## Partial Reconveyance

KNOW ALL MEN BY THESE PRESENTS, that the undersigned trustee or successor trustee or successor trustee under that certain Trust Deed executed by Grantor(s).

## HAROLD ELLIOTT and in which MARTHA C. ROHLFING is named as beneficiary,

Dated: August 11, 1995

Recorded: August 16, 1995

In M95, Page: 21767, Klamath County records, having received from the beneficiary under said deed, or beneficiary's successor in interest, a written request to reconvey a portion of the real property covered by said trust deed, does here by, for value received, grant, bargain, sell and convey, but without any warranty, express or implied, to the person or persons legally entitled thereto, all of the estate held by the undersigned in and to the following described portion of the real property covered by said trust deed, to-wit:

## LOT 10 IN BLOCK 1, PLAT NO. 1204, LITTLE RIVER RANCH, according to the official plat thereof on file in the office of the County Clerk of Klamath County, Oregon.

The remaining property described in said trust deed shall continue to be held by the said trustee under the terms of said deed. This partial reconveyance is made without affecting the personal liability of any person for payment of the indebtedness secured by said trust deed.

| nability of any person for payment of the ind                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                     |  |  |
