NOTICE OF ENCROACHMENT

I, Frank Erickson, Acting District Ranger of the Klamath Ranger District, Winema National Forest, USDA-FS, hereby certify that on October 13, 2000, qualified employees under my supervision and direction made a personal inspection and examination of that certain National Forest System land described as the SW1/4NW1/4, Section 3, T. 36 S., R. 6 E., W.M., Klamath County, State of Oregon and found that said parcel is being encroached upon by a wood pile, portion of a back porch and other debris, and that said facilities are unauthorized uses of National Forest System lands. This encroachment was identified as a result of verification of survey number ROS 4624, of the aforesaid lands dated February, 1988, and on file in the Klamath County records.

It appears that the person or persons responsible for the encroachment on the above described land without authority is the owner of record of Tax lots R-3606-003BD-02200-000, R-3606-003BD-02300-000 and R-3306-003BD-02400-000 located at 26730, 26622 and 26626 Forest Park Lane in the Rocky Point subdivision, Nancy McKaig.

The purpose of this NOTICE is to place in the records a notification that said encroachment is an unauthorized use of National Forest System land.

Provided that if the District Ranger determines that the encroachment has been resolved, the Notice of Encroachment shall terminate. The termination shall be evidenced by a statement in recordable form furnished by the appropriate District Ranger to the landowner, heirs or assigns in interest.
