To Whom It May Concern,

September, 1998

I consider it a great pleasure to write this letter of reference for my friends and co-laborers Sam and Christy Price. I first met them in the fall of 1989 in Klamath Falls, Oregon. We worked together in the same church and I took part in several evangelistic efforts that Sam coordinated. They proved themselves at that time to be faithful stewards of God's gifting and investments in their lives.

My family moved to Palmer, Alaska in the summer of 1992 to pastor Farm Loop Christian Center. One year after, Sam and Christy arrived sensing God's leading and ministry opportunities here. During the last five years Christy has taught in Christian schools here in the valley. Sam was ordained as an elder and evangelist has been on the church staff as an associate for the past three years. Their help was greatly appreciated! The last five summers they have also operated a successful lakeside campground. Probably the most important quality I have noticed regarding the Prices' ministry and lives, is their consistent Christian character and their passionate desire to please God in everything they do!

At this time we regret to see them depart but anticipate great things to happen in their ministry as they travel. I highly recommend them to minister or serve in your church or organization. Sam, being on staff the last three years, has gained keen insight into the daily struggles and workings of a local church. He is equipped to sense the needs of the pastor and congregation. They hear from God when they preach and pray for people and are accomplished singers and worship leaders. The joy of the Lord emanates and people instantly warm up to them and their ministry. God bless and lead you as you consider them for service. Please feel free to contact us.

In Christ,

*Timothy Thom*
