Signature of Party filing Notice Date

**Title: Joni Hammond, Administrator for
Department of Environmental Quality, Eastern Region**

1. Property affected: **Second Addition, Lot 23, North Ridge Estates, Klamath County, Oregon**
2. Based on information compiled from former and current property owners and investigations performed by the Oregon Department of Environmental Quality (DEQ) and the United States Environmental Protection Agency (USEPA), the DEQ has reason to believe that friable asbestos and/or asbestos-containing-materials (ACM) is present at this property either at the surface and/or in the subsurface. DEQ and EPA are conducting further study of the area.
3. Asbestos may present a health hazard when friable and released to the environment.
4. DEQ should be notified prior to redevelopment or disturbance of the soils at the property described in this notice. For more information regarding this notice, contact the Oregon Department of Environmental Quality, Environmental Cleanup Program, Eastern Region, 2146 NE 4th, Suite 104, Bend, OR 97701, (541) 388-6146.
