If said lands are subject to any trust deed, mortgage, contract of sale or other lien upon the land, landowners agree to furnish to KID, a recordable agreement from the owners and holders of such instrument or lien to be subordinate to the terms of this Agreement but the failure of landowners to so secure such Agreement shall not relieve landowners or said lands from any of the terms and conditions of this Agreement.

with the ownership, operation or maintenance of the Klamath Project.

(7) Landowners understand and agree that should they desire to be included in KID in the future, if such inclusion is possible, that before such request will be granted, Landowners will be required as a condition thereof to pay all assessments that have been exempted by this Agreement, plus the amount of all interest which would have been chargeable for nonpayment of such assessments if they had not been exempted by this Agreement.

(8) Landowners' representations, warranties, covenants, and agreements herein set forth are covenants running with Landowners' said land and each and every part and parcel thereof in perpetuity, forever binding the same for the use and benefit of KID and the United States of America, and their respective successors, grantees, transferees and assigns.
