(10) To comply with all laws, ordinances, and regulations affecting the property.

(11) To pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the lien and priority hereof and to the enforcement of or the compliance with the provisions hereof and of the note and any supplementary agreement (whether before or after default), including but not limited to costs of evidence of title to and survey of the property, costs of recording this and other instruments, attorneys' fees, trustees' fees, court costs, and expenses of advertising, selling, or conveying the property.

(12) Except as otherwise provided in the Farmers Home Administration regulations, neither the property nor any portion thereof or interest therein shall be leased, assigned, sold, transferred, or encumbered, voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as mortgagee hereinunder, including but not limited to the power to grant consents, partial releases, subordinations, and satisfaction, and no insured holder shall have any right, title or interest

in or to the lien or any benefits hereof. All rents, profits, and income, including any amounts arising out of an agreement by which the Borrower substantially reduces its use of the property in return for payments, are hereby assigned to the Government for the purpose of discharging the debt hereby secured. HOWEVER, any forbearance by the Government-whether once or often-in exercising any right or remedy under this instrument, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

(15) If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, upon the Governments's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby and to pay for any stock necessary to be purchased in a cooperative lending

(19) Borrower agrees that the Government will not be bound by any present or future laws, (a) providing for valuation, appraisal, homestead or exemption of the property, (b) prohibiting maintenance of an action for a deficiency judgement or limiting the amount thereof or the time within which such action may be brought, (c) prescribing any other statute of limitations, (d) allowing any right of redemption or possession following any foreclosure sale, or (e) limiting the conditions which the Government may by regulation impose, including the interest rate it may charge, as a condition of approving a transfer of the property to a new Borrower. (20) If any part of the loan for which this instrument is given shall be used to finance the purchase, construction or repair of property to be used as an owner-occupied dwelling (herein called "the dwelling") and if Borrower intends to sell or rent the dwelling and has obtained the Government's consent to do so (a) neither Borrower nor anyone authorized to act for Borrower will, after receipt of a bona fide offer, refuse to negotiate for the sale or rental of the dwelling or will otherwise make unavailable or deny the dwelling to anyone because of race, color, religion, sex, national origin, age; handicap, or familial status, and (b) Borrower recognizes as illegal and hereby disclaims, and will not comply with or attempt to enforce any restrictive covenants on the dwelling relating to race, color. religion, sex, national origin, age, handicap, or familial status.

(21) Borrower further agrees that the loan(s) secured by this instrument will be in default should any loan proceeds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural

commodity, as further explained in 7 CFR Part 1940, Subpart G, Exhibit M.

(22) This instrument shall be subject to the present regulations of the Farmers Home Administration, and to its future regulations

not inconsistent with the express provisions hereof.

(23) Notices given hereunder shall be sent by certified mail, unless otherwise required by law, addressed, unless and until some other address is designated in a notice so given, in the case of the Government to Farmers Home Administration, United States Department of Agriculture, at the mailing address mentioned above, and in the case of Borrower at the address shown in the Farmers Home Administration Finance Office records (which normally will be the same as the post office address shown above).
