DEED OF TRUST

Line of Credit Instrument

The maximum principal amount to be advanced pursuant to the promissory note (loan agreement) secured by this Deed of Trust is \$ 109,000.00.

THIS DEED OF TRUST ("Security Instrument") is made on January 8, 2000. The grantor is MICHAEL L. MARTIN, AN UNMARRIED INDIVIDUAL

("Borrower"). The trustee is AMERITITLE, a Oregon corporation ("Trustee"). The beneficiary is Washington Mutual Bank, which is organized and existing under the laws of Washington, and whose address is 1201 Third Avenue Seattle, WA 98101 ("Lender"). Borrower owes Lender the principal sum of One Hundred Nine Thousand & 00/100

Dollars (U.S. \$ 109,000.00).

This debt is evidenced by Borrower's note dated the same date as this Security Instrument ("Note"), which provides for monthly payments, with the full debt, if not paid earlier, due and payable on October 1, 2029. This Security Instrument secures to Lender: (a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extensions and modifications of the Note; (b) the payment of all other sums, with interest, advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower irrevocably grants and conveys to Trustee, in trust, with power of sale, the following described property located in Klamath County, Oregon:

PARCEL 2 OF LAND PARTITION 5-97 BEING A PORTION OF PARCEL 2 OF LAND PARTITION 48-95 SITUATED IN BLOCKS 1, 2, 8, 9, 10, 11, 16, 17, 19 AND 20 OF VACATED "WORDEN" IN THE E1/2 SE1/4 OF SECTION 33, TOWNSHIP 40 SOUTH, RANGE 8 EAST OF THE WILLAMETTE MERIDIAN, KLAMATH COUNTY, OREGON.

****RE-RECORDED TO ADD CONDITIONAL RIGHT TO MODIFY MARGIN RIDER**

which has the address of 20150 LE FEVER STREET, KLAMATH FALLS,
Oregon 97601 3 ("Property Address");
(Street) (City) (Zip Code)

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 *et seq.* ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration, and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold and shall cause such notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall give notice of sale in the manner prescribed by applicable law to Borrower and to other persons prescribed by applicable law. After the time required by applicable law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

22. **Reconveyance.** Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty and Lender shall charge Borrower a release fee in an amount allowed by applicable law. Such person or persons shall pay any recordation costs.

23. **Substitute Trustee.** Lender may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.

24. **Attorneys' Fees.** As used in this Security Instrument and in the Note, "attorneys' fees" shall include any attorneys' fees awarded by an appellate court.

25. **Riders to this Security Instrument.** If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument. **ADJUSTABLE RATE RIDER
(12-MTA Index - Rate Caps)**

01-0983-002663128-3
49999-LW

THIS ADJUSTABLE RATE RIDER is made this 8th day of January, 2000, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Washington Mutual Bank (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

20150 LE FEVER STREET, KLAMATH FALLS, OR 97603
Property Address

THIS RIDER CONTAINS PROVISIONS ALLOWING FOR CHANGES IN MY INTEREST RATE AND THE MONTHLY PAYMENT. THE RIDER LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

Interest will be charged on unpaid principal until the full amount of principal has been paid. I will pay interest at a yearly rate of 8.175%. The interest rate I pay will change in accordance with Section 4 of the Note. The interest rate required by Section 2 and Section 4 of the Note is the rate I will pay both before and after any default described in Section 7(B) of the Note.

The Note provides for changes in the interest rate and the monthly payments, as follows:

"4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may further change on the 1st day of January, 2005, and on that day every TWELFTH month thereafter. Each date on which my interest rate could change is called a "Change Date".

1428

1865

01-0983-002663128-3
49999-LW**(B) The Index**

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the Twelve-Month Average, determined as set forth below, of the monthly yields ("Monthly Yields") on actively traded United States Treasury Securities adjusted to a constant maturity of one year as published by the Federal Reserve Board in the Federal Reserve Statistical Release entitled "Selected Interest Rates (G.13)". The Twelve-Month Average is determined by adding together the Monthly Yields for the most recent twelve months and dividing by 12.

The most recent Index figure available as of the date 15 days before each Interest Rate Change Date is called the "Current Index". If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding Three & Four Hundred Twenty-Five-Thousandths percentage points 3.425 % ("Margin") to the Current Index. The Note Holder will then round the result of this addition to the nearest one thousandth of one percentage point (0.001%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date. In the event a new Index is selected, pursuant to paragraph 4(B), a new Margin will be determined. The new Margin will be the difference between the average of the old Index for the most recent three year period which ends on the last date the Index was available plus the Margin on the last date the old Index was available and the average of the new Index for the most recent three year period which ends on that date (or if not available for such three year period, for such time as it is available). This difference will be rounded to the nearest 1/8 of 1%.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

My interest rate will never be increased or decreased on any single Change Date by more than Two percentage point(s) (2.000 %) from the

01-0983-002663128-3
49999-LW

rate of interest I have been paying for the preceding TWELVE months. My interest rate will never be greater than 12.500 % ("Cap").

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

(G) Failure to Make Adjustments

If for any reason Note Holder fails to make an adjustment to the interest rate or payment amount as described in this Note, regardless of any notice requirement, I agree that Note Holder may, upon discovery of such failure, then make the adjustment as if they had been made on time. I also agree not to hold Note Holder responsible for any damages to me which may result from Note Holder's failure to make the adjustment and to let the Note Holder, at its option, apply any excess monies which I may have paid to partial prepayment of unpaid "Principal."

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information

required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument or other obligations related to the Note or other loan document is acceptable to Lender, (c) Assuming party executes Assumption Agreement acceptable to Lender at its sole choice and discretion, which Agreement may include an increase to Cap as set forth below and (d) payment of Assumption Fee if requested by Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption, and Lender may increase the maximum interest rate limit to the higher of the Cap or 5 percentage points greater than the interest rate in effect at the time of the transfer. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender has entered into a written assumption agreement with transferee and formally releases Borrower.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

default under the Note and Security Instrument, and the Lender shall be entitled to exercise all remedies for default permitted by the Note and/or the Security Instrument. While I am making interest only payments as provided in the first paragraph of Section B below, the Security Instrument shall be considered, for all intents and purposes, to be a "Construction Deed of Trust" (or as applicable, a Construction Mortgage or Deed to Secure Debt).

B. PAYMENT DURING CONSTRUCTION LOAN PERIOD.

Notwithstanding anything to the contrary in the Note or any other document related to my Loan, I will make payments of all accrued interest on the amount of funds actually disbursed by the Lender under the Construction Loan Agreement beginning on the 1st day of February, 2000, and on that day of each of the following 8 calendar months. I will begin making payments of principal and interest as provided in the Note on the 1st day of November, 2000.

Notwithstanding the above, if construction of the Improvements has been completed in accordance with the provisions of the Construction Loan Agreement and the loan is fully disbursed prior to the due date of any interest only payment to be made under the immediately preceding paragraph, I will instead begin making payments of principal and interest as provided in the Note on the next Monthly Payment Date if requested to do so by the Lender.

C. SECURITY AGREEMENT.

The Security Instrument shall also constitute a Security Agreement with respect to all fixtures and personal property now or hereafter located at the Property and owned by Borrower, and with respect to all plans, permits, contracts, and payment and performance bonds in connection therewith, relating to construction of the improvements on the Property. The Security Agreement shall constitute a fixture filling with respect to any of the foregoing items which are deemed to be fixtures under applicable law. In the event of default, Lender shall have all rights and remedies with respect to such fixtures and personal property as are available under applicable law including, without limitation, the rights and remedies available to a secured party under the Uniform Commercial Code of the State where the Property is located.

D. SALE OR TRANSFER OF PROPERTY DURING CONSTRUCTION LOAN PERIOD.

Any provisions in the Note and Security Instrument which permit me to sell or otherwise transfer the property without paying my loan off in full are inapplicable until construction of the improvements has been completed, the loan has been fully disbursed, and I have commenced making principal and interest payments as provided above.

**CONDITIONAL RIGHT TO MODIFY MARGIN
RIDER
(12-MTA Index - Rate Caps)**

LOAN NO.: 01-0983-002663128-3

This CONDITIONAL RIGHT TO MODIFY MARGIN RIDER (12-MTA Index - Rate Caps) ("Rider") is made this 8th day of January, 2000 and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower", "I", "me", or "my") to secure Borrower's Adjustable Rate Note (12-MTA Index - Rate Caps) (the "Note") to _____

Washington Mutual Bank
(the "Lender") of the same date and covering the property described in the Security Instrument (the "Property") and located at:

20150 LE FEVER STREET, KLAMATH FALLS, OR 97601 3
(Property Address)

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

1. Conditional Right to Modify Margin

A. General

If the conditions described in Section 1(B) below are fulfilled in all respects, I will be able to exercise an option to reduce the Margin of the Note that is then in effect. The reduction of the Margin is called the "Modification". The effect and the effective date of a Modification is described in Section 1(D) below.

B. Conditions for Making the Modification

The Modification may occur, at my option, but subject to the provisions of this Rider, under either of two separate circumstances.

01-0983-002663128-3

The first type of Modification is where my "Loan to Value Ratio" as of the effective date of the Modification is equal to 80% or less. My Loan to Value Ratio is, in the case of a loan to finance the purchase of the Property, equal to the unpaid principal balance due under the Note divided by the original sales price or appraised value, whichever is lower, of the Property as of the Note Date (as defined below). My Loan to Value Ratio is, in the case of any other loan, equal to the unpaid principal balance due under the Note divided by the original appraised value of the Property as of the Note Date. This type of Modification is called the "80% Modification". Subject to the conditions described below, an 80% Modification may occur once I make a sufficient number of payments on the Note to reduce my Loan to Value Ratio to 80% or less. If I wish the 80% Modification to occur sooner, I may make additional principal payments on the Note or I may make one or more partial prepayments on the Note. An increase in the appraised value of the Property following the Note Date will not result in the 80% Modification occurring any sooner. In order to be eligible for the 80% Modification, I must meet all of the following conditions: (i) I must have made all payments due under the Note and the Security Instrument in full within thirty (30) days of their due dates from the time of the Note Date until the effective date of the 80% Modification, but this condition will not apply for more than the last twelve (12) consecutive payments due under the Note and the Security Instrument prior to the effective date of the 80% Modification; (ii) my Loan to Value Ratio as of the effective date of the 80% Modification must be 80% or less; (iii) I must request the 80% Modification in writing as provided in Section 1(E) below; (iv) I must continue to own and occupy the Property as my residence as of the effective date of the 80% Modification; (v) there must not be any subordinate financing liens on the Property as of the effective date of the 80% Modification; and (vi) I must sign all documentation relating to the 80% Modification or these conditions as may be specified by the Note Holder (as defined below).

The second type of Modification is where the unpaid principal balance due under the Note is reduced to 75% or less of the appraised value of the Property immediately prior to the effective date of the Modification. This type of Modification is called the "75% Modification". Subject to the conditions described below, a 75% Modification may occur as a result of an increase in the appraised value of the Property following the Note Date. In order to be eligible for the 75% Modification, I must meet all of the following conditions: (i) the unpaid principal balance due under the Note must be equal to 75% or less of the appraised value of the Property immediately prior to the effective date of the 75% Modification, as determined exclusively and finally by an appraisal report ("Appraisal Report") performed by an appraiser selected by the Note Holder; (ii) the effective date of the 75% Modification must occur after the twenty-fourth (24th) scheduled payment due date under the Note; (iii) I must request the 75% Modification in

01-0983-002663128-3

writing as provided in Section 1(E) below; (iv) I must have paid to the Note Holder the dollar amount specified by the Note Holder for the preparation of the Appraisal Rreport; (v) I must have made all payments due under the Note and the Security Instrument in full within thirty (30) days of their due dates for at least the last twenty four (24) consecutive payments due under the Note and the Security Instrument prior to the effective date of the 75% Modification; (vi) I must continue to own and occupy the Property as my residence as of the effective date of the 75% Modification; (vii) there must not be any subordinate financing liens on the Property as of the effective date of the 75% Modification; and (viii) I must sign all documentation relating to the 75% Modification or these conditions as may be specified by the Note Holder. If I request a 75% Modification, I will pay to the Note Holder the dollar amount specified by the Note Holder for the preparation of the Appraisal Report whether or not the 75% Modification is made. If I make a subsequent request for a 75% Modification, I will be required to pay for an additional Appraisal Report.

C. Limits on Modification

Either an 80% Modification or a 75% Modification, but not both, may be made with respect to my Note. Only one Modification may be made with respect to my Note. Except as otherwise expressly provided in this Rider or the Note, or as I and the Note Holder may agree in writing, the Note may not be modified.

D. Effect of Modification

If I meet all of the conditions for an 80% Modification or a 75% Modification, the Margin that is otherwise then in effect will be reduced by fifty five hundredths of one percentage point (0.550%), but not to a Margin of less than 0%, effective as of the first (1st) day of the calendar month that first occurs at least fifteen (15) days after the fulfillment of the last of the applicable conditions (as determined by the Note Holder in its sole and absolute discretion), which date is called the "Interim Interest Rate Adjustment Date". Except as provided in the next sentence, on the Interim Interest Rate Adjustment Date, the interest rate I have been paying on the Note immediately prior to the Interim Interest Rate Adjustment Date will be reduced by the same fraction of a percentage point as the Margin is reduced on that day. However, and notwithstanding the preceding sentence, if the Interim Interest Rate Adjustment Date occurs on a day that is an interest rate Change Date under the Note, the interest rate on the Note will be increased or decreased solely in accordance with Section 4 (as modified by this Rider) of the Note, which interest rate adjustment will be made using the reduced Margin described above. The dates for payment changes under the Note will occur solely at the times set forth in the Note, and are unaffected by this Rider. If a Modification is made, my monthly

01-0983-002663128-3

payments may be reduced beginning on the first payment change date that follows the first interest rate Change Date on which the interest rate has been reduced as a result of the reduction in the Margin. However, any reduction in my monthly payments may be offset or limited, in whole or in part, by any of the factors that may offset or limit an interest rate reduction described in Sections 4(B), 4(C), 4(D) (as Section 4(D) is modified by this Rider) and 4(G) of the Note or by the monthly payment adjustment provisions described in Section 4(G) of the Note. Except as provided in this Rider, or as the Note Holder and I may agree in writing, interest rate and payment calculations under the Note will remain as provided in the Note.

E. Notice to Note Holder of Request for Modification

I will request a Modification by sending my request, in writing, to ESCROW DEPARTMENT, P.O. BOX 91006, SEATTLE, WA 98111 or to such other address as may be specified from time to time by the Note Holder. My request must contain my name, the Property address and my loan number, and I must state whether I am requesting an 80% Modification or a 75% Modification. No Modification will be considered or made unless I provide a written request under this Section 1(E). If I make any subsequent request for a Modification, I must once again provide a written request under this Section 1(E).

F. Modification of Section 4(D) of the Note

The first sentence of Section 4(D) of the Note is deleted and is replaced with the following sentence which reads as follows:

"My interest rate will never be increased or decreased on any single Change Date by more than
☐ one percentage points (1.000%)
☐ two percentage points (2.000%)
from the rate of interest I have been paying immediately preceding that Change Date."

2. Interpretation

To the extent that any provisions of this Rider are inconsistent with the provisions of the Security Instrument, including other riders thereto, the provisions of this Rider will prevail over and supersede the inconsistent provisions.

01-0983-002663128-3

I understand that the Lender may transfer the Note and the Security Instrument. The Lender or anyone who takes the Note and Security Instrument by transfer and who is entitled to receive payments under the Note is called the "Note Holder". The date of the Note is called the "Note Date".

All capitalized terms used in this Rider that are not defined in this Rider will have the meanings given for those terms in the Note.

Except as provided in this Rider, or as the Note Holder and I agree in any other rider to the Security Instrument, the Security Instrument will remain in full force and effect.

BY SIGNING BELOW, Borrower accepts and agrees to the provisions of this Rider. Borrower agrees to execute any document requested by the Note Holder from time to time to reform this Rider to accurately reflect the terms of the agreement between Borrower and Note Holder or to replace the Note, Security Instrument or other document if any such document is lost, mutilated or destroyed.
