(2) Said lands do not have reasonable access to the system of irrigation works of the district, or have been permanently devoted to uses other than agriculture, horticulture, viticulture or grazing, or are subject to being irrigated from another source or, it is in the best interest of KID to exclude said land from assessment and from the benefits of the District.

(6) Landowners do hereby absolve, waive and release both KID and the United States from any and all claims of liability

with the ownership, operation or maintenance of the Klamath Project.

(7) Landowners understand and agree that should they desire to be included in KID in the future, if such inclusion is possible, that before such request will be granted, Landowners will be required as a condition thereof to pay all assessments that have been exempted by this Agreement, plus the amount of all interest which would have been chargeable for nonpayment of such assessments if they had not been exempted by this Agreement.

(8) Landowners' representations, warranties, covenants, and agreements herein set forth are covenants running with Landowners' said land and each and every part and parcel thereof in perpetuity, forever binding the same for the use and benefit of KID and the United States of America, and their respective successors, grantees, transferees and assigns.

(9) Landowners do hereby acknowledge that they have read all of the foregoing instrument and consent and agree to each of the representations, warranties, covenants, and agreements contained herein.
