and ASSIGNMENT OF LEASES

This **TRUST DEED, SECURITY AGREEMENT, and ASSIGNMENT OF LEASES**
is made this 14 day of July, 2003 between LES and NORMA V. NORTHCUTT, husband and
wife (collectively, "Grantor"), in favor of Aspen Title Insurance Company, an Oregon
corporation ("Trustee") for the benefit of HENRY J. ~~O'KEEFE~~ & PATRICIA D. O'KEEFFE, O'KEEFFE
TRUSTEES OR THEIR SUCCESSORS IN TRUST UNDER THE O'KEEFFE FAMILY
TRUST 1983 DATED MAY 13, 1983, AND ANY AMENDMENTS THERETO
("Beneficiary").

WITNESSETH:

Grantor irrevocably grants, bargains, sells and conveys to Trustee in trust, with power of
sale, the real property in Klamath County, State of Oregon, more particularly described in
Exhibit A attached hereto and specifically made a part hereof, together with all and singular
tenements, hereditaments, appurtenances, buildings, improvements, easements, royalties, water,
water rights, together with the irrigation equipment listed in Exhibit B, attached hereto and
specifically made a part hereof, and the rents, issues, proceeds, accounts, contract rights and
profits thereof, and all fixtures and other rights thereunder belonging or in anywise now or
hereafter attached to or used in connection with said real estate (collectively, the "Property").

FOR THE PURPOSE OF SECURING PERFORMANCE of each agreement of Grantor
herein contained and payment of the sum of ~~\$240,000.00~~ \$190,000, with interest thereon according to the
terms of a promissory note of even date herewith (the "Note"), payable to the Beneficiary and
made by Grantor, the final payment of principal and interest thereof to be due and payable
August 10, 2013. The date of maturity of the debt secured by this Trust Deed is August 10,
2013.

Grantor and Beneficiary covenant and agree as follows:

1. Payment of Principal and Interest. Grantor shall promptly pay when due all payments
of principal and interest required under the Note; any default, late charges or interest, or other

charges or fees provided in the Note; and all other sums due under the Note or this Trust Deed and will strictly perform all obligations imposed by the Note and this Trust Deed.

2. Preservation and Maintenance of the Property. Grantor shall protect, preserve and maintain the Property in good condition and repair; shall restore or repair all or any part of the Property promptly and in a good and workmanlike manner to the equivalent of its original condition, or such other condition as Beneficiary may approve in writing, in the event of a damage, injury or loss thereto, whether or not insurance proceeds are available to cover in whole or in part the costs of such restoration or repair; shall not remove or demolish any building or improvement thereon; and shall not commit or permit any waste of the Property. Grantor will protect and preserve and not waste any water, water rights, accounts and contract rights pertaining to the Property.

3. Preservation of Crops and Proceeds. Grantor will use the utmost care in cultivating, raising and harvesting the crops grown on the land constituting part of the Property, in accordance with sound farming practices. Beneficiary or Beneficiary's agents may enter upon the Property and inspect the Property including but not limited to the crops grown thereon. Until default, Grantor may harvest, process, store and use the crops in any lawful manner not inconsistent with this Trust Deed and may sell the crops in the ordinary course of business.

4. Compliance with Law. Grantor shall comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the Property and zoning and land use laws, and, in this connection, Grantor shall make all required repairs, alterations and additions.

5. Casualty Insurance. Grantor shall provide and continuously maintain insurance on the buildings and all other improvements now or hereafter erected on the Property against loss or damage by fire and such other hazards as Beneficiary may from time to time require, in an amount equal to the value of such buildings, written in companies acceptable to Beneficiary. Grantor shall also provide and continuously maintain insurance on all crops growing on land that is part of the Property and on all harvested crops in storage on the Property against such hazards as such crops are customarily insured for. All insurance policies and renewals thereof shall be in a form acceptable to Beneficiary and shall include a standard mortgagee clause in favor of and in form acceptable to Beneficiary with loss payable to Beneficiary. All insurance policies shall be evaluated and adjusted by Beneficiary on an annual basis. All policies of insurance shall be delivered to the Beneficiary as soon as issued. If the Grantor shall fail for any reason to procure any such insurance and to deliver the policies to Beneficiary at least fifteen (15) days prior to the expiration of any policy of insurance now or hereafter placed on the Property, the Beneficiary may procure the same at Grantor's expense. Grantor shall promptly reimburse Beneficiary for any premium purchased by Beneficiary, and until Grantor reimburses Beneficiary for such premiums, they shall accrue interest at the same interest rate as stated on the Note from the date of payment by Beneficiary and shall be secured by this Trust Deed. Coverage under any policy may not be canceled, permitted to lapse, or otherwise diminished without a minimum thirty (30) days' prior written notice to Beneficiary. The amount collected under any fire or other insurance policy may be applied by the Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at the option of Beneficiary the entire amount so collected, or any part thereof, may be released to Grantor, to be applied, to the extent possible, to

repairing or replacing the Property. In the event of loss, Grantor shall immediately give notice to Beneficiary. Beneficiary may make proof of loss if Grantor fails to do so within fifteen (15) days after such casualty. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6. Charges, Taxes. Grantor shall keep the Property free from construction and agricultural liens and shall pay all taxes, assessments and other charges that may be levied or assessed upon or against the Property before any part of such taxes, assessments and other charges become past due or delinquent and promptly deliver receipts thereof to Beneficiary within fifteen (15) days after making such payment, and shall save Beneficiary harmless therefrom and reimburse Beneficiary for all costs and attorney fees incurred by Beneficiary in defending its security against any such liens. Grantor may elect to pay real property taxes using the installment method so long as all real property taxes are paid currently. Should Grantor fail to pay any taxes, assessments, liens or other charges payable by Grantor, either by direct payment or by providing Beneficiary with funds with which to make such payment, Beneficiary may, at its option, make payment thereof. The amount so paid, with interest at the rate set forth in the Note, shall be added to and become part of the debt secured by this Trust Deed, without waiver of any rights arising from breach of any covenant herein. Grantor may, in good faith, contest a construction lien so long as a lien bond, executed by a corporation authorized to issue surety bonds in the State of Oregon, in the amount of \$1,000 or 150% of the lien amount, whichever is greater, is furnished by Grantor on behalf of Beneficiary in accordance with ORS 87.067(1), or so long as Grantor makes a deposit in the amount and in accordance with ORS 87.076(2).

7. Reimbursement of Expenses. Grantor shall pay all costs, fees and expenses of the Trustee including appraisal fees, receiver's fees, the cost of title search as well as the other costs and expenses of Trustee incurred in connection with or in enforcing this obligation and Trustee's and attorney's fees actually incurred. Should Grantor fail to reimburse Beneficiary for any such expense within fifteen (15) days after receipt of demand therefor or if such expense shall be for the enforcement of the terms of the Note or this Trust Deed whether or not reimbursement is demanded of Grantor, then the amount so paid, with interest at the rate set forth in the Note, shall be added to and become part of the debt secured by this Trust Deed, without waiver of any rights arising from breach of any covenant herein.

8. Defense of Title. Grantor shall appear in and defend any action or proceeding purporting to affect the security rights or powers of Beneficiary or Trustee; and in any suit, action or proceeding in which Beneficiary or Trustee may appear, including any suit for the foreclosure of this Trust Deed, to pay all costs and expenses, including evidence of title and Beneficiary's or Trustee's attorney fees. If Grantor defaults under this covenant and Beneficiary is required to pay for such defense, then interest shall accrue thereon as provided in Section 6 above and all such sums shall be added to and become part of the debt secured by this Trust Deed, as set forth in Section 6 above.

9. Condemnation. Grantor shall promptly notify Beneficiary of any action or proceeding relating to any condemnation, exercise of the power of eminent domain or other taking, whether direct or indirect, of the Property, or part thereof, and Grantor shall appear in and prosecute or

defend any such action or proceeding unless otherwise agreed to by Beneficiary and Grantor in writing. Grantor (notwithstanding that Beneficiary may not be a party to any such proceeding) will promptly give Beneficiary copies of notices, pleadings, judgments, determinations and other papers received by Grantor. If Grantor elects not to prosecute or defend any such action within fifteen (15) days after service on Grantor of a summons relating thereto from a court of competent jurisdiction, or if Grantor fails to notify Beneficiary in writing of Grantor's election to prosecute or defend such action within said fifteen (15) period, Grantor authorizes Beneficiary, at Beneficiary's option, as attorney-in-fact for Grantor, to commence, appear in and prosecute, and be represented by counsel in Beneficiary's or Grantor's name, any action or proceeding relating to any condemnation or other taking of the Property or part thereof, whether direct or indirect, and to settle or compromise any claim in connection with such condemnation or other taking. The proceeds of any award, payment or claim for damages, direct or consequential, in connection with any condemnation or other taking, whether direct or indirect, of the Property, or any part thereof, or for conveyances in lieu of condemnation, are hereby assigned to and shall be paid to Beneficiary. Beneficiary shall apply such proceeds first to any reasonable costs and expenses and attorney fees, both in trial and appellate courts, necessarily paid or incurred by Beneficiary in such proceedings, and shall apply the balance to the indebtedness secured hereby. Grantor shall not enter into any agreement for the taking of all or a part of the Property, unless Beneficiary shall have first consented thereto in writing.

10. Assignments and Transfers. Grantor covenants not to voluntarily or involuntarily, directly or indirectly, transfer, sell, encumber or otherwise dispose of all or any portion of its ownership of the Property or any part thereof without Beneficiary's prior written consent, which consent shall not be unreasonably withheld. Notwithstanding the above, Grantor may transfer the Property to a corporation or limited liability company in which Grantor is the sole shareholder or member. The addition of any other shareholder(s) or member(s) to such corporation or limited liability company shall be a transfer in violation of this covenant.

11. Further Encumbrances. Grantor covenants not to voluntarily or involuntarily encumber the Property or any part thereof without Beneficiary's prior written consent.

12. Hazardous Substances. Grantor shall (i) not permit any hazardous or dangerous objects, materials or products to be located upon or generated, stored, transported to or from, disposed of or used in any portion of the Property; (ii) not permit any hazardous or dangerous use to be made of the Property; and (iii) shall keep the Property in a safe condition in full compliance with all safety, health and environmental statutes, ordinances and regulations (collectively, the "Environmental Covenants"). In the event of a breach by Grantor of any of the Environmental Covenants, Grantor agrees to defend, indemnify and hold Beneficiary and Beneficiary's agents, employees, heirs, personal representatives, successors and assigns harmless against a) any and all costs, actual and foreseeable consequential damages, and losses arising from or related to any such breach; b) all costs of any required alterations, reconstruction, repairs, clean up or detoxification of the Property and the preparation and implementation of any closure, remedial or other required plans resulting from any such breach, whether prior to or following the repayment of the Note or prior to or following the foreclosure of or trustee's sale under this Trust Deed; and c) for any lien imposed against the Property or any portion thereof to secure the payment of any costs relating to the removal of hazardous materials and/or any

resulting restoration of the Property because of any such breach. This indemnification shall be secured by this Trust Deed if and to the extent so elected by Beneficiary in writing at any time prior to a foreclosure or trustee's sale under the Trust Deed. If not so elected this indemnity shall survive any foreclosure of or trustee's sale under this Trust Deed and shall at Beneficiary's option not be included in any debt which is statutorily extinguished in connection therewith. The creation or filing of any lien against the Property or any portion thereof as a result of the actual or alleged presence on the Property of any hazardous materials, any misrepresentation of Grantor herein or failure of Grantor to make any payment or promptly or continuously pursue any action referred to in this paragraph shall constitute a default under this Trust Deed.

13. Uniform Commercial Code Security Agreement. This instrument is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the items specified above as part of the Property that, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code. Grantor agrees to and hereby appoints Beneficiary the attorney-in-fact of Beneficiary to execute and deliver to Beneficiary, upon its request, any financing statements, as well as extensions, renewals and amendments thereof. Grantor shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases and shall pay all reasonable costs and expenses of any record searches for financing statements Beneficiary may reasonably require. Without the prior written consent of Beneficiary, Grantor shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said items, including replacements and additions thereto. Upon Grantor's breach of any covenant or agreement of Grantor contained in this Instrument, including but not limited to the covenants to pay when due all sums secured by this Trust Deed, Beneficiary shall have the remedies of a secured party under the Uniform Commercial Code, and, at Beneficiary's option, may also invoke any other remedies provided for in this Trust Deed or under Oregon law governing trust deeds. In exercising any of said remedies, Beneficiary may proceed against items of real property and items of personal property specified above as part of the Property separately or together and in any order whatsoever, without in any way affecting the availability of Beneficiary's remedies under the Uniform Commercial Code or of the other remedies provided for in this Trust Deed or under Oregon law governing trust deeds.

14. Assignment of Leases, Rents, Issues, and Profits.

14.01. Assignment. Grantor assigns and transfers to Beneficiary (1) all leases, subleases, licenses, rental contracts, and other agreements, whether now existing or hereafter arising, and relating to the occupancy or use of all or any portion of the Trust Property, including all modifications, extensions, and renewals thereof (the "Leases"), and (2) all rents, revenues, issues, profits, income, proceeds, and benefits derived from the Trust Property and the lease, rental, or license of all or any portion thereof, including but not limited to lease and security deposits (collectively, the "Rents"). This assignment is intended by Grantor and Beneficiary to create a present and unconditional assignment to Beneficiary, subject only to the license set forth in Section 14.04 below.

14.02. **Rights of Beneficiary.** Subject to the provisions of Section 14.04 below giving Grantor a revocable, limited license, Beneficiary shall have the right, power, and authority to:

(i) Notify any and all tenants, renters, licensees, and other obligors under any of the Leases that the same have been assigned to Beneficiary and that all Rents are to be paid directly to Beneficiary, whether or not Beneficiary shall have foreclosed or commenced foreclosure proceedings against the Trust Property, and whether or not Beneficiary has taken possession of the Trust Property;

(ii) Discount, settle, compromise, release, or extend the time for payment of, any amounts owing under any of the Leases and any Rents, in whole or in part, on terms acceptable to Beneficiary;

(iii) Collect and enforce payment of Rents and all provisions of the Leases, and to prosecute any action or proceeding, in the name of Grantor or Beneficiary, with respect to any and all Leases and Rents; and

(iv) Exercise any and all other rights and remedies of the lessor in connection with any of the Leases and Rents.

14.03. **Application of Receipts.** Beneficiary shall have the right, power, and authority to use and apply any Rents received under this Trust Deed (1) for the payment of any and all costs and expenses incurred in connection with enforcing or defending the terms of this assignment or the rights of Beneficiary, and in collecting any Rents; and (2) for the operation and maintenance of the Trust Property and the payment of all costs and expenses in connection therewith, including but not limited to the payment of utilities, taxes, assessments, governmental charges, and insurance. After the payment of all such costs and expenses, and after Beneficiary shall have set up such reserves as it deems necessary in its sole discretion for the proper management of the Trust Property, Beneficiary shall apply all remaining Rents collected and received by it to the reduction of the Obligations in such order as Beneficiary shall determine. The exercise or failure by Beneficiary to exercise any of the rights or powers granted in this assignment shall not constitute a waiver of default by Grantor under this Trust Deed, the Note, or any of the other Loan Documents.

14.04. **License.** Beneficiary hereby grants to Grantor a revocable license to collect and receive the Rents that are paid for the years 2004 through and including the date of August 10, 2013. Such license may be revoked by Beneficiary, without notice to Grantor, on the occurrence of any event of default under this Trust Deed, including any default by Grantor of its covenants in this Section 14. Unless and until such license is revoked, Grantor agrees to apply the proceeds of Rents to the payment of the Obligations and to the payment of taxes, assessments, governmental charges, insurance premiums, and other obligations in connection with the Trust Property, and to the maintenance of the Trust Property, before using such proceeds for any other purpose. Grantor agrees to (1) observe and perform every obligation of Grantor under the Leases; (2) enforce or secure at its expense the performance of every obligation to be performed by any lessee or other party under the Leases; (3) promptly give notice to Beneficiary of any

default by any such lessee or other party under any of the Leases, and promptly provide Beneficiary a copy of any notice of default given to any such lessee or other party; (4) not collect any Rents more than 30 days in advance of the time when the same shall become due, or anticipate any other payments under the Leases, except for bona fide security deposits not in excess of an amount equal to two months' rent; (5) not further assign or hypothecate any of the Leases or Rents; (6) except with Beneficiary's prior written consent, not waive, release, or in any other manner discharge any lessee or other party from any of its obligations under any of the Leases; (7) except with Beneficiary's prior written consent, not modify or amend any of the Leases; (8) except with Beneficiary's prior written consent, not cancel, terminate, or accept surrender of any of the Leases unless Grantor shall have entered into a Lease for the space to be vacated on terms at least as favorable to Grantor, commencing within 30 days after such cancellation, termination, or surrender; (9) obtain Beneficiary's prior written approval on the form and content of all future leases and any modifications of any present or future leases; (10) deliver copies of all present and future leases to Beneficiary promptly; and (11) appear in and defend, at Grantor's sole cost and expense, any action or proceeding arising out of or in connection with the Leases or the Rents.

- 14.05. Limitation of Beneficiary's Obligations. Notwithstanding the assignment provided for in this Section 14, Beneficiary shall not be obligated to perform or discharge, and Beneficiary does not undertake to perform or discharge, any obligation or liability with respect to the Leases or the Rents. This assignment shall not operate to place responsibility for the control, care, maintenance, or repair of the Trust Property on Beneficiary, or to make Beneficiary responsible for any condition of the Property. Beneficiary shall be accountable to Grantor only for the sums actually collected and received by Beneficiary pursuant to this assignment. Grantor shall hold Beneficiary fully harmless from, indemnify Beneficiary for, and defend Beneficiary against any and all claims, demands, liabilities, losses, damages, and expenses, including attorney fees, arising out of any of the Leases, with respect to any of the Rents, or in connection with any claim that may be asserted against Beneficiary on account of this assignment or any obligation or undertaking alleged to arise therefrom.
- 14.06. Termination. The assignment provided for in this Section 14 shall continue in full force and effect until all the Obligations have been fully paid and satisfied. At such time, this assignment and the authority and powers herein granted by Grantor to Beneficiary shall cease and terminate.
- 14.07. Attorney-in-Fact. Grantor irrevocably constitutes and appoints Beneficiary, and each of its officers, as its true and lawful attorney-in-fact, with power of substitution, to undertake and execute any and all of the rights, powers, and authorities described in this Section 14 with the same force and effect as if undertaken or performed by Grantor, and Grantor ratifies and confirms any and all such actions that may be taken or omitted to be taken by Beneficiary, its employees, agents, and attorneys.

15. Grantor's Warranties. Grantor warrants to and with Beneficiary that it is lawfully seized in fee simple of the Property and has a valid, unencumbered title thereto except as disclosed to Beneficiary and Grantor covenants that it will warrant and forever defend the same against all persons whatsoever. Grantor further warrants that the debt secured by this Trust Deed is for business or commercial purposes and that Grantor has full authority to execute this Trust Deed.

16. Successor Trustee. Beneficiary may from time to time appoint a successor or successors to any trustee named herein or to any successor trustee appointed hereunder. Upon such appointment, the latter shall be vested with all title, powers, and duties conferred upon any trustee herein named or appointed hereunder. Each such appointment and substitution shall be made by written instrument executed by Beneficiary, which, when recorded in the land records of the county in which the Property is situated, shall be conclusive proof of proper appointment of the successor trustee.

17. Events of Default. In the event of a default, the entire principal sum with accrued interest thereon due under the Note and this Trust Deed shall, at the option of the Beneficiary, become due and payable forthwith, without notice. No failure to exercise such option shall be deemed a waiver on the part of the Beneficiary of any right accruing thereafter. Grantor agrees that the occurrence of any of the following shall constitute a default under this Trust Deed:

- 17.1. Grantor's failure to pay when due any payment of any kind under the Note or any taxes, assessments, insurance premiums or any other lien or charge upon the Property;
- 17.2. Grantor's prepayment of any interest or principal under the Note before such payment is due.
- 17.3. Grantor's failure to perform any other covenant in the Note or this Deed of Trust, including but not limited to any (attempted) transfer of the Property or further encumbrance of the Property without prior written consent of Beneficiary;
- 17.4. Default of any kind under the Note or this Trust Deed;
- 17.5. Filing by Grantor of a petition in bankruptcy or for an arrangement, reorganization or any other form of debt relief, or if such petition is filed against Grantor;
- 17.6. Entry of a decree or order for the appointment of a trustee, receiver or liquidator for Grantor or Grantor's property;
- 17.7. Commencement of any proceeding for dissolution or liquidation of Grantor;
- 17.8. Assignment by Grantor of all or substantially all of its assets for the benefit of its creditors or admits in writing its inability to pay its debts generally as they

become due; or

- 17.9. An attachment, execution or other judicial seizure of any portion of Grantor's assets.

18. Acceleration; Remedies. Upon default by Grantor in payment of any indebtedness secured hereby or in its performance of any agreement of Grantor hereunder, Beneficiary may declare all sums secured thereby immediately due and payable. In such event Beneficiary may at its election, in addition to any other remedies available at law or in equity, proceed to foreclose this Trust Deed in equity as a mortgage or direct the Trustee to foreclose this Trust Deed by advertisement and sale in the manner provided in ORS 86.735 through 86.795. Beneficiary shall be entitled to collect all costs and expenses incurred in pursuing any of its remedies, including but not limited to reasonable attorney fees, whether or not any action or proceeding is commenced and any such fees incurred in any appellate or bankruptcy proceeding, and costs of documentary evidence, abstracts and title or foreclosure reports or guaranties. If Beneficiary invokes the power of sale, Beneficiary shall proceed as set forth in ORS 86.735 et seq. The proceeds of any foreclosure sale, whether as a judicial foreclosure or by advertisement and sale, shall be applied in the following order: a) to all costs and expenses of the sale, including but not limited to trustee's and attorney's fees, publication fees, service fees and costs of foreclosure title guaranty; b) to all sums secured by this Trust Deed in such order as Beneficiary in its sole discretion directs; and c) the excess, if any to the Clerk of the Court of the county in which the Property is located. Grantor consents to a personal deficiency judgment for any part of the debt hereby secured which shall not be paid by the sale of the Property, unless such judgment is prohibited by law, and Grantor expressly waives (i) any claim of homestead and (ii) all rights to possession of the Property during the period allowed by law for redemption. Upon, or at any time prior or after, initiating the exercise of any power of sale, instituting any judicial foreclosure or instituting any other foreclosure of the liens and security interests provided for herein or any other legal proceedings hereunder, Beneficiary may make application to a court of competent jurisdiction for appointment of a receiver for all or any part of the Property, as a matter of strict right and without notice to Grantor and without regard to the adequacy of the Property for the repayment of the obligations secured by this Trust Deed or the solvency of the Grantor or any person or persons liable for the payment of the debt secured by this Trust Deed. Each remedy provided in this Trust deed is distinct and cumulative to all other rights or remedies under this Trust Deed or afforded by law or equity and may be exercised concurrently, independently, or successively, in any order whatsoever.

19. Non-Waiver. The entering upon and taking possession of the Property, the collection of the proceeds of casualty and other insurance policies or compensation or awards for any taking of the Property, or the application of release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice. No waiver of any default or breach by Grantor hereunder shall be implied from any delay or omission by Beneficiary to take any action on account of such default other than the default specified in the waiver, and it shall be operative only for the time and to the extent therein stated. Waivers of any covenant, term, or condition contained herein must be in writing and shall not be construed as a waiver of any subsequent breach of the same covenant, term, or condition or a breach of any other covenant, term or condition. The consent or approval by Beneficiary to or of

any acts by Grantor requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent or similar act. No single or partial exercise of any right or remedy of Beneficiary hereunder shall preclude any further exercise thereof or the exercise of any other or different right or remedy.

20. Successors and Assigns. This Trust Deed applies to, inures to the benefit of and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, personal representatives, successors and assigns. The term "Beneficiary" shall mean the holder and owner of the Note, whether or not named as Beneficiary herein.

21. Construction. This Trust Deed shall be construed according to the laws of the State of Oregon. In construing this Trust Deed, it is understood that the headings shall be for reference only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions thereof. In construing this Trust Deed and whenever the context so requires, the masculine, feminine and neuter gender, and the singular and plural number shall be deemed to include the others whenever the context so indicates.

22. Integration and Modification. This Trust Deed represents the entire understanding of the parties hereto and supercedes all prior negotiations, written or oral. This Trust Deed may not be modified except by subsequent agreement in writing by the parties hereto.

23. Severability. If any provision of this Trust Deed shall be found invalid or illegal, such provision shall be ineffective and shall not invalidate the remaining portions of this Trust Deed.

24. Attorney Fees. If either party is required to pay an attorney to enforce the terms of this Trust Deed, then it will be entitled to be indemnified from the other for its attorney fees, including but not limited to attorney fees in arbitration, at trial, or appeal or in bankruptcy.

25. Time of Essence. Time is of the essence of this Deed of Trust.

26. Waiver of Statute of Limitations. To the extent permitted by law, Grantor hereby waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Trust Deed or to any action brought to enforce the Note or any other obligation secured by this Trust Deed.
