overdrafts relating to any deposit account agreement between Grantor and Lender.

B. All future advances from Lender to Grantor or other future obligations of Grantor to Lender under any promissory note, contract, guaranty, or other evidence of debt executed by Grantor in favor of Lender executed after this Security Instrument is specifically referenced. If more than one person signs this Security Instrument, each Grantor agrees that this Security Instrument will secure all future advances and future obligations that are given to or incurred by any one or more Grantor, or any one or more Grantor and others. All future advances and other future obligations are secured by this Security Instrument even though all or part may not be advanced. All future advances and other future obligations are secured as if made on the date of this Security Instrument. Nothing in this Security Instrument shall constitute a commitment to make additional or future loans or advances in any amount. Any such commitment must be agreed to in a separate writing.
C. All obligations Grantor owes to Lender, which may later arise, to the extent not prohibited by law, including, but not limited to, liabilities for overdrafts relating to any deposit account agreement between Grantor and Lender.
D. All additional sums advanced by Lender for insuring, preserving or otherwise protecting the Property and its value and any other sums advanced and expenses incurred by Lender under the terms of this Security Instrument.

This Security Instrument will not secure any other debt if Lender fails to give any required notice of the right of rescission.

5. **PAYMENTS.** Grantor agrees that all payments under the Secured Debt will be paid when due and in accordance with the terms of the Secured Debt and this Security Instrument.

6. **WARRANTY OF TITLE.** Grantor warrants that Grantor is or will be lawfully seized of the estate conveyed by this Security Instrument and has the right to irrevocably grant, convey, and sell the Property to Trustee, in trust, with power of sale. Grantor also warrants that the Property is unencumbered, except for encumbrances of record.

7. **PRIOR SECURITY INTERESTS.** With regard to any other mortgage, deed of trust, security agreement or other lien document that created a prior security interest or encumbrance on the Property, Grantor agrees:
A. To make all payments when due and to perform or comply with all covenants.
B. To promptly deliver to Lender any notices that Grantor receives from the holder.
C. Not to allow any modification or extension of, nor to request any future advances under any note or agreement secured by the lien document without Lender's prior written consent.

8. **CLAIMS AGAINST TITLE.** Grantor will pay all taxes, assessments, liens, encumbrances, lease payments, ground rents, utilities, and other charges relating to the Property, when due. Lender may require Grantor to provide to Lender copies of all notices that such amounts are due and the receipts evidencing Grantor's payment. Grantor will defend title to the Property against any claims that would impair the lien of this Security Instrument. Grantor agrees to assign to Lender, as claims or defenses Grantor may have against parties who supply labor or materials to maintain or improve the Property.

9. **DUE ON SALE OR ENCUMBRANCE.** Lender may, at its option, declare the entire balance of the Secured Debt to be immediately due and payable upon the creation of, or contract for the creation of, any lien, encumbrance, transfer or sale of the Property. This right is subject to the restriction imposed by federal law (12 C.F.R. 591), is applicable. This covenant shall run with the Property and shall remain in effect until the Secured Debt is paid in full and this Security Instrument is released.

10. **PROPERTY CONDITION, ALTERATIONS AND INSPECTION.** Grantor will keep the Property in good condition and make all repairs that are reasonably necessary. Grantor shall not commit or allow any waste, impairment, or deterioration of the Property. Grantor will keep the Property free of noxious weeds and grasses. Grantor agrees that the nature of the occupancy and use will not substantially change without Lender's prior written consent. Grantor will not

permit any change in any license, restrictive covenant or easement without Lender's prior written consent. Grantor will notify Lender of all tenants, proceedings, claims, and actions against Grantor, and of any loss or damage to the Property.

Lender or Lender's agent may, at Lender's option, enter the Property at any reasonable time for the purpose of inspecting the Property. Lender shall give Grantor notice in the time of or before an inspection specifying a reasonable purpose for the inspection. Any inspection of the Property shall be entirely for Lender's best fit and Grantor will in no way rely on Lender's inspection.

11. AUTHORITY TO PERFORM. If Grantor fails to perform any duty or any of the covenants contained in this Security Instrument, Lender may, without notice, perform or cause them to be performed. Grantor appoints Lender as attorney-in-fact to sign Grantor's name or put any act or deed necessary for performance. Lender's right to perform for Grantor shall not create an obligation to perform, and Lender's failure to perform will not preclude Lender from exercising any of Lender's other rights under the law or this Security Instrument. If any construction on the Property is discontinued or not carried on in a reasonable manner, Lender may take all steps necessary to protect Lender's security interest in the Property, including completion of the construction.

12. LEASEHOLDS; CONDOMINIUMS; PLANNED UNIT DEVELOPMENTS. Grantor agrees to comply with the provisions of any lease if this Security Instrument is on a leasehold. If the Property includes a unit in a condominium or a planned unit development, Grantor will perform all of Grantor's duties under the covenants, by-laws, or regulations of the condominium or planned unit development.

13. DEFAULT. Grantor will be in default if any party obligated on the Secured Debt fails to make payment when due. Grantor will be in default if a breach occurs under the terms of this Security Instrument or any other document executed for the purpose of creating, securing or guaranteeing the Secured Debt. A good faith belief by Lender that Lender at any time is insecure with respect to any person or entity obligated on the Secured Debt, or that the prospect of any payment or the value of the Property is impaired, shall also constitute a default.

14. REMEDIES ON DEFAULT. In some instances, federal and state law will require Lender to provide Grantor with notice of the right to cure or other remedies and may establish the schedules for foreclosure actions. Subject to these limitations, if any, Lender may accelerate the Secured Debt and foreclose this Security Instrument in a manner provided by law if Grantor is in default.

At the option of Lender, all or any part of the agreed fees and charges, accrued interest and principal shall become immediately due and payable, after giving notice if required by law, upon the occurrence of a default or anytime thereafter. In addition, Lender shall be entitled to all the remedies provided by law, the terms of the Secured Debt, this Security Instrument and any related documents, including without limitation, the power to sell the Property.

If there is a default, Trustee shall, in addition to any other permitted remedy, at the request of the Lender, advertise and sell the Property as a whole or in separate parcels at public auction to the highest bidder for cash and convey absolute title free and clear of all right, title and interest of Grantor at such time and place as Trustee designates. Trustee shall give notice of sale including the time, terms and place of sale and a description of the property to be sold as required by the applicable law in effect at the time of the proposed sale.

Upon sale of the property and to the extent not prohibited by law, Trustee shall make and deliver a deed to the Property sold which conveys absolute title with purchase money and shall first pay all fees, charges and costs, shall pay to Lender all money advanced for repairs, taxes, insurance, liens, assessments and prior encumbrances and interest thereon, and the principal and interest on the Secured Debt, paying the surplus, if any, to Grantor. Lender may purchase the Property. The recitals in any deed of conveyance shall be prima facie evidence of the facts set forth therein.

All remedies are distinct, cumulative and not exclusive, and Lender is entitled to all remedies provided at law or equity, whether or not expressly stated. The acceptance by Lender of any part in payment or partial payment on the Secured Debt after the balance is due or is accelerated or after foreclosure proceedings are filed shall not constitute a waiver of Lender's right to request completion of any existing default. By not exercising any remedy on Grantor's default, Lender does not waive Lender's right to later consider the event a default if it continues or happens again.

15. **EXPENSES; ADVANCES ON COVENANTS.** Grantor agrees to pay all expenses incurred by Lender in enforcing any covenant in this Security Instrument. Grantor will also pay or defend, or cause to be paid or defended, protecting the Property and Lender's interest in the Property, until paid in full, at the highest interest rate to pay all costs and expenses incurred by Lender in collecting, enforcing or protecting Lender's rights and remedies under this Security Instrument. This amount may, at Lender's option, be added to the principal of the Secured Debt. Grantor agrees to pay for any recording costs of this Security Instrument.

16. **ENVIRONMENTAL LAWS AND HAZARDOUS SUBSTANCES.** As used in this section, (1) Environmental Law means, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA, 42 U.S.C. 9601 et seq.), and all other federal, state or local laws, regulations, ordinances, court orders, attorney general opinions or interpretive letters concerning the release or threatened release of any hazardous substance; and (2) Hazardous Substance means any toxic, radioactive or otherwise dangerous or polluting substance, waste, pollutant or contaminant which has been or is determined to be hazardous or otherwise dangerous to the public health, safety, welfare or environment. 17. **CONDEMNATION.** Grantor will give Lender prompt notice of any pending or threatened action by private or public entity to purchase or take any or all of the Property through condemnation, eminent domain or any other means. Grantor assigns to Lender all of the proceeds of any award or claim for the Property. Such proceeds shall be considered an advance on the Secured Debt. Grantor's obligation to provide proceeds is subject to the terms of any prior mortgage, deed of trust, security agreement or other lien on the Property.

18. **INSURANCE.** Grantor shall keep Property insured against loss by fire, flood, tornadoes, earthquakes, hurricanes, theft and other hazards and risks reasonably associated with the Property due to its type and location. This insurance shall be the type and amount required by Lender. The insurance carrier providing the insurance shall be the one recommended by Lender. If Grantor fails to maintain the insurance, Lender may, at its option, obtain coverage to protect Lender's rights in the Property.

All insurance policies and renewals shall be assigned to Lender and shall include a standard "mortgage clause" and, if applicable, "loss payee clause." Grantor shall immediately notify Lender of cancellation or termination of the insurance. If Lender requires, Grantor shall immediately give Lender all receipts of paid premiums and other documents. Upon loss, Grantor shall give immediate notice to the insurance carrier and Lender. Lender may make any claim against the insurance.

Unless otherwise agreed in writing, all insurance proceeds shall be applied to the replacement or repair of the Property or to Lender's option. Any application of proceeds to principal shall not extend or alter the maturity of the Secured Debt. Any excess will be paid to the owner. Grantor's right to any insurance proceeds and proceeds resulting from the sale of the Property shall be subject to the Secured Debt immediately before the acquisition.

19. **ATTORNEY'S FEES; COLLECTION COSTS.** Except when caused by Lender's negligence, if Grantor breaches any covenant in this Security Instrument, Lender may incur attorney's fees, costs and expenses in enforcing or protecting Lender's rights and remedies under this Security Instrument. These expenses will bear interest from the date of the breach in effect as provided under terms of the Secured Debt. Grantor agrees to pay for any recording costs of this Security Instrument.

20. **HAZARDOUS SUBSTANCES.** As used in this section, (1) Environmental Law means, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA, 42 U.S.C. 9601 et seq.), and all other federal, state or local laws, regulations, ordinances, court orders, attorney general opinions or interpretive letters concerning the release or threatened release of any hazardous substance; and (2) Hazardous Substance means any toxic, radioactive or otherwise dangerous or polluting substance, waste, pollutant or contaminant which has been or is determined to be hazardous or otherwise dangerous to the public health, safety, welfare or environment. The term includes, without limitation, "hazardous waste" or "hazardous substance" as defined in any Environmental Law.

Grantor represents, warrants and agrees that:

- Except as previously disclosed and acknowledged in writing to Lender, no Hazardous Substance is or will be located, stored or released on or in the Property.
- Except as previously disclosed and acknowledged in writing to Lender, no Hazardous Substance shall remain in full compliance with any applicable Environmental Law.

In such an event, Grantor shall take all necessary remedial action in accordance with any Environmental Law.
- Grantor shall immediately notify Lender if a release or threatened release of any Hazardous Substance occurs on, under or about the Property or there is a violation of any Environmental Law.

21. **CONDEMNATION.** Grantor will give Lender prompt notice of any pending or threatened action by private or public entity to purchase or take any or all of the Property through condemnation, eminent domain or any other means. Grantor assigns to Lender all of the proceeds of any award or claim for the Property. Such proceeds shall be considered an advance on the Secured Debt. Grantor's obligation to provide proceeds is subject to the terms of any prior mortgage, deed of trust, security agreement or other lien on the Property.

22. **INSURANCE.** Grantor shall keep Property insured against loss by fire, flood, tornadoes, earthquakes, hurricanes, theft and other hazards and risks reasonably associated with the Property due to its type and location. This insurance shall be the type and amount required by Lender. The insurance carrier providing the insurance shall be the one recommended by Lender. If Grantor fails to maintain the insurance, Lender may, at its option, obtain coverage to protect Lender's rights in the Property.

All insurance policies and renewals shall be assigned to Lender and shall include a standard "mortgage clause" and, if applicable, "loss payee clause." 21. **JOINT AND INDIVIDUAL LIABILITY; CO-SIGNERS, SUCCESSORS AND ASSIGNS BOUND.** All duties under this Security Instrument are joint and individual. If Grantor signs this Security Instrument but does not sign an evidence of debt, Grantor does so only to mortgage Grantor's interest in the Property to secure payment of the Secured Debt and Grantor does not agree to be personally liable on the Secured Debt. If this Security Instrument secures a guaranty between Lender and Grantor, Grantor agrees to waive any rights that may prevent Lender from bringing any action or claim against Grantor or any party indebted under the obligation. These rights may include, but are not limited to, any anti-deficiency or one-action laws. Grantor agrees that Lender and any party to this Security Instrument may extend, modify or make any change in the terms of this Security Instrument or any evidence of debt without Grantor's consent. Such a change will not release Grantor from the terms of this Security Instrument. The duties and benefits of this Security Instrument shall bind and benefit the successors and assigns of Grantor and Lender.
