- b. Cures any other then existing defaults due to Buyer's failure to perform or comply with the covenants, conditions or terms of this Contract;
- c. Pays all expenses incurred in enforcing this Contract, including, but not limited to, reasonable attorneys' fees, and all other fees incurred for the purpose of protecting Seller's interest in the Premises and Seller's rights under this Contract.

Waiver:

For the purposes of this Contract, the word "may" gives sole discretion without any obligation to take action, and thus, failure of Seller to exercise his/her rights under this Contract shall not be deemed as a waiver by Seller to exercise said rights at any time. Seller may enforce his/her (Seller's) rights under this Contract according to the laws of the State of OREGON.

Default / Breach By Seller:

If the Seller fails to perform any of the Covenants or Conditions contained in this contract, the aforesaid money paid by the Buyer, at the option of the Buyer, shall be returned to the Buyer on demand; or the Buyer shall have only the right of specific performance.

In the event the Seller shall default upon any now existing or future mortgage or land contract regarding the Premises, Buyer shall have the right to do the acts and/or make payments necessary to cure such default and shall be immediately and automatically reimbursed, for so doing, by receiving credit to this Contract, in the amount of the payment to cure such default, to be applied to the remaining indebtedness, whether due or to become due, secured by this Contract.

Conveyance of Deed:

If Buyer shall, in the time and manner above specified, make all the payments, observe and perform all covenants and conditions herein made and herein provided, Seller shall thereupon, at Seller's expense, by good and sufficient Warranty Deed, convey the Premises to Buyer on the conditions herein agreed, free and clear of any liens or encumbrances other than taxes and assessments for the current year, however, if permissible by applicable state law, the Deed shall be limited so as to except acts or negligence of parties other than Seller subsequent to the date of this Contract. In any event, Buyer hereby agrees to hold Seller harmless for any acts or negligence of parties other than Seller subsequent to the date of this Contract. Except for costs resulting from acts, negligence, or death of Seller, all cost of additional evidence of title shall be the obligation of Buyer.

Possession of Premises:

Possession of Premises may be taken by Buyer on the execution of this Contract. Buyer may enjoy peaceful enjoyment of Premises as long as Buyer is not in default of the covenants and conditions contained in this Contract, including the timely payment of monies stipulated herein.

Buyer's Assignment:

Buyer: (check one)

a. [] May assign, sell, transfer or convey his/her (Buyer's) Interest in this Contract, any part thereof, or any Interest in the subject property, provided such assignment or conveyance shall not result in the probability of waste or other impairment of Seller's security in the Premises or the probability of default on behalf of Buyer as a result of any such assignment or

conveyance. Under no circumstances shall any assignment or conveyance release Buyer from his/her (Buyer's) obligations under this Contract unless Seller releases Buyer in writing. No assignment, however, shall be valid until written notice thereof has been given to Seller.

b. May not assign, sell, transfer or convey his/her (Buyer's) Interest in this Contract, any part thereof, or any Interest in the subject property of this Contract without first securing the written consent of the Seller.

Seller's Assignment and Subordination:

Seller reserves the right to convey his/her (Seller's) Interest in the Premises, and this Contract. Seller may, during the lifetime of this Contract, place, continue and renew a mortgage on the Premises, which shall be a lien on the Premises, superior to the rights of Buyer, provided that on the date that any new or renewed mortgage commences, the principal amount of said mortgage is not greater than the principle amount due on this Contract at that time and under no circumstances shall said mortgage have a term beyond or scheduled date of satisfaction on a date later than this Contract is scheduled to be satisfied. Priority of lien for same shall be secured by giving written notice to Buyer within fifteen (15) days of the execution all such new mortgages and renewals containing the name and address of the lien holder, the rate of interest of such mortgage, the amount and due date of payments and maturity of principal.

Eminent Domain:

If the premises or any part thereof or any estate therein, or any other part of the premises materially affecting Buyer's use of the premise, shall be taken by eminent domain, this Contract shall terminate on the date when title vests pursuant to such taking. Any award from such taking shall be applied in the following manner:

- (1) First, toward the satisfaction of any existing defaults under the terms of this contract;
- (2) Second, as a payment on the principal balance of any remaining indebtedness secured by this Contract;
- (3) Third, the remaining proceeds, if any, after the satisfaction of defaults and the payment on the principal balance, shall be paid to Buyer;

Both Buyer and Seller expressly agree that in the event such award is insufficient in amount to secure Seller's interest in this Contract by compensating Seller, in full, for any then existing defaults under the terms of this contract, as well as, the principal balance of any remaining indebtedness secured by this Contract, then Buyer shall not be entitled to any part of the award for such taking or any payment in lieu thereof.

Time:

Buyer and Seller expressly understand and agree that time is of the essence of this Contract.
