THIS RIDER CONTAINS PROVISIONS ALLOWING FOR CHANGES IN MY INTEREST RATE AND MY MONTHLY PAYMENT. THE MONTHLY PAYMENT INCREASES WILL HAVE LIMITS WHICH COULD RESULT IN THE PRINCIPAL BALANCE UP TO 125% OF THE ORIGINAL AMOUNT (OR \$ 92,750.00) AND IN A BALLOON PAYMENT BEING DUE AT MATURITY. THE BORROWER'S INTEREST RATE CAN NEVER EXCEED THE LIMIT STATED IN THE NOTE AND RIDER.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

Interest will be charged on unpaid principal until the full amount of principal has been paid. I will pay interest at the higher of the yearly rate of 3.350 % ("Stated Interest Rate") or the Current Index plus the Margin (both as defined below) until the first of the month following closing. Thereafter, the interest rate will be the Stated Interest Rate, subject to change in accordance with Section 4 of this Note.

The Note provides for changes in the interest rate and the monthly payments as follows:

NO TIER 32843A (05-99) Page 1 of 6

"4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may further change on the 1st , and on that day every month thereafter. Each date on which my interest rate could change is called a "Change Date".

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the Twelve-Month Average, determined as set forth below, of the annual yields on actively traded United States Treasury Securities adjusted to a constant maturity of one year as published by the Federal Reserve Board in the Federal Reserve Statistical Release entitled "Selected Interest Rates (G.13)" (the "Monthly Yields"). The Twelve-Month Average is determined by adding together the Monthly Yields for the most recently available twelve months and dividing by 12.

The most recent index figure available as of the date 15 days before each Change Date is called the "Current Index".

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this (C) Interest Rate Change

Before each Change Date, the Note Holder will calculate my new interest rate by adding 3.400 % ("Margin") to the Current Index. The Note Holder will then round the result of this addition to the nearest one thousandth of one percentage point (0.001%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date. In the event a new index is selected, pursuant to paragraph 4(B), a new Margin will be determined. The new Margin will be the difference between the average of the old Index for the most recent three year period which ends on the last date the Index was available plus the Margin on the last date the old Index was available and the average of the new index for the most recent three year period which ends on that date (or if not available for such three year period, for such time as it is available). The difference will be rounded to the next higher 1/8 of 1%.

NO TIER 3284 38 (05-98)

Page 2 of 6

(D) Interest Rate Limit

My interest rate will never be greater than 9.650 % ("Cap"), except that following any sale or transfer of the property which secures repayment of this Note after the first interest rate Change Date, the maximum interest rate will be the higher of the Cap or 5 percentage points greater than the interest rate in effect at the time of such sale or transfer.

Effective every year commencing June 1, 2000 the same date each twelfth month thereafter ("Payment Change Date"), the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the projected principal balance I am expected to owe as of the Payment Change Date in full on the maturity date at the interest rate in effect 45 days prior to the Payment Change Date in substantially equal payments. The result of this calculation is the new amount of my monthly payment, subject to Section 4(F) below. Monthly Payment Limitations

Unless Section 4(H) and 4(I) below apply, the amount of my new monthly payment, beginning with a Payment Change Date, will be limited to 7 1/2% more or less

(G) Changes in My Unpaid Principal Due to Negative Amortization or Accelerated Amortization

Since my payment amount changes less frequently than the interest rate and since the monthly payment is subject to the payment limitations described in Section 4(F). my monthly payment could be less or greater than the amount of the interest portion of the monthly payment that would be sufficient to repay the unpaid principal I owe at the monthly payment date in full on the maturity date in substantially equal payments. For each month that the monthly payment is less than the interest portion, the Note Holder will subtract the monthly payment from the amount of the interest portion and will add the difference to my unpaid principal, and interest will accrue on the amount of this difference at the current interest rate. For each month that the monthly payment is greater than the interest portion, the Note Holder will apply the excess towards a principal reduction of the Note.

(H) Limit on My Unpaid Principal; Increased Monthly Payment

My unpaid principal can never exceed a maximum amount equal to 125% the principal amount original borrowed. In the event my unpaid principal would otherwise

NO TIER 32843C (05-98)

Page 3 of 6

that 125% limitation, I will begin paying a new monthly payment until the next Payment Change Date notwithstanding the 7 1/2% annual payment increase limitation. The new monthly payment will be an amount which would be sufficient to repay my then unpaid principal in full on the maturity date at my interest rate in effect the month prior to the payment due date in substantially equal payments.

Required Full Monthly Payment

On the FIFTH anniversary of the due date of the first monthly payment, and on that same day every FIFTH ___ year thereafter, the monthly payment will be adjusted without regard to the payment cap limitation in Section 4(F).

Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any questions I may have regarding the notice. (K) Failure to Make Adjustments

If for any reason Note Holder fails to make an adjustment to the interest rate or payment amount as described in this Note, regardless of any notice requirement, I agree that Note Holder may, upon discovery of such failure, then make the adjustment as if they had been made on time. I also agree not to hold Note Holder responsible for any damages to me which may result from Note Holder's failure to make the adjustment and to let the Note Holder, at its option, apply any excess monies which I may have paid to partial prepayment of unpaid "Principal."

TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Covenant 17 of the Security instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is soid or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not

exercise this option if: (a) the request to assume is made after one year following recordation of the Deed of Trust, (b) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; (c) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Agreement or other obligations related to the Note or other loan document is acceptable to Lender, (d) Assuming party executes Assumption Agreement acceptable to Lender at its sole choice and discretion, which Agreement may include an increase to Cap as set forth below and (e) payment of Assumption Fee if requested by Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption, and Lender may increase the maximum interest rate limit to the higher of the Cap or 5 percentage points greater than the interest rate in effect at the time of the transfer. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender has entered into a written assumption agreement with transferee and formally releases Borrower.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.
