- WARRANTY DEED -

South Valley Bank & Trust, an Oregon banking corporation, Grantor, conveys and warrants to Klamath Cascade Group LLC, an Oregon limited liability company, and Bob Stewart, as tenants in common, Grantee and Grantee's successors, the following described real property situate in Klamath County, Oregon, free of encumbrances except as specifically set forth herein:

See Exhibit "A" attached hereto and incorporated herein by reference.

Conveyance of this property is subject to the following deed restriction, which deed restriction shall run with the land:

1. Grantee and Grantee's successors shall indemnify, defend and save harmless Grantor from and against any suits, actions, legal or administrative proceedings, demands, claims, liabilities, fines, penalties, losses, injuries, damages, expenses or costs, including interest and attorney's fees, in any way connected with any injury to any person or damage to any property (including the cost of studies, surveys, clean-up and any other environmental claim expenses) or any loss to Grantor occasioned in any way by Hazardous Substances on the property or by the negligent or intentional activities of Grantee and Grantee's successors before, during or after Grantee and Grantee's successors' acquisition of the property.

2. This indemnity specifically includes the direct obligation of Grantee and Grantee's successors to perform any remedial or other activities required, ordered, recommended or requested by any agency, governmental official or third party, or otherwise necessary to avoid injury or liability to any person, or to prevent the spread of pollution, however it come to be located on the property (hereinafter, the "remedial work"). Grantee and Grantee's successors shall perform all remedial work in its own name and in accordance with Environmental Law.

3. Without waiving its rights hereunder, Seller may, at its option, perform the remedial work and thereafter seek reimbursement for the costs thereof. Grantee and Grantee's successors shall permit Grantor access to the site to perform the remedial work.

4. Whenever Grantor has incurred costs described in this section, the Grantee and Grantee's successors shall, within 10 days of receipt of notice thereof, reimburse Grantor for all such expenses together with interest from the date of expenditure at a rate of 9% per annum.

5. Without limiting its obligations under any other paragraph of this agreement, Grantee and Grantee's successors shall be solely and completely responsible for responding to and comply with any administrative notice, order, request or demand, or any third party claim or demand relating to potential or actual hazardous substances contamination on the premises. The responsibility conferred under this paragraph includes but is not limited to responding to such orders on behalf of Grantor and defending against any assertion of Grantor's financial responsibility or individual duty to perform under such orders. Grantee and Grantee's successors shall assume any liabilities or responsibilities which are assessed against Grantor in any action described under this paragraph.

6. Grantee and Grantee's successors hereby waives, releases and discharges forever Grantor from all present and future claims, demands, suits, legal and administrative proceedings and from all liability for damages, losses, costs, liabilities fees and expenses, present and future, known and unknown, arising out of or in any way connected with Grantor's use, maintenance, ownership or operation of the property, any condition of environmental contamination on the property, and/or the existence of Hazardous Substances in any state on the property, however they came to be placed there.

7. "Environmental Laws" shall mean the Resource Conservation and Recovery Act, the Toxic Substances Control Act, the Comprehensive Environmental Response, Compensation and Liability Act, the Solid Waste Disposal Act or any comparable Federal or State Statutes or any regulation promulgated under any of such Federal or State Statues relating to the protection of human health or the environment.

8. "Hazardous Substance" shall mean any and all hazardous or toxic substances, materials or wastes as defined or listed under the Environmental Laws.
