PROPERTY DAMAGE INSURANCE. The following provisions relating to insuring the Property are a part of this Deed of Trust:

Maintenance of Insurance. Grantor shall procure and maintain policies of fire insurance with standard extended coverage endorsements on a replacement basis for the full insured value covering improvements on the Real Property in an amount sufficient to avoid application of any coinsurance clause, and with a standard mortgagee clause, and with a standard mortgagee liability insurance in such coverage amounts as to maintain such other insurance, including but not limited to hazard, business interruption, and boiler and machinery insurance, including but not limited to Lender, with delivery to Lender from time to time and issued by a company or companies reasonably acceptable to Lender. Grantor, upon request of Lender, including stipulations that coverages will not be cancelled or diminished without at least ten (10) days' prior written notice in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. Should the Real Property at any time become located in an area designated by the Director of the Federal Emergency Management Agency as a special flood hazard area, Grantor agrees to obtain and maintain Federal Flood Insurance for the full unpaid principal balance of the loan, up to the maximum policy limits set under the National Flood Insurance Program, or as otherwise required by Lender, and to maintain such insurance for the term of the loan.

Application of Proceeds. Grantor shall promptly notify Lender of any loss or damage to the Property if the estimated cost of repair or replacement exceeds \$200.00. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. Whether or not the Lender's security is impaired, Lender may, at its election, receive and retain the proceeds of any insurance and apply the proceeds to the reduction of the Indebtedness, payment of any lien affecting the Property, or the restoration and repair of the Property. If Lender elects to apply the proceeds to restoration and repair, Grantor shall repair or replace the damaged or destroyed improvements in a manner satisfactory to Lender. Lender shall, upon satisfactory proof of such expenditure, pay or reimburse Grantor from the proceeds for the restorable cost of repair or replacement if Grantor is not in default under this deed of trust. Any proceeds shall be used first to pay any amount owing to Lender under this deed of trust, then to pay accrued interest, and the remainder, if any, shall be applied to the principal balance of the Indebtedness. If Lender holds any proceeds after payment in full of the Indebtedness, such proceeds shall be paid to Grantor as Grantor's interests may appear.

EXPENDITURES BY LENDER. If Grantor failed to comply with any provision of this Deed of Trust, or if any action or proceeding is commenced that would materially affect Lender's interests in the Property, Lender on Grantor's behalf may, but shall not be required to, take any action that Lender deems appropriate. Any amount that Lender expends in so doing will bear interest at the rate provided for in the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses, at Lender's option, will (a) be payable on demand; (b) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either: (i) the term of any applicable insurance policy or (ii) the remaining term of the Note; or (c) be treated as a balloon payment which will be due and payable at the Note's maturity. This Deed of Trust also will secure payment of these amounts. The rights provided for in this paragraph shall be in addition to any other rights or any remedies in which Lender may be entitled or resort to in the event of default. Any such action by Lender shall not be construed as curing the default so as to deprive Lender from any remedy that it otherwise would have had.

WARRANTY; DEFENSE OF TITLE: The following covenants relating to ownership of the Property are a part of this Deed of Trust.

TITLE. Grantor warrants that: (a) Grantor holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Lender in connection with this Deed of Trust; and (b) Grantor has the full right, power, and authority to execute and deliver this Deed of Trust to Lender.

Grantor, its heirs, assigns, and all persons claiming through Grantor, shall defend the title to the Property against all claims of third parties.

Referee of Trust. Subject to the exception in the paragraph above, Grantor warrants and will forever defend the title to the Property against the lawful claims of all persons. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Trustee or Lender under this Deed of Trust, Grantor shall defend the action at Grantor's expense. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of Lender's own choice, and Grantor will deliver, or cause to be delivered, to Lender such instruments as Lender may request from time to time to permit such participation.

Compliance With Laws. Grantor warrants that the Property, and Grantor's use of the Property, complies with all existing and applicable laws, ordinances, regulations or governmental authorities.

ordinances, and regulations of governmental entities. Proceedings are a part of this Deed of Trust.

CONDEMNATION. The following provisions relating to condemnation of the Property are a part of this Deed of Trust.

Application of Net Proceeds. If all or any part of the Property is condemned by eminent domain proceedings or by any proceeding in lieu of condemnation, Lender's right at its election requires that all or any portion of the net proceeds (if the award is applied to the Indebtedness) shall be used first for the payment of the Indebtedness. The net proceeds of the award shall mean the award after payment of all reasonable costs, expenses, fees and charges incurred in connection with the condemnation.

Proceedings. If any proceeding in condemnation is filed, Grantor shall promptly notify Lender in writing, and Grantor shall promptly take such

Upon request by Lender, Grantor shall execute such documents in addition to this Deed of Trust and take whatever other action is requested by Lender to perfect and continue Lender's lien on the Real Property. Grantor shall reimburse Lender for all expenses incurred in recording, perfecting or continuing this Deed of Trust, including without limitation

all loss, fees, documentary stamps, and other charges for recording or registering this Deed of Trust.

Taxes. The following shall constitute taxes of the indebtedness secured by this Deed of Indebtedness or the indebtedness secured by:

SECURITY AGREEMENT; FINANCIAL STATEMENTS. The following provisions relating to this Deed of Trust as a security agreement are a part of the Deed of Trust.

Security Agreement. This instrument shall constitute a security agreement to the extent any of the Property constitutes fixtures or other personal property, and Lender shall have all of the rights of a secured party under the Uniform Commercial Code as amended from time to time.

Security Interest. Upon request by Lender, Grantor shall execute financing statements and take whatever other action is necessary to perfect and continue Lender's security interest in the Real and Personal Property. In addition to executing this Deed of Trust in the real property, Grantor shall execute and deliver to Lender, at its request, all other documents and take whatever other action is necessary to perfect and continue Lender's security interest. default, Grantor shall assemble the Parties in person at a time and place to be determined by Lender, and shall cause the same to be recorded in the public records of the jurisdiction in which the property is located, and shall cause the same to be available to Lender within three (3) days after receipt of written demand from Lender.

The following provisions relating to further assurances and attorney-in-fact are a part of this Deed:

FURTHER ASSURANCES; ATTORNEY-IN-FACT. The following provisions relating to further assurances and attorney-in-fact:

unrecorded, as the case may be, at each time, and in each of the

deeds of trust, security deeds, security agreements, financing statements, certificate of title statements, instruments of further assurance, certificates, and other documents as may, in the sole opinion of Lender, be necessary or desirable in order to effectually complete, perfect, continue, or preserve (a) the obligations of Grantor and Borrower under the Note, this Deed of Trust, and the Related Documents, and (b) the liens and security interests created by the Deed of Trust as first and prior liens on the Property, whether now owned or hereafter acquired by Grantor. Unless prohibited by law or agreed to the contrary by Lender in writing, Grantor shall reimburse Lender for all costs and expenses incurred in connection with the matters referred to in the preceding paragraph.

Attorney-in-Fact. If Grantor fails to comply with the obligations referred to in the preceding paragraph, Lender may do so for and in the name of Grantor and of Grantor's estate. For all purposes, Grantor hereby irrevocably appoints Lender as Grantor's attorney-in-fact for the purpose of making, executing, delivering, filing, recording, and doing all other things as may be necessary or desirable, in Lender's sole opinion, to accomplish the matters referred to in the preceding paragraph.

FULL PERFORMANCE. If Borrower pays all the indebtedness when due, and otherwise performs all the obligations imposed upon Grantor under this Deed of Trust, Lender shall execute and deliver to Trustee a request for full reconveyance, and shall execute and deliver to Grantor suitable statements of termination of any financing statement on file evidencing Lender's security interest in the Real Estate and the Personal Property. Any reconveyance fee required by law shall be paid by Grantor, if permitted by applicable law.

DEFAULT. Each of the following, at the option of Lender, shall constitute an event of default ("Event of Default") under this Deed of Trust:

Default on Indebtedness. Failure of Borrower to make any payment when due on the Indebtedness.

Default on Other Payments. Failure of Grantor within the time required by this Deed of Trust to make any payment for taxes or insurance, or any other payment necessary to prevent filing of or to effect discharge of any lien.

Default in Favor of Third Parties. Should Borrower or any Grantor default under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement in favor of any other creditor or person that may materially affect any of Borrower's property or Borrower's or any Grantor's ability to repay the Loan or perform their respective obligations under this Deed of Trust or any of the Related Documents.

Compliance Default. Failure of Grantor or Borrower to comply with any other term, obligation, covenant or condition contained in this Deed of Trust, the Note or in any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by or on behalf of Grantor or Borrower under this Deed of Trust, the Note or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished.

Defective Collateralization. This Deed of Trust or any of the Related Documents ceases to be in full force and effect (including failure of any collateral documents to create a valid and perfected security interest or lien) at any time and for any reason.

Insolvency. The dissolution or termination of the Trust, the insolvency of Grantor or Borrower, the appointment of a receiver for any part of Grantor or Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor or Borrower.

Foreclosure, Forfeiture, etc. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help repossession or any other method, by any creditor of Grantor or by any governmental agency against any of the Property. However, this subsection shall not apply in the event of a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the foreclosure or forfeiture proceeding, provided that Grantor gives Lender written notice of such claim and furnishes reserves or a surety bond for the claim satisfactory to Lender.

Breach of Other Agreement. Any breach by Grantor or Borrower under the terms of any other agreement between Grantor or Borrower and Lender that is not remedied within any grace period provided therein, including without limitation any agreement concerning any indebtedness or other obligation of Grantor or Borrower to Lender, whether existing now or later.

Events Affecting Guarantor. Any of the following events occurs with respect to any Guarantor of any of the Indebtedness or any Guarantor dies or becomes incompetent, or awakes or disputes the validity of, or liability under, any guaranty of the Indebtedness. Lender, at its option, may, but shall not be required to, permit the Guarantor to assume unconditionally the obligations arising under the guaranty in a manner satisfactory to Lender, and, in doing so, cure the Event of Default.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of the Indebtedness is impaired.

Insecurity. Lender in good faith deems itself insecure.

Right to Cure. If such a failure is cured and if Grantor or Borrower has not been given a notice of a breach of the same provision of this Deed of Trust within the preceding twelve (12) months, it may be deemed that no Event of Default will have occurred. If Grantor or Borrower, after Lender sends written notice demanding cure of such failure, (a) cures the failure within fifteen (15) days; or (b) if the cure requires more than fifteen (15) days, immediately initiates steps sufficient to cure the failure and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

RIGHTS AND REMEDIES ON DEFAULT. Upon the occurrence of any Event of Default and at any time thereafter, Trustee or Lender, at its option, may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

Accelerate Indebtedness. Lender shall have the right at its option without notice to Grantor or Borrower to declare the entire Indebtedness immediately due and payable, including any prepayment penalty which Borrower would be required to pay.

Foreclosure. With respect to all or any part of the Real Property, the Trustee shall have the right to foreclose by notice and sale, and Lender shall have the right to foreclose by judicial foreclosure, in either case in accordance with and to the full extent provided by applicable law. If this Deed of Trust is foreclosed by judicial foreclosure, Lender will be entitled to a judgment which will provide that if the foreclosure sale proceeds are insufficient to satisfy the judgment, execution may issue for the amount of the unpaid balance of the judgment.

UCC Remedies. With respect to all or any part of the Personal Property, Lender shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

Collect Rents. Lender shall have the right, without notice to Grantor or Borrower, to take possession of and manage the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender may request any tenant or other user of the Property to make payments of rent or use fees directly to Lender. If the Rents are collected by Lender, then Grantor irrevocably designates Lender as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

Appoint Receiver. Lender shall have the right to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Tenancy at Sufferance. If Grantor remains in possession of the Property after the Property is sold as provided above or Lender otherwise becomes entitled to possession of the Property upon default of Grantor, Grantor shall become a tenant at sufferance of Lender or the purchaser of the Property and shall, at Lender's option, either (a) pay reasonable rental for the use of the Property, or (b) vacate the Property immediately upon the demand of Lender.

Other Remedies. Trustee or Lender shall have any other right or remedy provided in this Deed of Trust or the Note or by law.

Notice of Sale. Lender shall give Grantor reasonable notice of the time and place of any public sale of the Personal Property or of the time after which any private sale or other intended disposition of the Personal Property is to be made. Reasonable notice shall mean notice given at least ten (10) days before the time of the sale or disposition. Any sale of Personal Property may be made in conjunction with any sale of the Real Property.

Waiver of the Property. To the extent permitted by applicable law, Grantor and Borrower hereby waive any and all rights to have the Property marshaled. In exercising its rights and remedies, the Trustee or Lender shall be free to sell all or any part of the Property together or separately, in one sale or in separate sales. Lender shall be entitled to sell at any public sale on all or any portion of the Property.

Waiver; Election of Remedies. A waiver by any party of breach of a provision of this Deed of Trust shall not constitute a waiver of or prejudice the party's rights otherwise to demand strict compliance with that provision or any other provision. Election by Lender to pursue any remedy provided in this Deed of Trust, the Note, in any Related Document, or provided by law shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor or Borrower under this Deed of Trust after failure of Grantor or

Borrower to perform shall not affect Lender's right to declare a default and to exercise any of its remedies.

Attorney's Fees; Expenses. If Lender institutes any action or action to enforce any of the terms of this Deed of Trust, Lender shall be entitled to recover such sum as the court may adjudge reasonable in Lender's option as necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the indebtedness payable on demand and shall bear interest at the Note rate from the date of execution until repaid. Expenses covered by this paragraph include, without limitation, but not subject to any limit under applicable law, Lender's attorneys' fees whether or not there is a lawsuit, including attorneys' fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipatory post-judgment collection services, the cost of searching records, obtaining title records (including foreclosure reports), surveys and reports, appraisal fees, title insurance, and fees for the Trustee, to the extent permitted by applicable law. Grantor also will pay any (most) costs in addition to all other fees provided by law.

Rights of Trustee. Trustee shall have all of the rights and duties of Lender as set forth in this section.

POWERS AND OBLIGATIONS OF TRUSTEE. The following provisions relating to the powers and obligations of Trustee are part of this Deed of Trust.

Powers of Trustee. In addition to all powers of Trustee arising as a matter of law, Trustee shall have the power to take the following actions with respect to the Property upon the written request of Lender and Grantor: (a) join in preparing and filing a map or plat of the Real Property, including the dedication of streets or other rights to the public; (b) join in granting any easement or creating any restriction on the Real Property; and (c) join in any subordination or other agreement affecting this Deed of Trust or the interest of Lender under this Deed of Trust.

Obligation to Notify. Trustee shall not be obligated to notify any other party of a pending sale under any other trust deed or lien, or of any action or proceeding in which Grantor, Lender, or Trustee is a party, unless the action or proceeding is brought by Trustee.

Trustee. Trustee shall meet all qualifications required for Trustee under applicable law. In addition to the rights and remedies set forth above, with respect to all or any part of the Property, the Trustee shall have the right to foreclose by notice and sale, and Lender shall have the right to foreclose by judicial foreclosure, in either case in accordance with and to the full extent provided by applicable law.

Successor Trustee. Lender, at Lender's option, may from time to time appoint a successor Trustee to any Trustee appointed hereunder by an instrument executed and acknowledged by Lender and recorded in the office of the recorder of Klamath County, Oregon. The instrument shall contain, in addition to all other matters required by state law, the names of the original Lender, Trustee, and Grantor, the book and page where this Deed of Trust is recorded, and the name and address of the successor Trustee, and the instrument shall be executed and acknowledged by Lender or its successors in interest. The successor Trustee, without conveyance of the Property, shall succeed to all the title, power, and duties conferred upon the Trustee in this Deed of Trust and by applicable law. This procedure for substitution of trustee shall govern to the exclusion of all other provisions for substitution.

NOTICES TO GRANTOR AND OTHER PARTIES. Any notice under this Deed of Trust shall be in writing, may be sent by telefacsimile (unless otherwise required by law), and shall be effective when actually delivered, or when deposited with a nationally recognized overnight courier, or, if mailed, shall be deemed effective when deposited in the United States mail first class, certified or registered mail, postage prepaid, directed to the addresses shown near the beginning of this Deed of Trust. Any party may change its address for notices under this Deed of Trust by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. All copies of notices of foreclosure under Trust shall be sent to Lender's address, as shown near the beginning of this Deed of Trust. For notice purposes, Grantor agrees to keep Lender and Trustee informed at all times of Grantor's current address.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Deed of Trust:

Amendments. This Deed of Trust, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Deed of Trust. No alteration or amendment to this Deed of Trust shall be effective unless given in writing and signed by the party or parties sought to be changed or bound by the alteration or amendment.

Applicable Law. This Deed of Trust has been delivered to Lender and accepted by Lender in the State of Oregon. This Deed of Trust shall be governed by and construed in accordance with the laws of the State of Oregon.

Caption Headings. Caption headings in this Deed of Trust are for convenience purposes only and are not to be used to interpret or define the provisions of this Deed of Trust.

Merger. There shall be no merger of the interest or estate created by this Deed of Trust with any other interest or estate in the Property as any time held by or for the benefit of Lender in any capacity, without the written consent of Lender.

Multiple Parties. All obligations of Grantor and Borrower under this Deed of Trust shall be joint and several, and all references to Grantor shall mean each and every Borrower, and all references to Grantor shall mean each and every Grantor. This means that each of the persons signing below is responsible for all obligations in this Deed of Trust.

Severability. If a court of competent jurisdiction finds any provision of this Deed of Trust to be invalid or unenforceable as to any person or circumstance, such finding shall not render that provision invalid or unenforceable as to any other persons or circumstances. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Deed of Trust shall remain valid and enforceable.

Successors and Assigns. Subject to the limitations stated in this Deed of Trust on transfer of Grantor's interest, this Deed of Trust shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Property becomes vested in a person other than Grantor, Lender, without notice to Grantor, may deal with Grantor's successors with reference to this Deed of Trust and the indebtedness by way of foreclosure or extension without releasing Grantor from the obligations of this Deed of Trust or liability under the indebtedness.

Time is of the Essence. Time is of the essence in the performance of this Deed of Trust.

Waivers and Consents. Lender shall not be deemed to have waived any rights under this Deed of Trust (or under the Related Documents) unless such waiver is in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by any party of a provision of this Deed of Trust shall not constitute a waiver of or prejudice the party's right otherwise to demand strict compliance with that provision or any other provision. No prior waiver by Lender, nor any course of dealing between Lender and Grantor or Borrower, shall constitute a waiver of any of Lender's rights or any of Grantor or Borrower's obligations as to any future transactions. Whenever consent by Lender is required in this Deed of Trust, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required.

CONFIDENTIAL DEED OF TRUST. Grantor agrees with Lender that the Deed of Trust is a confidential deed of trust and that Grantor will not change the use of the Property without Lender's prior written consent.

EACH GRANTOR ACKNOWLEDGES HAVING READ ALL THE PROVISIONS OF THIS DEED OF TRUST, AND EACH GRANTOR AGREES TO ITS TERMS.
