Pursuant to requirements of Klamath County Fire District No 1 (Fire District) Provider  
has constructed a 10,000 gallon water reservoir on Provider's property located adjacent to the  
subdivision known as Scenic Valley the sole purpose of which reservoir is to provide to Fire

on lots in said Scenic Valley subdivision, include structures on the above described lot, which

Buyer desires to purchase and Provider desires to sell to Buyer the above described lot. As  
part of the consideration for said purchase and sale the Buyer is willing to execute this agreement  
to pay an annual charge to Provider toward the expenses incurred by Provider in the maintenance  
and repair of the well, pumps and reservoir hereafter described.

AGREEMENT

In consideration of the foregoing and of the mutual covenants and promises set forth  
below, the parties agree as follows

Provider, her successors and assigns, will maintain said reservoir in good condition sufficient to hold and maintain it full of water to its capacity and will equip the reservoir with such fittings and equipment required by Klamath County Fire District No 1., or its successor, for the sole purpose of providing a water supply for use by fire suppression equipment to extinguish fires in said subdivision on Tract 1332.

*SECTION TWO*

Provider will use her best efforts to keep said reservoir to full capacity at all times except when reservoir water is being used to extinguish fires. During times when water is being drawn for fire suppression purposes the well and reservoir shall be equipped and maintained so the reservoir water supply can be replenished. In the event that water must be drained from the tank for the purpose of repairing or otherwise servicing the interior of the reservoir the Fire District shall be notified within a reasonable time prior to draining, not less than seven days, so as to enable the Fire District to provide an emergency source of water, including use of Provider's well and pumps.
