NOTE - A creditor of an estate of a decedent who dies intestate and without heirs must receive written authorization from the Director of the Division of State Lands before filing an affidavit pursuant to ORS 114.515. Creditors should become familiar with and comply with this statute before proceeding.

*ORS 114.528 (1) requires small estate affidavits to contain this language. However, since 1988, review of such affidavits has been the responsibility of the Senior and Disabled Services Division, Estate Administration Unit, PO Box 14021, Salem, Oregon 97308. The publisher recommends mailing a copy of the affidavit to that agency instead of to the Adult and Family Services Division.

ORS 114.548 (3) requires that an affiant's or claiming successor's deed executed in the manner required by ORS Chapter 83 be recorded in the deed records of any county in which real property belonging to the decedent is situated.

EXCERPT FROM ORS 114.515: "If the estate consists of personal property having a fair market value of \$50,000 or less, or real property having a fair market value of \$50,000 or less, or a combination of personal property having a fair market value of \$50,000 or less, and real property having a fair market value of \$50,000 or less, not less than 30 days after the death of the decedent, one or more of the claiming successors may file an affidavit with the clerk of the probate court in any county where there is a venue for a proceeding asking the appointment of a personal representative for the estate. The affidavit shall contain the information required by ORS 114.525 ***"
