To have and to hold said easement FOREVER, subject to the following terms:

1. The rights herein granted are for the purposes of maintaining, repairing, and using a roadway by GRANTEE for access to GRANTEE's property.
2. GRANTOR reserves the exclusive right to grant further easements across the above described land.
3. GRANTEE shall repair and pay for all damage to property of GRANTOR resulting from any act, omission or neglect of GRANTEE.
4. GRANTEE shall save and hold harmless the GRANTOR from any and all liability claims of any kind whatsoever associated with this easement.
5. GRANTEE shall observe and comply with all federal, state, and local laws and regulations which in any manner affect the activities of GRANTEE under this easement.
6. GRANTEE shall obtain the approval of GRANTOR prior to any relocation, reconstruction or improvement of the existing road(s).

7. This easement may be terminated by GRANTOR and all rights herein granted cease immediately in the event:
- If for a period of 3 years GRANTEE fails to use or otherwise abandons said easement; or
 - If GRANTEE fails, neglects, or refuses to keep, observe, or perform any of the conditions or agreements herein contained, for a period of 30 days after having been given written notice to comply therewith; or
 - If GRANTEE assigns or attempts to assign this easement; or
 - If GRANTEE conveys or loses title to GRANTEE's property accessed by this easement.
 - Immediately upon insolvency, adjudication of bankruptcy or appointment of a receiver for the property of GRANTEE.

Upon GRANTOR's written notice of termination, GRANTEE shall execute a recordable document evidencing termination of easement.

8. GRANTEE, when using the roadway on said easement and right of way, shall maintain the said roadway in a condition as good as existed prior to the commencement of such use, provided that when GRANTEE and other authorized parties jointly use said roadway, then each party shall be responsible for a proportionate part of the entire maintenance which said part shall be based upon the ratio of part use to total use.
9. Should GRANTEE fail to perform the road maintenance required by this easement, GRANTOR shall have the right to perform or cause to have performed said maintenance and recover all associated costs from GRANTEE. GRANTEE shall reimburse GRANTOR within 30 days from date billed.
10. This easement is for the sole use and benefit of the GRANTEE for the purpose of ingress and egress to and from GRANTEE's residence and for no other purpose whatsoever, including industrial and/or commercial traffic. Should GRANTEE desire to use this roadway for industrial or commercial traffic, GRANTEE shall first obtain permission from GRANTOR, and comply with any additional conditions required by GRANTOR.

11. GRANTEE agrees to refrain from any interference with legal uses of this State Forest roadway and adjacent State Forest land.
