

TRUSTEE'S DEED

THIS INDENTURE, Made on September 12, 2002, between Dennis Fennell, hereinafter called trustee, and Harold Elliot, hereinafter called the second party.

Reference is made to that certain trust deed made by Dell A. Walling as Grantor, to Bend Title Company, an Oregon Corporation, as Trustee, in favor of Harold Elliot as beneficiary, dated January 2, 1996, recorded January 12, 1996, in the mortgage records of Klamath County, Oregon in book M-96 at page No. 1109 covering the following described real property situated in the above-mentioned County and State, to wit:

Lot 9, Block 5, Tract No. 1204, LITTLE RIVER RANCH, according to the official plat thereof on file in the office of the Clerk of Klamath County, Oregon.

In that trust deed the real property therein and hereinafter described was conveyed by the grantor to the trustee to secure, among other things, the performance of certain obligations of the grantor to the beneficiary. The grantor thereafter defaulted in performance of the obligations secured by the trust deed stated in the notice of default hereinafter mentioned, and such default still existed at the time of the sale hereinafter described.

By reason of the default, the owner and holder of the obligations secured by the trust deed, being the beneficiary therein named, or beneficiary's successor in interest, declared all sums so secured immediately due and owing. A notice of default containing an election to sell the real property and to foreclose the trust deed by advertisement and sale to satisfy grantor's obligations was recorded.

The true and actual consideration for this conveyance is \$18,479.00. After recording the notice of default, the undersigned trustee gave notice of the time for and place of sale of the real property as fixed by the trustee as required by law. Copies of the notice of sale were served pursuant to ORCP 7D.(2) and 7D.(3) or mailed by both first class and certified mail with return receipt requested, to the last known address of the persons or their legal representatives, if any, named in ORS 86.740(1) and (2)(a), at least 120 days before the date the property was sold. A copy of the notice of sale was mailed by first class and certified mail with return receipt requested to the last known address of the guardian, conservator or administrator or executor of any person named in ORCP 86.740(1), promptly after the trustee received knowledge of the disability, insanity or death of any such person. The trustee published a copy of the notice of sale in a newspaper of general circulation in each county in which the real property is situated once a week for four successive weeks. The last publication of the notice occurred more than 20 days prior to the date of sale. The mailing, service and publication of the notice of sale are shown by affidavits and/or proofs of service duly recorded prior to the date of sale in the county records, those affidavits and proofs, together with the Notice of Default and Election to Sell and the Notice of Sale, being now referred to and incorporated in and made a part of this deed as if fully set forth herein. The undersigned trustee has no actual notice of any person, other than the persons named in those affidavits and proofs as having or claiming a lien on or interest in the real property, entitled to notice pursuant to ORS 86.740(1)(b) or (1)(c).
