Each Owner or exchange user shall be liable to the Club for any damage to the Property not covered by insurance caused by him or his family or guests.

2.5 **Declarant.** Notwithstanding any other provision of this Declaration, Declarant shall have the right to perform such acts as are necessarily incident to construction and development of the Property and sales of the Ownerships without Board approval, provided such rights shall not unreasonably interfere with the use and enjoyment of the Property by Owners. 2.6 Exterior Lighting. No exterior lighting shall be installed or maintained on any Unit or the Common Area, other than that provided by Declarant or the Club, without the written permission of the Club.

2.7 Indemnification. Each Owner, by acceptance of his Ownership, agrees for himself and for the members of his family, his contract purchasers, and guests, to indemnify each and every other Owner and the Club, and to hold them harmless from, and to defend them against, any claim of any person for personal injury or property damage occurring within the Unit of that particular Owner during such Owner's Vacation Credit Use, Bonus Time or other occupancy, and within any exclusive easements over the Common Area appurtenant to such Unit, except to the extent (a) that such injury or damage is covered by liability insurance in favor of the Club or other Owner or (b) the injury or damage occurred primarily by reason of the willful or negligent act or omission of the Club, Master Association[s], or another Owner or person.

2.8 Insurance. Nothing shall be done in or upon any Unit or the Property which will increase the cost of or cause the cancellation of any insurance maintained by the Club covering liability, fire, damage, theft and other risks customarily insured against in similar projects without the express written consent of the Club. All property and liability insurance, if any, carried by an Owner, shall contain a cross-liability endorsement and an express waiver of subrogation as to the Club and any officer, director, employee, agent or member thereof.

2.9 Lawful Activities. No activity shall be conducted in any Unit or the Property in violation of any law or ordinance that affects the quiet enjoyment of other Owners.

2.10 Nuisances. No noxious or offensive activity or nuisance shall be carried on or maintained within the Property or Common Area, nor shall anything be done or placed upon the Property or Common Area that causes unreasonable embarrassment, disturbance or annoyance to other Owners or their guests.

2.11 Occupancy and Use. Each Owner has the right to occupy and use a Unit and the Property during such Owner's Vacation Credit Use or Bonus Time, reserved pursuant to the Policies.

(1) **Wrongfully Holding Over.** If any Owner or guest of an Owner fails to vacate a Unit at the end of a Vacation Credit Use or Bonus Time, or otherwise makes unauthorized use of a Unit during a period other than such Owner's Vacation Credit Use or Bonus Time, or prevents another Owner or guest from using or occupying a Unit during such other Owner's Vacation Credit Use, the detaining Owner or guest shall (i) be subject to immediate removal, eviction or ejection from the Unit wrongfully used or occupied; (ii) be deemed to have waived any notice required by law with respect to any legal proceedings regarding removal, eviction or ejection, to the extent such waiver is allowed by law; (iii) reimburse the Club and the detained Owner or guest for all costs and expenses incurred by the Club and such Owner or guest as a result of such conduct, including, but not limited to, costs of reasonable alternate

accommodations, travel costs, court costs and actual attorneys' fees incurred in connection with moving, evicting or ejecting the detaining Owner or guest, and costs, including actual attorneys' fees, incurred in collecting such amounts; (iv) pay to the detained Owner or guest entitled to use or occupy the Unit during such wrongful occupancy, as liquidated damages in addition to the costs and expenses described in subsection (iii) above, an amount equal to 200% of the fair rental value per day of the Unit for each day or portion thereof the detaining Owner prevented use and occupancy of the Unit by the excluded Owner. "Fair rental value" shall be determined at the sole discretion of the Board based upon the cost of renting comparable accommodations in the vicinity of the Unit. The Club shall use reasonable efforts to remove such detaining Owner or guest from the Unit, and to assist the excluded Owner or guest in finding comparable alternate accommodations during such hold over period. If the Club deems it necessary, in its sole discretion, to contract for a period greater than the Vacation Credit Use or Bonus Time which the excluded Owner was prevented from using, in order to obtain adequate alternate accommodations, the entire cost shall be assessed to the detaining Owner. Each Owner agrees that it would be impracticable and extremely difficult to ascertain the actual damages caused by wrongful occupancy, and that the liquidated damages described above provide a fair estimate of such damages.

(2) **Damage.** If an Owner or such Owner's guest renders a Unit uninhabitable by an intentional or negligent act, such Owner shall be deemed a detaining Owner for such period as the Unit remains uninhabitable and shall be subject to the consequences described in Section 2.11(a) above.

(3) **Unavailability of Unit.** If an Owner has a verified reservation for a Vacation Credit Use or Bonus Time Use, and there is no Unit available at the Resort for which the reservation was made, then the Club shall arrange comparable alternate accommodations for such Owner at the Club's expense, in the same Project if possible.

2.12 **Occupations and Professions.** There shall be no gainful occupation, profession or trade maintained in any Unit or on the Property without the prior written permission of the Club, and the applicable local governmental entity if a special use permit is required for such use; provided, however, that this shall in no way limit or restrict Declarant in its activities pertaining to the sale of Ownerships.

2.13 **Power Equipment.** No power equipment, hobby shops, car maintenance or boat maintenance (other than emergency work) shall be permitted on the Property without prior written approval of the Board. The Board shall consider the possible effects of noise, air pollution, dust, dirt, grease, fire hazard, interference with radio or television reception, etc., from the proposed activity.

2.14 **Refuse.** The storage of garbage, rubbish and trash within the Property shall be in a clean, secure and sanitary manner, and screened from the view of other Units, the Common Area and roads. All refuse shall be frequently and regularly removed from the Property.

2.15 Renting of Units. An Owner may charge a fee or rent for the use of a Unit during such Owner's Vacation Credit Uses by a Guest, but may charge Guests for only the actual cost of Bonus Time. The Club may disallow rentals if rentals are restricted by the Master Declaration[s] or by applicable governmental or quasi-governmental regulations.

2.16 Residential Occupancy. No Unit shall be held for other than residential purposes and occupancy, nor occupied by more than the number of persons authorized by the Guidelines, without prior written approval from the Club, except Declarant may use any of the Units for sales tours in accordance with the Policies and when not timely reserved and occupied by an Owner.

2.17 Storage. There shall be no storage of flammable liquids or gases in any Unit, and no private storage within the Property without the prior written consent of the Club.

2.18 Structures. Nothing shall be done within any Unit or the Property which shall affect the plumbing or electrical systems or structural integrity of any Improvement, or which will alter any structure, without the express approval of the Club.

2.19 Vehicles. Vehicles used by or belonging to Owners or their guests shall be parked only in marked parking areas, enclosed parking or garage areas appurtenant to the Property and available for parking by Owners. No stripped down, wrecked or junk motor vehicle shall be kept, parked, stored or maintained within the Property or the Common Area. No off-road, unlicensed vehicles shall be operated on the Property or the Common Area. No commercial vehicle bearing commercial signs or markings shall be parked within the Property unless such vehicle is used as the Owner's means of personal transportation, and provided that the Board shall determine that such signs and markings are unobtrusive and inoffensive. No vehicle shall be operated in the Property or the Common Area in a manner which constitutes a danger or nuisance to others. Applicable provisions of the local Vehicle Code shall be enforced within the Property.

A vehicle located on the Property or the Project in violation of the Club or Master Association[s] Governing Documents may be towed away and stored in compliance with local law and ordinances, whether said vehicle shall belong to an Owner or his guest. Charges for towing and storage shall be assessed against the Owner responsible for the presence of such vehicle.

2.20 Waste. No waste shall be committed on the Property.

3 **THE PROGRAM.**

3.1 Owner. Each person who acquires sufficient Vacation Credits and is issued a Basic Ownership in the Program is an Owner. For purposes of assessments and Voting Power, Declarant shall be deemed to hold one Ownership for each 1,000 unsold or reacquired Vacation Credits held by Declarant. Unless otherwise specified in the applicable sales agreement, an

Ownership shall be deemed issued to the Owner by Declarant when the sale of the Vacation Credits to the Owner has closed in accordance with the terms of the sales agreement.

3.2 Ownership. An Ownership in the Program is a vacation license which constitutes only (a) a right to use and occupy a Unit during the Owner's Vacation Credit Use or Bonus Time, (b) a nonexclusive license to use, enjoy and occupy the Property and recreational facilities appurtenant thereto during Owner's Vacation Credit Use or Bonus Time, and for Day Use to the extent Day Use is authorized by the Master Declaration(s) or other governing documents of the Resort, (c) membership and voting rights in the Club as described in the Bylaws, and (d) participation in the corporate ownership of the real estate and other assets of the Club. However, an Ownership does not include any title or direct interest in the Property by any individual Member of the Club, or any recourse against the Property or any other property owned or operated by the Club. Ownerships are issued by Declarant through Vacation Ownership Agreements executed by Declarant and the Owners. The terms of Ownerships may be perpetual and/or for a term of years, as authorized by the Board and designated in the Vacation Ownership Agreement, and whether an Ownership is perpetual or for a term of years shall not affect the assessment obligation or voting rights otherwise attributable to such Ownership, prior to the expiration of a nonperpetual Ownership.

3.3 Vacation Credits. The magnitude and extent of benefits and obligations of an Ownership are measured in Vacation Credits, which are renewed annually in the amount acquired and may be surrendered in varying amounts for Vacation Credit Uses in different Resorts at different times. Vacation Credits which are unused at the end of an Anniversary Year will automatically carry over for use in the subsequent year, and will expire at the end of that year. Usage will be charged first against any carry-over Vacation Credits and then against the current year's Credits. Owners may use (borrow) in their current Anniversary Year their Vacation Credits from the next succeeding Anniversary Year, but only if they have paid the Club assessments for such succeeding year. The Board may provide Policies or Guidelines for the reasonable regulation of borrowed and carry-over Vacation Credits.

(1) **Allocating.** Prior to recording or filing this Declaration as to a Phase of the Property, Declarant shall allocate to each Unit in that Phase the number of Vacation Credits required for occupancy during different seasons of the year and on different days of the week. Such allocation shall be based on the relative use-value of the new Resort compared to existing Resorts, in Declarant's reasonable discretion. Declarant shall notify Club in writing of the Schedule of Credits allocated to a Unit no later than when the Unit is conveyed or transferred to the Club. The total Vacation Credits allocated to each Unit is shown on the attached Exhibit A. Declarant may, from time to time, revise the Schedule of Credits in order to adjust allocations of Vacation Credits based upon reevaluation of use patterns and adjustments of seasons. Such modifications may reduce the total Vacation Credits allocated to a Unit, but may not increase the total allocation of Vacation Credits to a Unit. In the event of reduction of Vacation Credits, the constant total requirement of Section 3.3(b) must be maintained.

(2) **Constant Total.** Whenever Vacation Credits have been allocated to a Resort and this Declaration is recorded or filed as to such Property, the total Vacation Credits in the Program thereafter cannot increase or decrease except upon addition or deletion, respectively, of a Phase or Unit. The total allocated Vacation Credits [(issued and outstanding) plus (available to be issued)] shall always equal the [(total number of days each Unit is available for Owner use) multiplied by (the respective Vacation Credits required to stay in each Unit on each day)]

(3) **Loss of Unit.** If a Unit is lost to use for any reason, Vacation Credits shall be appropriately diluted so each Owner has proportionately the same right to use the Program as he or she had prior to the loss of a Unit.

3.4 **Unsold or Reacquired Vacation Credits.** All unsold or reacquired Vacation Credits shall be deemed owned by Declarant for assessment and voting purposes, whether reacquired by the Club or by Declarant.

3.5 **Declarant's Obligations.** Declarant shall, within 30 days after the end of each fiscal quarter, furnish to each member of the Board at his or her residence address a written statement containing the following, as applicable:

(1) **Credits.** The number of Vacation Credits held by Declarant as of the first and last day of the current quarter.

(2) **Assessment Obligation.** The total regular and special assessments which Declarant became obligated to pay during the current quarter as an owner of Vacation Credits.

(3) **Assessment Payments.** The total regular and special assessments paid by Declarant during the quarter.

(4) **Delinquency.** The amount of any delinquency of Declarant in the payment of regular and special assessments that has not been cured as of the date of the report to the Board.

(5) **Subsidy.** An itemized report of funds, goods and services furnished, or caused to be furnished to the Club under a subsidy program, including monetary contributions to the reserves of the Club for replacement or major repairs of common facilities in the project and an itemized monetary valuation of goods and services furnished.

(6) **Board Enforcement.** If the statement of Declarant is not received by the Board members within 45 days after the end of a quarter, or if the statement evidences a failure by Declarant to fulfill an obligation to complete improvements, pay assessments, or to subsidize the costs of operating the Program and/or maintaining the Project, the Board shall meet specially, together or by conference telephone call, to discuss and to vote on initiating action against Declarant and/or Declarant's surety to enforce the unfulfilled obligations.

(7) **Director Enforcement.** The director of the Club elected solely by the votes of Members other than Declarant is hereby empowered to initiate an action in the name of the Club and at the Club's expense to enforce Declarant's unfulfilled obligations if the Board fails to meet to consider and vote on the question of enforcing Declarant's obligations within 75 days after the end of the quarter, or if the Board refuses to initiate such action after having met for that purpose. If such director determines that it is in the best interest of the Owners to initiate an action under this special authority, he or she shall do so in the name of the Club within 90 days after the end of the quarter, and the Board shall thereafter take such steps as are necessary and appropriate in furtherance of the purpose of the action.

(8) **Arbitration.** Any disagreement or controversy between Declarant and the Club regarding Declarant's obligations to complete and pay for Improvements, to pay regular and special assessments as an owner of Vacation Credits, or to pay a subsidy, shall, at the request of either party, be submitted to arbitration. The arbitration shall be conducted by a single arbitrator agreed upon by the parties, or if they cannot agree, selected in accordance with the procedures of the American Arbitration Club. The proceedings shall be in accordance with the rules of the American Arbitration Club and the determination of the arbitrator shall be final. The costs of the arbitration, including reasonable attorneys' fees, shall be paid by the losing party as determined by the arbitrator.

(9) **Exoneration.** Any completion bond or similar financial assurance shall be exonerated by the beneficiaries thereof upon expiration of the period for filing construction or mechanics liens following recordation of a notice of completion or notice of occupancy for the Improvement.

4 THE ASSOCIATION.

4.1 **Purposes and Powers.** The Club is organized to own or lease, maintain, and operate the Property, to provide for maintenance of all landscaping and all Improvements, to the extent such is not provided by the Master Association(s), and to further and promote the common interests and welfare of the Owners. The Club shall have such powers and duties as are set forth in this Declaration, the Articles and the Bylaws, including but not limited to the promulgation and enforcement of all Policies necessary to govern the use and enjoyment of the Units, the Property and any personal property owned by the Club, insuring against liability and property loss, and granting or denying permission to do certain acts as required in this Declaration, in the Bylaws or in the Policies.

4.2 **Assessments.** The Club shall have the power to levy annual and special assessments ("assessments") against each Ownership, including those of Declarant, as described in the Bylaws. Such assessments shall be equal in amount for each Basic Ownership, except special charges for fines, penalties or reimbursements against a particular Owner shall be levied according to procedures and subject to the limitations and exemptions set forth in the Bylaws and this Declaration.

4.3 **Right of Entry.** The Board or their duly authorized agents or employees, shall have the right, at reasonable times and upon reasonable notice, without liability to the Owner, to enter into any Unit for the purposes of maintaining the Property, if necessary, or (i) maintaining such Unit in good repair and sanitary condition; (ii) removing any Improvements constructed, reconstructed, refinished, altered or maintained in or upon such Unit in violation of this Declaration; (iii) restoring such Unit as authorized by this Declaration; (iv) installing utilities or conveniences for that Unit or any other Units; or (v) otherwise enforcing or carrying out its duties under this Declaration and applicable laws and ordinances. "Reasonable notice" of entry shall mean at least forty-eight (48) hours except in emergencies. Any expense incurred by the Club in taking action under this section shall be recovered from the offending Owner, if any, by means of a reimbursement charge levied against such Owner.

5 **ASSESSMENT COVENANT AND LIEN.**

5.1 **Commencement.** Assessments shall commence as to all Ownerships of Vacation Credits attributable to a Unit on the first day of the month immediately following the first issuance of an Ownership of Vacation Credits attributable to that Unit.

5.2 **Covenant and Obligation to Pay.** Declarant hereby covenants to and each Owner shall, by acceptance of an Ownership, whether from Declarant or a subsequent owner of such Ownership, bind himself, his heirs, personal representatives and assigns to pay all dues, assessments and late charges determined and levied by the Club upon each Ownership owned by him, including interest thereon and collection costs thereof, if any, including attorneys' fees. The obligation to pay such dues, assessments, charges, interest and costs cannot be waived or avoided by nonuse of the Property or abandonment or transfer of an Ownership, and constitutes a personal obligation secured by the Ownership. The transferee of a voluntary transfer of an Ownership is jointly and severally liable with the transferor for all unpaid assessments which accrued against the Ownership prior to the time of transfer and which are described in a statement from the Club to such transferee prior to transfer of the Ownership. Provided, however, Declarant may discharge its dues and assessment obligations to the Club by means of a Reimbursement Agreement.

5.3 **Lien.** Each assessment and any late charges as established by the Club from time to time and costs of collection, including attorneys' fees (whether or not such action is instituted), pursuant thereto shall be and remain a lien upon each Ownership from the date of assessment until paid. Sale or transfer of any Ownership shall not affect the lien for assessments, charges and costs provided for in this Section 5.3, and the obligation of the former Owner to pay assessments and charges which became due during the period of his Ownership shall pass to subsequent Owners unless such charges are paid in full.

5.4 **Power of Sale.** The Club is hereby granted a power of sale as to each and every Ownership for the purpose of collecting delinquent assessments.

5.5 Enforcement. The Board shall institute appropriate legal proceedings to collect all assessments or charges sixty (60) days past due. All liens, assessments, and charges hereon provided for shall be enforceable by foreclosure in the manner provided for under the Uniform Commercial Code, Article 9, as adopted by the State, by suit at law, by exercise of the power of sale in the manner prescribed by the Uniform Commercial Code, Article 9, or in any other manner authorized by law. By acceptance of the Ownership, Owner thereby appoints the Club as trustee for the benefit of himself and all other Owners to foreclose such liens, to sue to enforce the personal obligations and covenants, or to exercise the power of sale to collect delinquent assessments, at the election of the Board, provided, however, that except for late charges, interest or costs and attorney fees for delinquent general assessments, neither the power of sale nor judicial foreclosure shall be invoked to enforce collection of (a) a fine, (b) a penalty, (c) an individual charge levied to bring an Owner into compliance with this Declaration and the Policies, or (d) a damage reimbursement for damage to the Property or Common Area. The Board's election to pursue one form of action or remedy shall not abrogate its right to pursue other forms of action or remedies against the same Owner. The Club shall not cause the absolute forfeiture of an Ownership except pursuant to a judgement of a court or the decision of an arbitrator based on a violation of the Governing Documents, or a foreclosure or a sale under a power of sale for the failure of an Owner to pay assessments duly levied by the Club.

6 PROPERTY

6.1 Completion. If applicable, Declarant shall complete any improvement to the Property which Declarant has undertaken in accordance with any agreement for such improvement entered into by Declarant with the Club. Declarant may not issue the Vacation Credits allocated to a Unit until the applicable governmental entity has issued a Completion Certificate for such Unit.

6.2 Ownership. Fee ownership of, or the leasehold or subleasehold interest with current right of possession in, the Property shall be held by the Club.

6.3 Condemnation. The term "taking" as used in this Section 6.3 shall mean condemnation by eminent domain or sale under threat of condemnation. Upon a taking or threatened taking by a valid condemning authority, each Owner, by acceptance of an Ownership, hereby authorizes the Board to represent the Club in any action or sale under this Section 6.3, with power to execute, acknowledge and deliver conveyances pursuant to this Section 6.3. If the taking involves damage to a portion of the Property, and does not constitute "Total Taking" as defined below, repair of the remaining Improvements shall be conducted pursuant to Section 6.4 below. Unless the award or proceeds of sale is apportioned among the Club and Declarant by court judgment or by agreement between the condemning authority and each and all of such parties, then the following shall apply:

Upon a total or partial taking, if the number of Vacation Credits lost by reason of condemnation (the "Lost Vacation Credits") is less than or equal to the number of unsold Vacation Credits available immediately prior to such loss (the "Available Inventory"), the Declarant shall be entitled to all of the proceeds arising out of the Lost Vacation Credits and the Available Inventory shall be reduced by the Lost Vacation Credits. If, however, the Lost Vacation Credits exceeds the Available Inventory, the Declarant shall be entitled to a percentage of the proceeds equal to the percentage the Available Inventory bears to the Lost Vacation Credits.

The Club shall receive the remaining balance of any proceeds and shall use the same to purchase replacement units of comparable quality and accessibility. In any case where the Lost Vacation Credits exceeds the Available Inventory, the Available Inventory shall be deemed exhausted; and the provisions of Section 3.3(c) shall apply to the balance of any Lost Vacation Credits which are not replaced.

6.4 Destruction.

(1) **Minor Repairs.** Notwithstanding anything to the contrary in this Section 6.4, and irrespective of the amount or availability of insurance proceeds, if the estimated cost of repair and/or reconstruction is \$20,000 or less, the Board shall proceed immediately to arrange for prompt repair and/or reconstruction. Such amount shall be adjusted annually according to the U.S. Department of Labor Consumer Price Index for all Urban Consumers (CPI-U). Any portion of such amount which is not covered by insurance proceeds shall be paid by the Owners pursuant to a special assessment levied for that purpose, subject to any limitation which may be set forth in the Bylaws.

(2) **Decision to Repair and/or Reconstruct.** Upon total or partial destruction of the Improvements in the Property, and if available insurance proceeds are sufficient to cover not less than eighty-five percent (85%) of the estimated costs of repair and/or reconstruction, such Improvements shall be promptly reconstructed unless, within ninety (90) days from the date of destruction, or within sixty (60) days after final settlement of insurance claims, whichever is later, seventy-five percent (75%) of the Members approve a resolution that such repair and reconstruction shall not occur. A meeting or ballot for such determination shall be held upon the written request of Members holding five percent (5%) of the Voting Power held by Members other than Declarant, or if called pursuant to the Bylaws. A special assessment shall be levied by the Board to make up the difference subject to any limitation which may be set forth in the Bylaws. If the insurance proceeds are less than eighty-five percent (85%) of the estimated costs of repair and/or reconstruction, repair and reconstruction may nevertheless take place if, within ninety (90) days from the date of destruction or within sixty (60) days after final settlement of insurance claims, whichever is later, seventy-five percent (75%) of the Members other than Declarant approve a resolution that such repair and/or reconstruction shall occur, and approve a special assessment levied against each Owner to make up the difference. The "estimated costs" shall be determined by obtaining estimates from at least two reputable contractors.

(3) **Special Assessment.** Any special assessment levied pursuant to subsection (b) shall be levied on the basis of the ratio of the Vacation Credits held by an Owner to be assessed, to the total Vacation Credits held by all Owners to be assessed, and shall not be subject to any limitation or approval not required by subsection (b) or this subsection (c).

(4) **Certificate.** Within one hundred twenty (120) days after the destruction, or within ten (10) days after any required resolution becomes final, whichever is later, the Board shall execute, acknowledge and record in the office of the County Recorder, a certificate declaring the decision to reconstruct or not to reconstruct.

(5) **Construction Contract.** If reconstruction and/or repair is necessary, the Board shall obtain bids from at least two reputable contractors within thirty (30) days following the date repair and/or reconstruction is determined to be necessary, and shall promptly award a contract to the contractor it deems best able to serve the interests of the Club, after considering primarily price, but also other factors the Board deems relevant. The contract shall, among other terms, contain specific provisions (i) obligating the contractor to complete repair and/or reconstruction within a reasonable definite time period or periods, (ii) levying liquidated damages against the contractor for late performance of each stage, (iii) limiting payments to the value of specific stages of work timely completed, and (iv) warranting the work for one (1) year following completion.

(6) **Insurance Proceeds.** Any excess insurance proceeds, for whatever reason, shall be retained in the general funds of the Club, or, in case of a decision not to repair and/or reconstruct, shall be distributed to the Club and Declarant as follows:

Upon a total or partial destruction, if the number of vacation credits lost by reason of destruction (the "Lost Vacation Credits") is less than or equal to the number of unsold vacation credits available immediately prior to such loss (the "Available Inventory"), the Declarant shall be entitled to all of the proceeds arising out of the Lost Vacation Credits and the Available Inventory shall be reduced by the Lost Vacation Credits. If, however, the Lost Vacation Credits exceeds the Available Inventory, the Declarant shall be entitled to a percentage of the proceeds equal to the percentage the Available Inventory bears to the Lost Vacation Credits. The Club shall receive the remaining balance of any proceeds and shall use the same to purchase replacement units of comparable quality and accessibility. In any case where the Lost Vacation Credits exceeds the Available Inventory, the Available Inventory shall be deemed exhausted; and the provisions of Section 3.3(c) shall apply to the balance of any Lost Vacation Credits which are not replaced.

(7) **Clearing and Re-landscaping.** If the Property is only partially destroyed, upon a determination not to repair or reconstruct the Improvements on the Property, the area destroyed shall be cleared and landscaped; provided, however, that there shall exist in the Property adequate vehicular and pedestrian rights-of-way to insure legal access to the remaining

Units, the costs thereof shall be paid for with the insurance proceeds, and any deficiency may be raised by the levy of a uniform special assessment.

6.5 Appraisal. Wherever in this Section 6 reference is made to a determination of the value or fair market value by appraisal, this shall mean an appraisal by an independent appraiser selected by the Board, who shall be a member of the Society of Real Estate Appraisers or other nationally recognized appraiser organization, and who shall apply its or such other organization's standards in determining value or fair market value. The costs of such appraisals shall be paid from the proceeds of sale or insurance proceeds, as the case may be.

6.6 Maintenance. The Property shall be maintained by the Club, except portions thereof required to be maintained by the Master Association[s], if any, under Master Governing Documents or the Landlord, if any, under a Lease.

6.7 Use and Enjoyment. As long as there are unsold Vacation Credits, Declarant reserves for itself and its successors and assigns, including the Club and the Owners, mutual and reciprocal nonexclusive easements and rights to use and enjoy the Property and facilities in accordance with the customary uses of such facilities and pursuant to the Policies. Such easements and rights of use and enjoyment shall be subject to the following:

(1) **Suspension.** The right of the Club, as provided in its Bylaws, to suspend the rights of any Owner for any period during which any assessment against his or her Ownership or any amount owing on such Owner's purchase agreement remains unpaid and delinquent, or for violation of the Governing Documents or Master Governing Documents

(2) **Dedication and Easements.** The right of the Club to dedicate or transfer all or any part of the Property to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Owners, provided that no such dedication or transfer shall be effective unless approved by seventy-five percent (75%) of the Members, and an instrument is signed by the Secretary of the Club certifying that such dedication or transfer has been approved by the required vote and is recorded in the County.

(3) **Policies and Fees.** The right of the Club to establish uniform Policies and regulations pertaining to the use of the Property and the facilities thereon, and reasonable fees for the use of any Club property which is individual-use intensive, other than the Units and the Common Furnishings normally in them, such as appliances, kitchenware, beds, couches, T.V., and telephones. Examples of items that might be charged for are cribs, roll-away beds, long distance telephone tolls and other items not normally furnished with a unit.

(4) **Guests.** The right of the Club to regulate the number and behavior of guests of Owners.

6.8 Partition. The rights of any person acquiring any right, lien or interest in any Unit or all or any portion of the Property shall be subordinate to this Declaration. There shall be no partition or sale of a Unit or the Property in lieu of partition unless this Section 6.8 is amended to remove a Unit from the Program, pursuant to Section 10.1.

7 EASEMENTS.

The following easements are also reserved over all the Property, including additional Property annexed under Section 9, in favor of the Owners and of Declarant in relation to construction at the Property and sales of Ownerships, provided that such easements shall not unreasonably interfere with use and enjoyment of the Property by the Owners.

7.1 Construction. Declarant hereby reserves for itself and its contractors and subcontractors a nonexclusive easement for ingress and egress, drainage, encroachment, construction and for temporary storage of construction materials, equipment and vehicles thereon, over the Property until the earlier of (a) completion of the construction, finishing and furnishing, of all Units, or (b) five (5) years after the Effective Date.

7.2 Ingress and Egress. Declarant reserves for the Owners, including itself, and for emergency vehicles and personnel, mutual and reciprocal nonexclusive easements for ingress and egress, for pedestrian and vehicular access.

7.3 Parking. Parking spaces shall be used for parking of permitted vehicles only and not for the permanent parking or storage of boats, trailers or nonmobile vehicles of any description. Garage space shall not be used for conversion into inhabitable space such as, but not limited to, a hobby shop or recreation room. The Club may establish rules and regulations for the parking of vehicles in the Property. Use by Owners of parking spaces must be established by the Club and evidenced by written notice from the Club. This permission will create only a license to use such parking spaces, revocable at any time by the Club upon five (5) days' written notice. The decision of the Board as to the assignment, reassignment or location of or the condition, or other matter related to any parking space shall be final and conclusive as to the rights of any Owner concerning such parking space.

7.4 Use and Enjoyment. See Section 6.7 above.

7.5 Utility Easements. There is hereby reserved, and Declarant or the Club may hereafter grant, easements throughout the Property for lines, cables, wires, conduits, pipes and drains for electricity, gas, water, sewer, telephone, communication and similar purposes ("utilities").

(1) Interference Prohibited. Within the easements existing at the Effective Date or thereafter created by the Club for the installation and maintenance of utilities and drainage facilities, no structure, planting or other material shall be placed or permitted to remain which

may damage or interfere with the installation and maintenance of utilities, or which may damage, interfere, or change the direction of flow of drainage facilities in the easement.

(2) **Access and Maintenance.** Utility, or drainage, duct or flue easements in the Property or in Units shall at all times be open and accessible to (a) public and quasi-public utility corporations and other persons, including the Club, erecting, constructing or servicing such utilities and quasi-utilities, and (b) to Declarant and its successor or assigns during construction, all of whom shall have the right of ingress and egress thereto and therefrom, and the right and privilege of doing whatever may be necessary in, under and upon such locations for the carrying out of any of the purposes for which such easements, reservations and rights of way are reserved or granted. The easement areas in the Property and all Improvements located thereon shall be maintained by the Club, except for those improvements for which a public authority or utility company is responsible or has accepted responsibility.

7.6 **Communications.** It is contemplated that a cable or central broadcast or other communications antenna system may be installed and connected to each Unit. Such system, if installed, shall be maintained by the communications company which installs the system or by a successor chosen by them. To the extent required to implement the foregoing plan, there shall be an easement appurtenant to each Unit for the purpose of connecting the same with the central communications cable or antenna. The Property shall be subject to such easement in favor of all Owners and in favor of the company which installs the system, to provide for the passage through the Property and any Improvement thereon of communication connections from any Unit to the cable system, and shall be subject to further easements for the placement and maintenance of such connections. The foregoing easements are granted and reserved subject to the condition that their use and enjoyment shall not unreasonably interfere with the use, occupancy or enjoyment of all or any part of the Property.

8 **ENFORCEMENT.**

Determinations of responsibility, nuisance, or violation under any provision of this Declaration shall only be pursuant to the "Discipline" section of the Bylaws or by court or arbitration proceedings.

9.1 **Who May Enforce.** Except as otherwise specifically provided, the following shall have the right to enforce any or all of the provisions of this Declaration, Articles, Bylaws, Policies or valid resolutions of the Board pursuant to this Section 8.

- (1) The Club,
- (2) An Owner, and
- (3) Declarant, if Declarant holds any Vacation Credits in the Program.

8.2 Proceedings and Relief. Every act or omission whereby any of this Declaration, the Articles, Bylaws, Policies or any valid resolution of the Board is violated in whole or in part may be enjoined or abated by arbitration or by a court of competent jurisdiction, whether the relief sought is for negative or affirmative relief. The prevailing party in any action or proceeding shall be entitled to recover damages, costs and/or attorneys' fees, at trial, on appeal or petition for review and in proceedings in arbitration or bankruptcy.

8.3 Violations of Law. Any violation of any state, municipal or local law, ordinance or regulation pertaining to the ownership, occupation or use of the Property is hereby declared to be a violation of this Declaration and subject to any or all of the enforcement procedures set forth in this Declaration.

8.4 Non-Waiver. The waiver of any breach of this Declaration shall not be deemed a continuing waiver of any subsequent breach, whether of the same or another of this Declaration.

8.5 Arbitration. Any dispute as to the violation, interpretation or application of any provision in this Declaration or of the Articles, Bylaws or Policies, shall, upon written request of one party to the dispute served on the other(s), be submitted to arbitration, and such arbitration shall comply with and be governed by the provisions of the rules of the American Arbitration Club, and the determination of the arbitrator shall be final. The costs of the arbitration, including reasonable attorneys fees, shall be paid by the losing party as determined by the arbitrator.

9 ANNEXATION OF PROPERTY

The Property may be enlarged to include an unlimited number of Units, although neither Declarant nor the Club is obligated to develop or annex any additional Property.

9.1 Method. Annexation of additional Units and/or Property to the Program shall be accomplished by Declarant recording in the County a counterpart of this Declaration or a Declaration of Annexation incorporating therein this Declaration and expressly subjecting to this Declaration the respective Units and Property being annexed. Any such Declaration may contain such additions and modifications of this Declaration as may be necessary to reflect the different character, if any, of the annexed Property, or as Declarant may deem appropriate in the development of such Property; provided, however, that such modifications shall not be inconsistent with the general plan or scheme of this Declaration, nor shall they modify or revoke any of the provisions as they pertain to the Property already subject to the Program. If the Property is located in a County other than the County in which this Declaration is recorded, a Declaration in form and substance substantially similar to this Declaration (an "Additional Declaration") shall be recorded in such County. Annexation of personal property shall be effected by transfer of unencumbered ownership to the Club and the filing of this Declaration with any agency with which title is customarily registered and with any office in which a filing is required under the Uniform Commercial Code for perfection of a security interest.

9.2 Conditions. No Declaration of Annexation or Additional Declaration may (a) cause a substantial increase in the costs and expenses then being borne by Owners which was not disclosed in the disclosure documents for the Program when the Owner purchased his or her Ownership, or (b) otherwise materially adversely affect the rights of Owners, without the approval of sixty-six and two-thirds percent (66-2/3%) of the Voting Power of the Members.

9.3 Effect. Upon recording or filing the Declaration of Annexation or Additional Declaration and conveying or transferring the Property described therein to the Club, such Property shall become a part of the Program and subject to the provisions substantially similar to this Declaration and the rights and powers of the Club pursuant to the terms of the Governing Documents. Any Declaration of Annexation or Additional Declaration recorded or filed pursuant to this Declaration shall be conclusive in favor of all persons who relied upon it in good faith.

9.4 Easements. The supplemental declaration shall expressly reserve for the benefit of all Property which may from time to time be covered by this Declaration, reciprocal easements of use, enjoyment, access, ingress and egress over the annexed Phase and appurtenant to all Phases subject to this Declaration. Such easements may be used by Declarant, its successors, and all Owners, their guests, and invitees for sidewalks, walkways, vehicular access and such other purposes reasonably necessary to the use and enjoyment of all Units.

10 GENERAL PROVISIONS.

10.1 Amendment and Term. This Declaration shall remain in force until amended or rescinded as follows:

(1) **Owners.** This Declaration may be amended or rescinded only by the affirmative vote or written assent of (i) a majority of each class of Voting Power, if there is more than one class, or (ii) if there is only one class of Voting Power, a majority of Voting Power residing in Members other than Declarant along with a majority of the Total Voting Power. Provided, however, the vote required for an amendment shall never be less than the vote required for action under the clause being amended.

(2) **Board of Directors.** Notwithstanding subsection (a) above, the Board alone can amend the Declaration (i) to comply with lawful requirements of any state agency in connection with obtaining and maintaining registration of the Program in such state, provided no such amendment shall diminish the rights and protections of the Owners, or (ii) to change one Unit for another within the Project, provided the new Unit is reasonably comparable to or better than the former Unit as to size, accommodations and amenities, or (iii) to rescind the Declaration entirely if all of the following occur: an identical Declaration is simultaneously recorded against another Project in a location reasonably as accessible as the deleted Resort, with reasonably comparable Units as to size, accommodations and amenities, and comparable recreational features, and such an Amendment of the Declaration is accepted by any applicable state regulatory agency.

No amendment shall be effective until recordation in the office of the County Recorder and the filing with the agencies where the original Declaration was filed pertaining to a particular Phase, of a document fully setting forth the amendment, specifically referring to this Declaration, and setting forth the authority by which the amendment was adopted.

10.2 Applicability and Effect. The restrictions and covenants set forth in this Declaration are made for the mutual and reciprocal benefit of each and every Owner, of the Property, and of the Club, and are intended to: (a) create mutual equitable servitudes upon each of the Units and the Property, in favor of each and all of the owners of the Property, the Owners and the Club; (b) to create reciprocal rights among the Owners, the Club, and the Declarant; (c) to create a privity of contract and estate between the grantees, successors, and assigns of Declarant, and the Club and Owners; (d) to operate as covenants running with the land as to each owner of the Property and the Club, for the benefit and burden of the Property, each owner of the Property and the Owners within the Program. A substantially similar Declaration shall be recorded in each county, and shall describe each Resort, where the Club owns or leases real property subject to the Program. The provisions of recorded Declarations shall have priority over the Bylaws, and inconsistent provisions among various Declarations shall be resolved in favor of the most restrictive provision on the Club or Declarant and/or the most favorable provision for protecting the Owners.

10.3 Creditors. Claims of creditors of the Declarant and any owner of the Property are subordinate to this Declaration and to the rights and privileges of Owners who become Owners after recordation of this Declaration.

10.4 Notices. Any notice permitted or required by this Declaration to be delivered shall be in writing and may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered seventy-two (72) hours after a copy of the same has been deposited in the United States mail with postage thereon fully prepaid and addressed to any person at the address given by such person to the Club for the purposes of service of such notice, or to the residence of such person if no address has been given to the Club. Such address may be changed from time to time by notice in writing to the Club. Any notice required by the Bylaws shall be governed by the provisions of the Bylaws.

10.5 Interpretation. The provisions of this Declaration shall be liberally construed to effectuate their purpose of creating a uniform plan for the development and operation of the Property. This Declaration shall be construed under the laws of the State.

10.6 Severability. If any provision of this Declaration is declared to be invalid or unenforceable, the remaining provisions shall nevertheless remain in full force and effect.

10.7 Captions. All captions and titles used in this Declaration are intended solely for convenience or reference and shall not affect that which is set forth in any of the provisions hereof.

10.3 No Public Rights Created. Nothing contained in this Declaration shall be deemed to be a gift or dedication of any portion of the Property to the general public or for any public use or purpose.

10.9 Gender; Number. The masculine, feminine and neuter genders, or singular and plural numbers, shall each be deemed to include the others whenever appropriate.

IN WITNESS WHEREOF, RYR, Declarant and Co Declarant have executed this Declaration on the day and year first above written.
