SUBJECT: Statement of Fact of Use

JNS Disposal Lagoons

CUP # 80-16

This site was used from 1/5/81 to 4/1/99 for septic waste disposal. In 1999 dumping was stopped and sludge was removed & air dried and the liquid evaporated. Dirt from excavation was placed in pond leaving ground back to original grade & slope. Dried sludge was then spread over the pond area at a depth of 3 to 5 inches. Dry land pasture mix seed was planted and project completed. The entire project covered 1-1/8 of an acre of the 10 acre permit area.

That real property described as the parcel of land, approximately 10 acres, within a 40 acre parcel and generally located east of Lower Lake Road, approximately two miles south of Crossroad, and more particularly described as being in the NE 1/4 of the NE 1/4 of Section 17, Township 40, Range 9, being Tax Lot 117-1, Klamath County, Oregon.
