THIRTY-FIVE THOUSAND AND NO/100 Dollars (\$ 1,035,000.00)

("Obligor")

to the order of or in favor of Beneficiary with the final payment of principal and interest, if not sooner paid, due and payable on MARCH 1, 2010 (the "Debt Instrument"), and any and all modifications, replacements, extensions and renewals thereof, whether hereafter evidenced by the Debt Instrument or otherwise;

(ii) Payment of interest on such sums according to the terms of the Debt Instrument;

(v) Payment of such additional sums as may be hereafter borrowed from Beneficiary by Grantor or Obligor (or guaranteed by Grantor) when evidenced by a promissory note or notes (or guaranty or guaranties, as the case may be) which are by the terms thereof (or by the terms of any other instrument executed by Grantor or Obligor, as the case may be, in connection therewith) secured by this Deed of Trust, together with interest and late charges thereon according to the terms of such promissory note or notes; and

(vi) Performance of such future obligations which Grantor or Obligor may agree to perform for the benefit of Beneficiary when Grantor or Obligor execute a document or documents which recites that such obligations are secured hereby.

This Deed of Trust, the Debt Instrument, the Loan Agreement, if any, and any other instrument or agreement given to evidence or further secure the payment and performance of any obligation secured hereby are hereinafter sometimes collectively referred to as the "Loan Documents".

3. AFFIRMATIVE COVENANTS OF GRANTOR. Grantor hereby agrees as follows:

3.1 Performance of Obligations. To pay, perform, observe and discharge each and every condition, obligation, covenant and agreement for which this Deed of Trust has been given as security as provided above.

3.2 Maintenance, Repair and Alterations. To keep the Trust Estate in good condition and repair; not to remove, demolish or substantially alter any of the Improvements without the prior written consent of Beneficiary; to notify Beneficiary in writing of any material damage or destruction to the Trust Estate or any portion thereof immediately upon Grantor obtaining knowledge of same, whether or not covered by insurance; to complete or restore promptly and in good and workmanlike manner any Improvements which may be constructed, damaged or destroyed on the Property and to pay when due all claims for labor performed and materials furnished therefor; to comply with all laws, ordinances, regulations, covenants, conditions and restrictions (including, without limitation, the directives of any Governmental Agency) now or hereafter affecting the Trust Estate or any part hereof or requiring any alterations, improvements or alterations to be made thereon; not to commit or permit any waste or deterioration of the Trust Estate; to keep and maintain abutting grounds, sidewalks, roads, parking and landscape areas in good and neat order and repair; to perform, in the event all or any portion of the Trust Estate constitutes a leasehold estate, each and every obligation of Grantor under the terms of the agreements creating such leasehold estate; and not commit, suffer or permit any act to be done in or upon the Trust Estate in violation of any law, ordinance or regulation.

3.3 Insurance

3.3.1 Coverage. To keep the Improvements insured at all times against loss or damage by fire with extended coverage, and against any other risk or hazard which, in the opinion of Beneficiary, should be insured against, including, without limitation, earthquake, flood and business interruption, in an amount not less than the full insurable value thereof on a replacement cost basis, with a company or companies and in such form and with such endorsements as may be required by Beneficiary. All such insurance policies shall be endorsed with a standard non-contributory mortgagee clause in favor of Beneficiary. Grantor shall also carry public liability insurance, in such form, amount and with such company or companies as Beneficiary may require from time to time, with Beneficiary included thereon as named insured under a standard mortgagee endorsement clause. The policy or policies evidencing all insurance required hereunder (or certificates of such insurance) and receipts for the payment of premiums thereon shall be delivered to and held by Beneficiary. All such insurance policies may only be canceled or modified upon not less than thirty (30) days' prior written notice to Beneficiary. Grantor shall pay premiums on such insurance as they become due, and shall not permit any condition to exist on or with respect to the Property or the Improvements which would wholly or partially invalidate any insurance thereon.

3.3.2 Application of Proceeds. To pay to Beneficiary promptly upon Grantor's receipt of same, any proceeds received by Grantor under any such insurance policy on account of any damage or destruction to the Improvements. Beneficiary shall have the right to join Grantor in adjusting any loss covered by any such insurance, and all loss under all such insurance shall be payable directly to Beneficiary, and Grantor hereby authorizes and empowers Beneficiary, at Beneficiary's sole option and in Beneficiary's sole discretion as attorney-in-fact for Grantor, to make proof of loss, to adjust and compromise any claim under insurance policies, to appear in and prosecute any action arising from such insurance policies, to collect and receive insurance

proceeds, and to deduct therefrom Beneficiary's expenses incurred in the collection thereof. If Beneficiary elects not to exercise such right, Beneficiary shall be under no obligation to question the amount of any compensation, award, recovery, settlement, proceeds, damages, claims, rights of action or payments received under any policy of insurance on account of any damage or destruction to the Improvements, and may accept the same in the amount paid. In the event of any damage to or destruction of the Improvements, Beneficiary shall have the option, in its sole discretion, to: (i) apply, in the event Beneficiary determines that the security for the repayment of the indebtedness secured hereby has been impaired on account of such damage or destruction, all or any part of such proceeds to any indebtedness secured hereby in such order as Beneficiary may determine, whether or not such indebtedness is then due, (ii) release all or any part of such proceeds to Grantor, or (iii) hold the balance of such proceeds to be used to reimburse Grantor for the cost of reconstruction of the Improvements. In the event Beneficiary elects to so hold such insurance proceeds, the Improvements shall be promptly and diligently restored by Grantor to the equivalent of their condition immediately prior to such damage, destruction or casualty or to such other condition as Beneficiary may approve in writing, and the disbursement of such insurance proceeds shall be in accordance with disbursement procedures acceptable to Beneficiary. If Beneficiary elects to apply the insurance proceeds to the payment of the sums secured hereby, and after doing so Beneficiary reasonably determines that the remaining security is inadequate to secure the remaining indebtedness, Grantor shall, upon written demand from Beneficiary, prepay on principal such amount as will reduce the remaining indebtedness to a balance for which adequate security is present. Moreover, such application shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

3.3.3 Statutory Warning. Unless Grantor provides Beneficiary with evidence of the insurance coverage as required by contract or loan agreement, Beneficiary may purchase insurance at Grantor's expense to protect Beneficiary's interest. This insurance may, but need not, also protect Grantor's interest. If the collateral becomes damaged, the coverage Beneficiary purchases may not pay any claim Grantor makes or any claim made against Grantor. Grantor may later cancel this coverage by providing evidence that Grantor has obtained property coverage elsewhere.

Grantor is responsible for the cost of any insurance purchase by Beneficiary. The cost of this insurance may be added to Grantor's contract or loan balance. If the cost is added to Grantor's contract or loan balance, the interest rate on the underlying contract or loan will apply to this added amount. The effective date of coverage may be the date Grantor's prior coverage lapsed or the date Grantor failed to provide proof of coverage.

The coverage Beneficiary purchases may be considerably more expensive than insurance Grantor can obtain on Grantor's own and may not satisfy any need for property damage coverage or any mandatory liability insurance requirements imposed by applicable law.

3.4 Taxes. To (i) pay at least ten (10) days prior to delinquency, all real property taxes and assessments, general and special, and all other taxes, assessments and charges of any kind or nature whatsoever, which are imposed upon, assessed against or affect the Trust Estate or any part thereof, (ii) pay when due all encumbrances, charges or liens of any kind or nature whatsoever, which create or may create a lien upon the Trust Estate or any part thereof or any interest therein, whether prior and superior or subject and subordinate to the lien hereof, and (iii) deliver, upon Beneficiary's request, to Beneficiary, within ten (10) days after the date upon which any such tax, assessment, encumbrance, charge or lien is due and payable by Grantor, official receipts of the appropriate taxing authority (or other proof satisfactory to Beneficiary) evidencing the payment thereof.

3.5 Condemnation. Grantor, upon obtaining knowledge of the institution of any proceedings for the condemnation of the Trust Estate or any portion thereof, shall immediately notify Beneficiary of such fact in writing. Beneficiary shall have the right, but not the obligation, to participate in any such proceedings, to control same and to be represented therein by counsel of its choice at Grantor's expense, and Grantor shall deliver, or cause to be delivered, to Beneficiary such instruments as may be requested by it from time to time to permit such participation. All compensation, awards, recoveries, settlement, proceeds, damages, claims, rights of action and payments to which Grantor may become entitled to on account of such proceedings shall be paid to Beneficiary. Any sums so collected by Beneficiary shall first be applied to reimburse Trustee and Beneficiary for all costs and expenses, including reasonable attorneys' fees, incurred in connection with the collection of such sums, and the balance shall be applied, in the event Beneficiary determines that the security for the repayment of the indebtedness secured hereby has been impaired on account of such condemnation, to any indebtedness secured hereby in such order as Beneficiary may determine, whether or not such indebtedness is then due. Any surplus remaining after payment and satisfaction of any indebtedness secured hereby shall be paid to Grantor as

its interest may then appear. If Beneficiary elects to apply the condemnation proceeds to the payment of the sums secured hereby, and after doing so Beneficiary reasonably determines that the remaining security is inadequate to secure the remaining indebtedness, Grantor shall, upon written demand from Beneficiary, prepay on principal such amount as will reduce the remaining indebtedness to a balance for which adequate security is present. Such application shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice. Beneficiary shall be under no obligation to question the amount of any compensation, awards, recoveries, settlement, proceeds, damages, claims, rights of action or payments received in any such condemnation proceeding, and may accept the same in the amount paid.

3.6 CC&R's. To promptly and completely observe, perform and discharge each and every condition, obligation, covenant and agreement affecting the Property, whether the same is prior and superior or subject and subordinate hereto, including, without limitation, if the Property is or will be a condominium, community apartment or part of a planned development project, each and every provision to be performed by Grantor under any Declaration of Covenants, Conditions and Restrictions pertaining thereto.

3.7 Actions Affecting Trust Estate. To appear in and defend, at Grantor's expense, any action or proceeding purporting to affect the Trust Estate, the security hereof or the rights or powers of Beneficiary or Trustee hereunder; and to pay all costs and expenses incurred by Beneficiary or Trustee, including attorneys' fees, in any such action or proceeding in which Beneficiary or Trustee may appear and in any suit brought by Beneficiary to foreclose this Deed of Trust or to exercise the power of sale hereunder.

3.8 Actions by Beneficiary to Preserve Trust Estate. Should Grantor fail to perform any of its obligations under this Deed of Trust, then Beneficiary, in its discretion, without obligation to do so and without notice to or demand upon Grantor and without releasing Grantor from any obligation hereunder, may make or do the same. In connection therewith, and without limiting its general powers, Beneficiary shall have and is hereby given the right, but not the obligation: (i) to enter upon and take possession of the Trust Estate or any part thereof, (ii) to make additions, alterations, repairs and improvements to the Trust Estate or any part thereof which Beneficiary may consider necessary or proper to keep the Trust Estate in good condition and repair, (iii) to commence, maintain, appear and participate in any action or proceeding affecting or which may affect, or which is necessary to protect, the security hereof or the rights or powers of Beneficiary or Trustee hereunder, (iv) to pay, purchase, contest or compromise any encumbrance, claim, charge or lien which in the judgment of Beneficiary may affect or appears to affect the security of this Deed of Trust or which create or may create a lien upon the Trust Estate or any part thereof or interest therein, whether prior and superior or subject and subordinate to the lien hereof, and (v) in exercising such powers, to pay necessary expenses incurred in connection therewith, to employ counsel and other consultants, and to pay such counsel's or consultants' fees and expenses. Immediately upon demand therefor by Beneficiary, Grantor shall pay all costs and expenses incurred by Beneficiary in connection with the exercise by Beneficiary of the foregoing rights, together with interest thereon according to the terms of the Debt Instrument, and all such sums shall be secured by this Deed of Trust.

3.9 Inspections. Beneficiary, through its agents, representatives or employees, is authorized to enter at any reasonable time upon or in any part of the Trust Estate for the purpose of (i) inspecting same, and (ii) performing any of the acts it is authorized to perform hereunder or under the terms of any of the Loan Documents.

3.10 Books and Records. Grantor shall keep and maintain, or cause to be kept and maintained, proper and accurate books, records and accounts of the Trust Estate and of its own financial affairs to permit the preparation of financial statements therefrom. Beneficiary, through its agents, representative or employees, shall have the right, from time to time, at any time and at all times, during normal business hours, to examine, copy and audit such books, records and accounts. If the Trust Estate is at any time used for commercial or residential income purposes, Grantor shall deliver to Beneficiary, upon request, certified financial statements and profit-and-loss statements for Grantor and the Trust Estate prepared in accordance with generally accepted accounting principles.

3.11 Personal Property. Grantor shall not remove from the Property any Personal Property (as defined in Section 6 below) except in the ordinary course of business and then only if such removed property is replaced with similar property of comparable quality.

4. NEGATIVE COVENANTS OF GRANTOR. Grantor hereby agrees as follows:

4.1 Other Financing. Grantor shall not create or permit to continue in existence any mortgage, pledge, security interest, lien, charge or encumbrance of any kind upon the Trust Estate or any part thereof or any interest therein except for (i) the lien of this Deed of Trust, (ii) liens for taxes and assessments not yet delinquent, and (iii) such other liens or charges as are specifically approved in writing by Beneficiary. Grantor shall, at Grantor's expense, take all action necessary to promptly secure releases of all liens and encumbrances which in the opinion of Beneficiary are or may be prior and superior to Beneficiary's security interest.

4.2 Transfers

4.2.1 Transfer of Property. Grantor shall not, directly or indirectly, sell, convey, assign, further encumber, transfer, alienate or otherwise dispose of the Trust Estate or any part thereof or any interest therein, including, without limitation, air rights or development rights, whether voluntarily, involuntarily, by operation of law or otherwise, or lease all or any portion thereof or an undivided interest therein, or enter into an agreement so to do, without the prior written consent of Beneficiary.

4.2.2 Transfer of Beneficial Interest. Without limiting the provisions of Section 4.2.1 above, the occurrence of any of the following events, without Beneficiary's prior written consent, shall be deemed to constitute an unpermitted transfer of the Trust Estate: if Grantor is a closely-held corporation, trust, partnership, limited liability company or joint venture, the issuance, sale, conveyance, transfer, disposition or encumbering, or the entering into of any agreement to accomplish any thereof, with respect to more than ten percent (10%) in the aggregate at any time or over time of any class of the currently issued and outstanding stock of or membership interest in Grantor, if a closely-held corporation or limited liability company, or of the beneficial interest of Grantor, if a trust, partnership or joint venture, or a change of any general partner or joint venturer of Grantor, if a partnership or joint venture, either voluntarily, involuntarily, by operation of law or otherwise. For purposes of this Section 4.2.2, "closely-held corporation" shall mean any corporation not listed on a national or regional stock exchange.

4.2.3 Transfer of Duties. Grantor shall not transfer or delegate the duties of managing the Property under any management agreement, if any, to any person, firm, corporation, partnership or other entity without the prior written consent of Beneficiary.

Any consent by Beneficiary permitting a transaction otherwise prohibited under Sections 4.2.1, 4.2.2 and 4.2.3 above shall not constitute a consent to or waiver of any right of Beneficiary to withhold its consent on any subsequent occasion to a transaction not otherwise permitted by the provisions hereof.

5. ASSIGNMENT OF RENTS AND PERFORMANCE OF LEASES

5.1 Assignment of Rents and Leases. Grantor hereby irrevocably absolutely and unconditionally assigns and transfers to Beneficiary all of Grantor's right, title and interest in and to the Leases and the Rents; provided, however, that so long as no Event of Default (as defined in Section 7.1 below) has occurred and is continuing, Grantor shall have the right under a license granted hereby to collect and receive all Rents as trustee for the benefit of Beneficiary and to apply the amounts so collected first to the payment of the indebtedness secured hereby and then to the payment of all other sums payable hereunder. Thereafter, so long as no Event of Default has occurred, the balance may be distributed to Grantor. If an Event of Default has occurred and is continuing, Grantor's right to collect and receive the Rents under the license granted hereby shall cease and the license shall be revoked automatically and, pursuant to Section 7.2.1 hereof, Beneficiary shall have the sole right, with or without taking possession of the Property, to collect all Rents. This is an absolute assignment and not an assignment for security only.

5.2 Negative Covenants Regarding Leases. Grantor shall not, without the prior written consent of Beneficiary, (i) cancel, terminate or consent to the surrender of any Lease, (ii) modify or in any way alter the terms of any Lease, (iii) release any lessee or guarantor from any obligations or conditions to be performed by any lessee or guarantor under any Lease, (iv) collect any rent from any lessee for a period of more than one (1) month in advance, or (v) execute any further assignment of any of its right, title and interest in the Leases and the Rents without the prior written consent of Beneficiary.

5.3 Affirmative Covenants Regarding Leases. Grantor shall (i) observe, perform and discharge each and every obligation, term, covenant, condition and agreement of Grantor under the Leases, (ii) enforce the performance of each and every obligation, term, covenant, condition and agreement in the Leases to be performed by any lessee or guarantor thereof, (iii) keep the Property and the Improvements leased at a good and sufficient rental and on such other terms and conditions as are reasonably acceptable to Beneficiary, (iv) execute and deliver to Beneficiary upon demand, at any time and from time to time, any and all assignments and other instruments which Beneficiary may deem advisable to carry out the true purposes and intent of the assignment set forth in Section 5.1 above, and (v) at the request of Beneficiary, to cause any or all tenants under a Lease to execute a Subordination, Nondisturbance and Attornment Agreement in form and substance satisfactory to Beneficiary.

6. SECURITY AGREEMENT. This Deed of Trust shall constitute a security agreement as that term is used in the Uniform Commercial Code of Oregon (the "UCC") and Grantor hereby grants to Beneficiary, as additional collateral for the Secured Obligations, a security interest in all of the property described in Section 1 of this Deed of Trust which may be personal property (collectively, the "Personal Property"). Grantor shall procure any documents, including, without limitation, mortgagee or landlord waivers or subordination agreements, in form and substance satisfactory to Beneficiary, with respect to any and all Personal Property (or fixtures which are a part of the Trust Estate), deliver to Beneficiary any instrument, mark any chattel paper, give any notice and take any other actions which are necessary or desirable to perfect or to continue the perfection and first priority of the security interest created hereunder, or to protect the Personal Property or fixtures against the rights, claims or interests of third parties, and to pay all costs incurred in connection therewith. Grantor hereby appoints Beneficiary as Grantor's true attorney-in-fact, coupled with an interest, to perform (but without any obligation to do so) any of the foregoing acts should Grantor fail to do so, irrevocable until such time as the Secured Obligations have been indefeasibly satisfied, to be exercised from time to time and at any time by Beneficiary following an Event of Default hereunder. Notwithstanding anything to the contrary contained in this Deed of Trust, Grantor agrees that Beneficiary is, and shall be deemed to be, the "secured party" as that term is defined in the UCC, and Beneficiary shall have all of the rights and remedies of a secured party under the UCC as well as any and all other rights and remedies available at law or in equity. Grantor, upon demand of Beneficiary, shall assemble the Personal Property and make it available to Beneficiary at the Property or a place which is reasonably convenient to Beneficiary, and Beneficiary's expense in retaking, holding, preparing for sale, selling or the like shall be borne by Grantor, such expenses to include Beneficiary's and Trustee's attorneys' fees incurred in connection therewith.

7. EVENTS OF DEFAULT AND REMEDIES

7.1 Events of Default. Any of the following events shall, at Beneficiary's option, constitute an event of default (an "Event of Default") hereunder:

7.1.1 Failure to Pay. The failure of Grantor or Obligor to pay when due any installment of principal or interest under the Debt Instrument or any other sum as provided in any Loan Document or any other instrument or agreement secured hereby, whether at maturity, by acceleration or as part of a prepayment or otherwise;

7.1.2 Failure to Perform. The failure of Grantor or Obligor to promptly and completely observe or perform any term, condition, covenant, agreement or obligation contained in this Deed of Trust, any other Loan Document or any other instrument or agreement secured hereby, and the continuation of such failure following the expiration of any applicable notice, cure or grace period, if any, provided for therein or herein;

7.1.3 Failure to Comply. The failure of Grantor to comply with any term, condition, covenant, agreement, law, ordinance or regulation now or hereafter affecting the Trust Estate or any part thereof; or

7.1.4 Other Defaults. The occurrence of any "default" or "event of default" under any of the other Loan Documents (as defined therein) or any other instrument or agreement secured hereby.

7.2 Remedies. Upon the occurrence of any Event of Default, Beneficiary may, at its option, declare all indebtedness secured hereby, and the same shall thereupon become, immediately due and payable without any presentment, demand, protest or notice of any kind. Thereafter, Beneficiary may, at its option:

7.2.1 Termination of License. Terminate Grantor's right and license to collect the Rents, and either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court and without regard to the adequacy of its security, enter upon and take possession of the Trust Estate or any part thereof, in its own name or in the name of Trustee, and do any acts which it deems necessary or desirable to preserve the value, marketability or rentability of the Trust Estate, or any part thereof or interest therein, make, modify, enforce, cancel or accept the surrender of any Lease, increase the income therefrom or protect the security hereof and, with or without taking possession of the Trust Estate, sue for or otherwise collect the Rents, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including, without limitation, attorneys' fees, upon any indebtedness secured hereby, all in such order as Beneficiary may determine. The entering upon and taking possession of the Trust Estate, the collection of such Rents and the application thereof as aforesaid, or any of such acts, shall not cure or waive any default or notice of default hereunder or invalidate any act done in response to such default or pursuant to such notice of default and, notwithstanding the continuance in possession of all or any portion of the Trust Estate or the collection, receipt and application of Rents, Trustee or Beneficiary shall be entitled to exercise every right provided for in any of the Loan Documents or by law upon occurrence of any Event of Default, including the right to exercise the power of sale. Failure of beneficiary at any time, or from time to time, to collect the Rents shall not in any manner affect the subsequent enforcement of Beneficiary of the right to collect the same.

7.2.2 Appointment of Receiver. As a matter of right and without notice to Grantor or anyone claiming under Grantor, and without regard to the then value of the Trust Estate or the interest of Grantor therein, to apply to any court having jurisdiction to appoint a receiver or receivers of the Trust Estate, and Grantor hereby irrevocably consents to such appointment and waives notice of any application therefor. Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases and all the powers and duties of Beneficiary in case of entry as provided in this Deed of Trust and shall continue as such and exercise all such powers until the later of (i) the date of confirmation of sale of the Trust Estate, (ii) the disbursement of all proceeds of the Trust Estate collected by such receiver and the payment of all expenses incurred in connection therewith, and (iii) the termination of such receivership with the consent of Beneficiary or pursuant to an order by a court of competent jurisdiction.

7.2.3 UCC Remedies. Exercise any and all remedies available to a secured party under the UCC in such order and in such manner as Beneficiary, in its sole discretion, may determine; provided, however, that the expenses of retaking, holding, preparing for sale or the like, shall include reasonable attorneys' fees and other expenses of Beneficiary and Trustee and be secured by this Deed of Trust.

7.2.4 Judicial Foreclosure of Deed of Trust. Commence an action to foreclose this Deed of Trust as a mortgage, or specifically enforce any of the covenants hereof.

7.2.5 Power of Sale. Deliver to Trustee a written declaration of default and demand for sale, and a written notice of default and election to cause Grantor's interest in the Trust Estate or any portion thereof to be sold, which notice Trustee or Beneficiary shall cause to be duly filed for record in the Official Records of the County in which the Trust Estate is located.

7.2.5.1 Upon receipt of such notice from Beneficiary, Trustee shall cause to be recorded, published and/or delivered to Grantor such Notice of Default and Election to Sell as then required by law and by this Deed of Trust. Trustee shall, without demand on Grantor or Obligor, after lapse of such time as may then be required by law and after recordation of such Notice of Default and after Notice of Sale having been given as required by law, sell the Trust Estate at the time and place of sale fixed by it in said Notice of Sale, either as a whole, or in separate lots or parcels or items as Beneficiary shall deem expedient, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States payable at the time of sale. Grantor hereby expressly waives any right which it may have to direct the order in which any of the Trust Estate may be sold when it consists of more than one lot or parcel, and such order of sale, whether in a single sale or in multiple sales held on different days or at different times, shall be at the sole discretion of Beneficiary. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matter or facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Grantor, Trustee or Beneficiary, may purchase at such sale.

7.2.5.2 After deducting all costs, fees and expenses of Trustee and of this Deed of Trust, including costs of evidence of title and attorneys' fees of Trustee and Beneficiary in connection with such sale, Trustee shall apply, in the following priority, the proceeds of sale to payment of: (i) first, all sums expended under the terms hereof, not then repaid, with interest thereon according to the terms of the Debt Instrument, (ii) second, all other sums then secured hereby, in such order of priority and in such proportion as Beneficiary in its sole discretion may elect, and (iii) the remainder, if any, to the person or persons legally entitled thereto.

7.2.5.3 Subject to applicable law, Trustee may postpone the sale of all or any portion of the Trust Estate by public announcement at the time and place of such sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement or subsequently noticed sale, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new notice of sale.

7.2.6 Other Remedies. Exercise all other rights and remedies provided herein, in any Loan Document or other document or agreement now or hereafter securing all or any portion of the obligations secured hereby, or provided by law.

Upon the occurrence of an Event of Default hereunder, Beneficiary may proceed in any sequence to exercise its rights hereunder with respect to all or any portion of the Trust Estate and all or any portion of the Personal Property, and to exercise its rights under Section 6 hereof with respect to all or any portion of the Personal Property in accordance with the provisions of the UCC.

7.3 Remedies Not Exclusive; Waiver. No remedy herein conferred upon or reserved to Trustee or Beneficiary is intended to be exclusive of any other remedy herein or by law provided or permitted, but each shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. Every power or remedy given by any of the Loan Documents to Trustee or

Beneficiary, or to which either of them may be otherwise entitled, may be exercised concurrently or independently, from time to time and as often as may be deemed expedient by Trustee or Beneficiary. If there exists additional security for the obligations secured hereby, Beneficiary, at its sole option, and without limiting or affecting any of the rights or remedies hereunder, may exercise any of the rights or remedies to which it may be entitled hereunder either concurrently with whatever rights it may have in connection with such other security or in such order and in such manner as Beneficiary may deem fit without waiving any rights with respect to such other security.

8. NONBORROWER GRANTOR

8.1 Authority of Beneficiary. If any Grantor is not an obligor under the Debt Instrument (hereinafter, "Nonborrower Grantor"), Nonborrower Grantor hereby authorizes Beneficiary to perform any of the following acts at any time and from time to time, all without notice to Nonborrower Grantor and without affecting Beneficiary's rights or Nonborrower Grantor's obligations under this Deed of Trust: (i) alter any terms of the Debt Instrument or any part of it, including renewing, compromising, extending or accelerating, or otherwise changing the time for payment of, or increasing or decreasing the rate of interest on, the Debt Instrument or any part of it, (ii) take and hold security for the Debt Instrument, accept additional or substituted security for the Debt Instrument, and subordinate, exchange, enforce, waive, release, compromise, fail to perfect, sell or otherwise dispose of any such security, (iii) apply any security now or later held for the Debt Instrument in any order that Beneficiary in its sole discretion may choose, and direct the order and manner of any sale of all or any part of it and bid at any such sale, (iv) release Obligor of its liability for the Debt Instrument or any part of it, and (v) substitute, add or release any one or more guarantors or endorsers of the Debt Instrument.

8.2 Waivers of Nonborrower Grantor. Nonborrower Grantor hereby waives: (i) any right it may have to require Beneficiary to proceed against Obligor, proceed against or exhaust any security held from Obligor, or pursue any other remedy in Beneficiary's power to pursue, (ii) any defense based on any legal disability of Obligor, any discharge or limitation of the liability of Obligor to Beneficiary, whether consensual or arising by operation of law or any bankruptcy reorganization, receivership, insolvency, or debtor-relief proceeding, or from any other cause, or any claim that Nonborrower Grantor's obligations exceed or are more burdensome than those of Obligor, (iii) all presentments, demands for performance, notices of nonperformance, protests, notice of protest, notices of dishonor, notices of acceptance of this Deed of Trust and of the existence, creation or incurring of new or additional indebtedness of Obligor, and demands and notices of every kind, (iv) any defense based on or arising out of any defense that Obligor may have to the payment or performance of the Secured Obligations or any part thereof, and (v) all rights of subrogation, reimbursement, indemnification and contribution (contractual, statutory or otherwise), including any claim or right of subrogation under the Bankruptcy Code (Title 11 of the U.S. Code) or any successor statute, all rights to enforce any remedy that the Beneficiary may have against Obligor, and all rights to participate in any security now or later held by Beneficiary for the Debt Instrument. Nonborrower Grantor understands that if Beneficiary forecloses by trustee's sale on any other deed of trust (other than this Deed of Trust) securing the Secured Obligations, Nonborrower Grantor would then have a defense preventing Beneficiary from thereafter enforcing Beneficiary's right and remedies against the Trust Estate. This defense arises because the trustee's sale under such other deed of trust would eliminate Nonborrower Grantor's right of subrogation, and therefore Nonborrower Grantor would be unable to obtain reimbursement from Obligor. Nonborrower Grantor specifically waives this defense and all rights and defenses that Nonborrower Grantor may have because the Secured Obligations are secured by real property. This means, among other things: (1) Beneficiary may exercise any rights or remedies which Beneficiary has or may have against the Trust Estate without first foreclosing on any real or personal property collateral pledged by Obligor; and (2) if Beneficiary forecloses on any real property collateral pledged by Obligor: (A) the amount of the Secured Obligations may be reduced only by the price for which the collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price; and (B) Beneficiary may exercise its rights and remedies against the Trust Estate even if Beneficiary, by foreclosing on any real property collateral pledged by Obligor, has destroyed any right Nonborrower Grantor may have to collect from Obligor. This is an unconditional and irrevocable waiver of any rights and defenses Nonborrower Grantor may have because the Secured Obligations are secured by real property.

8.3 Obligor's Financial Condition. Nonborrower Grantor assumes full responsibility for keeping informed of Obligor's financial condition and business operations and all other circumstances affecting Obligor's ability to pay and perform its obligations to Beneficiary, and agrees that Beneficiary shall have no duty to disclose to Nonborrower Grantor any information which Beneficiary may receive about Obligor's financial condition, business operations or any other circumstance bearing on Obligor's ability to perform.

8.4 Dispute Resolution. This Deed of Trust hereby incorporates any alternative dispute resolution agreement previously, concurrently or hereafter executed between Nonborrower Grantor and Beneficiary.

For purposes of this Section 8, all references to the Debt Instrument shall also include any instrument or

agreement executed by Obligor currently with or subsequent to the date of this Deed of Trust which is secured by this Deed of Trust in accordance with the terms hereof.

9. SITE VISITS, OBSERVATION AND TESTING. Beneficiary shall have the right at any time to enter upon the Property for the purposes of performing appraisals, observing the condition thereof, taking and removing soil or groundwater samples, and conducting tests on any part thereof. Beneficiary shall have no obligation or duty to so, however, and no site visit, observation or testing by Beneficiary shall impose any liability on Beneficiary. In no event shall any site visit, observation or testing by Beneficiary be a representation that Hazardous Substances (as hereinafter defined) are or are not present in, on or under the Property, or that there has been or shall be compliance with any law, regulation or ordinance pertaining to Hazardous Substances or any other applicable governmental law. Neither Grantor nor any other party is entitled to rely on any site visit, observation or testing by Beneficiary. Beneficiary owes no duty of care to protect Grantor or any other party against, or to inform Grantor or any other party of, any Hazardous Substances or any other adverse condition affecting the Property. Beneficiary shall (i) give Grantor reasonable notice to avoid interfering with Grantor's use of the Property in exercising any rights provided for in this Section, and (ii) reimburse Grantor for the cost of repair of any physical injury to the Property caused by Beneficiary in exercising such rights. For purposes of this Section, "Hazardous Substance" means any substance, material or waste which is or becomes designated, classified or regulated as being "toxic" or "hazardous" or which is or becomes similarly designated, classified or regulated under any federal, state or local law, regulation or ordinance.

10. MISCELLANEOUS

10.1 Governing Law. This Deed of Trust is to be governed and construed in accordance with the laws of the State of Oregon and federal law as applicable, except that with respect to any portion of the Property located outside of the State of Oregon, the laws of the state in which such property is located (and federal law as applicable) shall be applicable hereto but only to the extent required for Trustee or Beneficiary to enforce or realize upon the rights and remedies hereunder with respect thereto.

10.2 Severability. In the event any one or more of the provisions contained in this Deed of Trust, in the Debt Instrument or in any of the other Loan Documents shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability will not affect any other provision of this Deed of Trust, but this Deed of Trust shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein or therein.

10.3 Amendment. This Deed of Trust cannot be modified, waived, discharged or terminated orally, but only by a written instrument signed by the party against whom enforcement of the modification, waiver, discharge or termination is asserted.

10.4 Waiver of Remedies. By accepting payment of any amount secured hereby after its due date, or an amount which is less than the amount then due, or the performance of any obligation required hereunder after the date required for such performance, Beneficiary does not waive its rights either to require prompt payment or performance when due of all other amounts or obligations so secured, or to declare a default as herein provided for the failure to so pay or perform.

10.5 No Implied Waiver. No waiver by Beneficiary of any default or breach by Grantor hereunder shall be implied from any omission by Beneficiary to take action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default identified in the waiver and such waiver shall be operative only for the time and to the extent therein stated. Waivers of any covenant, term or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition. The consent or approval by Beneficiary to or of any act by Grantor requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act. No delay or omission of Trustee or Beneficiary in the exercising of any right or remedy available upon an Event of Default shall impair such right or remedy or any other right or remedy nor shall the same be construed to be a waiver of any Event of Default or any acquiescence therein, and no custom or practice which may develop between Grantor and Beneficiary during the term hereof shall be deemed a waiver of or any way affect the right of Beneficiary to insist upon the performance by Grantor of the obligations secured hereby in strict accordance with the terms hereof or of any other Loan Document.

10.6 Full Reconveyance. Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed of Trust and the Debt Instrument to Trustee for cancellation and retention and upon payment by Grantor of Trustee's fees, Trustee shall reconvey to Grantor, or the person or persons legally entitled thereto, without warranty, any portion of the Trust Estate then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in any reconveyance may be described as "the person or persons legally entitled thereto."

10.7 Partial Reconveyance. Upon written request of Grantor, Beneficiary shall cause Trustee to reconvey the lien of this Deed of Trust from any legal lot or parcel encumbered hereby upon satisfaction of each and every condition precedent to such partial reconveyance set forth in the Loan Agreement, if any, or in any agreement between Grantor and Beneficiary providing for such partial reconveyance.

10.8 Notices. Whenever Beneficiary, Grantor or Trustee shall desire to give or serve any notice, demand, request or other communication with respect to this Deed of Trust, each such notice, demand, request or other communication (including communications by telegraph, telex or telecommunication facilities providing facsimile transmission) shall be in writing and shall be effective only if the same is delivered by personal service, mailed (postage prepaid, return receipt requested), or telegraphed, telexed or transmitted addressed to the address set forth above. Any such notice if so mailed shall be deemed to have been received by the addressee on the third day following the date of such mailing. Any party may at any time change its address for such notices by delivering or mailing to the other parties hereto, as aforesaid, a notice of such change.

10.9 Acceptance by Trustee. Trustee accepts this trust when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law.

10.10 Certain Actions of Trustee. At any time or from time to time without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and the Debt Instrument for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby or the effect of this Deed of Trust upon the remainder of the Trust Estate, Trustee may (i) reconvey any part of the Trust Estate, (ii) consent in writing to the making of any map or plat thereof, (iii) join in granting any easement thereon, or (iv) join in any extension agreement or any agreement subordinating the lien or charge hereof.

10.11 Statements by Grantor. Grantor, upon ten (10) days' written request from Beneficiary, shall furnish a statement of the amount due or outstanding on the Debt Instrument, a statement of any offsets, counterclaims or defenses to the payment thereof and an annual statement covering the operations of the Property.

10.12 Successor Trustee. Beneficiary acting alone may, from time to time, by written instrument executed and acknowledged by Beneficiary, mailed to Grantor and recorded in the County in which the Trust Estate is located, substitute a successor or successors to the Trustee named herein or acting hereunder.

10.13 Loan Statement Fees. Grantor shall pay to Beneficiary for each statement of Beneficiary regarding the obligations secured hereby which is furnished at Grantor's request, the maximum fee allowed by law, or if there be no maximum fee, then such reasonable fee as is charged by Beneficiary as of the time said statement is furnished.

10.14 Successors and Assigns. This Deed of Trust applies to and shall be binding on and enure to the benefit of all parties to this Deed of Trust and their respective successors and assigns.

10.15 Interpretation. In this Deed of Trust, whenever the context so requires, the masculine gender shall include the feminine and/or neuter and the singular number shall include the plural and conversely in each case. The word "include(s)" means "include(s) without limitation," and the word "including" means "including, but not limited to." No listing of specific instances, items or matters shall in any way limit the scope or generality of any language in this Deed of Trust.

10.16 Joint and Several Liability. All obligations of each Grantor hereunder shall be joint and several.

10.17 Headings. Headings are for convenience only and are not intended as a limitation on the content of the paragraph following or as an aid to the construction thereof.

10.18 Waiver. To the fullest extent permitted by law, Grantor waives the pleading of any statute of limitations as a defense to any and all obligations secured by this Deed of Trust.

10.19 Merger. No merger shall occur as a result of Beneficiary's acquiring any other estate in or any other lien on the Trust Estate unless Beneficiary consents to such merger in writing.

10.20 In-House Counsel Fees. Whenever Grantor is obligated to pay or reimburse Beneficiary or Trustee for any attorneys' fees, those fees shall include the allocated cost for the services of in-house counsel.

10.21 Request for Notice. Grantor hereby requests that a copy of any notice of default and any notice of sale hereunder be mailed to it at the address set forth below or at such other address as Grantor may designate pursuant to Section 10.8 above. That address is also the mailing address of Grantor as debtor under the UCC. Beneficiary's address given below is the address for Beneficiary as secured party under the UCC.

10.22 Fixture Filing. This Deed of Trust constitutes a financing statement filed as a fixture filing pursuant to ORS Section 79.3130, as amended or recodified from time to time, covering any portion of the Trust Estate which now is or later may become a fixture attached to the Property or any Improvement.

Grantor has caused this Deed of Trust to be executed as of the day and year first above written.

UNDER OREGON LAW, MOST AGREEMENTS, PROMISES, AND COMMITMENTS MADE BY BENEFICIARY AFTER OCTOBER 3, 1989, CONCERNING LOANS AND OTHER CREDIT EXTENSIONS WHICH ARE NOT FOR PERSONAL, FAMILY OR HOUSEHOLD PURPOSES OR SECURED SOLELY BY GRANTOR'S RESIDENCE MUST BE IN WRITING, EXPRESS CONSIDERATION, AND BE SIGNED BY BENEFICIARY TO BE ENFORCEABLE.
