Loan #:01-0720-001392570-6

A. CONSTRUCTION LOAN AGREEMENT SECURED BY SECURITY INSTRUMENT.

The Security Instrument also secures performance of my obligations under the Construction Loan Agreement. If I am in default under the Construction Loan Agreement, I will also be in default under the Note and Security Instrument, and the Lender shall be entitled to exercise all remedies for default permitted by the Note and/or the Security Instrument. While I am making interest only payments as provided in the first paragraph of Section B below, the Security Instrument shall be considered, for all intents and purposes, to be a "Construction Deed of Trust" (or as applicable, a Construction Mortgage or Deed to Secure Debt).

B. PAYMENT DURING CONSTRUCTION LOAN PERIOD.

Notwithstanding anything to the contrary in the Note or any other document related to my Loan, I will make payments of all accrued interest on the amount of funds actually disbursed by the Lender under the Construction Loan Agreement beginning on the 1st day of October, 1999 and on that day of each of the following 8 calendar months. I will begin making payments of principal and interest as provided in the Note on the 1st day of July, 2000

Notwithstanding the above, if construction of the Improvements has been completed in accordance with the provisions of the Construction Loan Agreement and the loan is fully disbursed prior to the due date of any interest only payment to be made under the immediately preceding paragraph, I will instead begin making payments of principal and interest as provided in the Note on the next Monthly Payment Date if requested to do so by the Lender.

C. SECURITY AGREEMENT.

The Security Instrument shall also constitute a Security Agreement with respect to all fodures and personal property now or hereafter located at the Property and owned by Borrower, and with respect to all plans, permits, contracts, and payment and performance bonds in connection therewith, relating to construction of the improvements on the Property. The Security Agreement shall constitute a fixture filling with respect to any of the foregoing items which are deemed to be fixtures under applicable law. In the event of default, Lender shall have all rights and remedies with respect to such fixtures and personal property as are available under applicable law including, without limitation, the rights and remedies available to a secured party under the Uniform Commercial Code of the State where the Property is located.

D. SALE OR TRANSFER OF PROPERTY DURING CONSTRUCTION LOAN PERIOD.

Any provisions in the Note and Security Instrument which permit me to sell or otherwise transfer the property without paying my loan off in full are inapplicable until construction of the improvements has been completed, the loan has been fully disbursed, and I have commenced making principal and interest payments as provided above.
