ORDER
CASE NUMBER 108-38

ORDER

Therefore, it is hereby ordered that the applicant's request to develop a pre-1976 Mobilhome is approved subject to the following conditions:

- a. That approval is obtained for on-site sewage disposal and that the applicant provides proof of clearance from the Environmental Health Services Division and Building Department within two (2) years following the date of this order, or obtain an extension of time, or this approval will be void.
- b. That the applicant complies fully with fire safety and other siting standards of the Land Use Code as set out in Article 69 of the LDC.
- c. That the applicant receives approval for and develops an on-site well or other source of water consistent with LDC 55.00 C(4).
- d. The applicant is forbidden to occupy the location until the manufactured dwelling is approved for Building Department and all conditions of this order have been met.
- e. That the applicant constructs large porches on the front and rear of the unit within 6 months of its siting at the property.
- f. That the applicant re-sides the unit with something which makes it look more like a conventional or log home within 9 months of its siting at the property.
- g. That the applicant apply for a permit to build a cover or roof over the property at the same time that the siding is installed and that the roof and the siding be compatible. The roof must be installed within 18 months of the siting of the unit on the property.
- h. If any of the above conditions are not met on or before the deadlines set the permit will lapse and be automatically void. If it occurs the County may take enforcement action.
- i. That all required building and placement permits or an extension of time be obtained within two (2) years following the date of this order or this approval will be void.
