1. To protect, preserve and maintain said property in good condition and repair; not to remove or demolish any building or improvement thereon; not to commit or permit any waste of said property. 2. To complete or restore promptly and in good and workmanlike manner any building or improvement which may be constructed, density of destroyed thereon, and pay when due all costs incurred therefore.

3. To comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property; if the beneficiary so requests, to join in executing such financing statements pursuant to the Uniform Commercial Code as the beneficiary may require and to pay for filing same in the proper public office or offices. 4. To provide and continuously maintain insurance on the buildings now or hereafter erected on the said premises against loss or damage by fire with extended coverage, vandalism and malicious mischief in an amount not less than , written in companies acceptable to the beneficiary, with loss payable to the latter 73574.00 and to grantor as their interests may appear; all policies of insurance shall be delivered to the beneficiary as soon as insured; if the grantor shall fail for any reason to procure any such insurance and to deliver said policies to the beneficiary at least fifteen days prior to the expiration of any policy of insurance now or hereafter placed on said buildings, the beneficiary may procure the same at grantor's expense. Grantor hereby authorizes and directs beneficiary to procure, if procurable, such credit life or credit life and disability insurance as grantor may have authorized, pay the premiums on all such insurance and deduct the amounts so actually paid from the proceeds of the loan. The amount collected under any fire or other insurance policy may be applied by beneficiary upon any indebtedness secured hereby and in such order as beneficiary may determine, or at option of beneficiary the entire amount so collected, or any part thereof, may be released to grantor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any to grantor. Such application or release shall not cure or waive any default or notice or default hereunder or invalidate any act done pursuant to such notice. Should the grantor fail to so insure or to preserve the collateral for this loan, the beneficiary may purchase such insurance and add the amounts so paid to the unpaid principal balance to bear interest at the rate specified above and constitute an additional obligation of the grantor hereunder to be paid over the remaining term of the promissory note which this instrument secures concurrently with the remaining unpaid installments. The following warning applies if, as a condition to closing your loan, we have required that you maintain property insurance on property securing this loan: Unless you provide us with evidence of the insurance coverage as required by our contract or loan agreement, we may purchase insurance at your expense to protect our interest. The insurance may, but need not, also protect your interest. If the collateral becomes damaged, the coverage we purchase may not pay any claim you make or any claim made against you. You may later cancel this coverage by providing evidence that you have obtained property coverage elsewhere.

You are responsible for the cost of any insurance purchased by us. The cost of this insurance may be added to your contract or loan balance. If the cost is added to your contract or loan will apply to this added amount. The effective date of coverage may be the date your prior coverage lapsed or the date you failed to provide proof of coverage.

The coverage we purchase may be considerably more expensive than insurance you can obtain on your own and may not satisfy any need for property damage coverage or any mandatory liability insurance requirements imposed by applicable law
